reexamination following the effective date of the decrease.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.
Date Granted: October 27, 2009.
Reason Waived: This waiver was granted because the
unforeseen measure would enable BHA to both manage its Housing Choice Voucher program within allocated
budget authority and avoid or lessen the
termination of HAP contracts due to insufficient funding.
Contact: Laure Rawson, Acting Director, Housing Voucher Management and
Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451
Seventh Street, SW., Room 4210, Washington, DC 20410–5000, telephone (202) 708–0477.
• Regulation: 24 CFR 982.505(c)(4).
• Project/Activity: Housing Authority of the
County of Monterey (HACM), Monterey, CA.
Nature of Requirement: HUD’s regulation at 24 CFR 982.505(c)(4) provides that if the
payment standard amount is increased
during the term of the housing assistance
payment contract, the increased payment standard amount shall be used to
calculate the monthly HAP for the family
beginning at the effective date of the family’s
first regular reexamination on or after the
effective date of the increase in the payment
standard amount.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.
Date Granted: December 2, 2009.
Reason Waived: This waiver was granted to allevitate
rent burden that may have resulted
through the implementation of a lower
payment standard as a cost-savings measure
to avoid or lessen the termination of HAP
contracts due to insufficient funding.
Contact: Laure Rawson, Acting Director, Housing Voucher Management and
Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451
Seventh Street, SW., Room 4210, Washington, DC 20410–5000, telephone (202) 708–0477.
• Regulation: 24 CFR 982.505(d).
• Project/Activity: Housing Authority of the
Town of Manchester (HATM), Manchester, CT.
Nature of Requirement: HUD’s regulation at 24 CFR 982.505(d) provides that a public
housing agency may only approve a higher
payment standard for a family as a reasonable
accommodation if the higher payment
standard is within the basic range of 90
to 110 percent of the fair market rent (FMR)
for the unit size.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.
Date Granted: December 8, 2009.
Waived by: Laure Rawson, who is disabled,
ned to rent a unit on a first floor with on
site laundry facilities which provide
reasonable accommodation. To provide this
reasonable accommodation so the client
could be assisted in this unit while paying
no more than 40 percent of adjusted income
toward the family share, the HATM was
allowed to approve an exception payment
standard that exceeded the basic range of 90
to 110 percent of the FMR.
Contact: Laure Rawson, Acting Director, Housing Voucher Management and
Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451
Seventh Street, SW., Room 4210, Washington, DC 20410–5000, telephone (202) 708–0477.
• Regulation: 24 CFR 1003.201(e).
• Project/Activity: Campo Band of Mission
Indians, Campo, California.
Nature of Requirement: Section 1003.201(e) of HUD’s regulation states that
public services which are directed toward
improving a community’s public services
and facilities may be funded with Indian
Community Development Block Grant (ICDBG) funds. However, the amount of
ICDBG funds used for public services may
not exceed 15 percent of the grant. Such
projects must be submitted with one or more
other projects which must comprise at least
85 percent of the total requested ICDBG
amount.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.
Date Granted: December 11, 2009.
Reason Waived: The Campo Band of
Mission Indians submitted a request for an
ICDBG Imminent Threat Grant to address a
water contamination issue. Specifically the Campo Band wanted to use the funds to
provide bottled water to its members until
the water problem was permanently resolved.

Pursuant to the ICDBG regulation, bottled
water was defined as public service and as
such could not exceed 15 percent of the
ICDBG grant. The Tribe subsequently
submited a request for a waiver of 24 CFR 1003.201(e). The regulation was waived
because the Tribe verified the existence of
the imminent threat and obtained funding to
permanently resolve the water contamination
problem.

Contact: Deborah Lalancette, Director,
Office of Grants Management, ONAP, Office of Public and Indian Housing, Department of Housing and Urban Development, 1670
Broadway, 23rd Floor, Denver, CO 80202,
telephone (303) 675–1600.
