Title: Arrival and Departure Record, Nonimmigrant Visa Waiver Arrival/Departure, Electronic System for Travel Authorization (ESTA)

OMB Number: 1651-0111

Form Numbers: I-94 and I-94W

Abstract: Form I-94 (Arrival/Departure Record) and Form I-94W (Nonimmigrant Visa Waiver Arrival/Departure Record) are used to document a traveler's admission into the United States. These forms include date of arrival, visa classification and the date the authorized stay expires. The forms are also used by business employers and other organizations to confirm legal status in the United States. The Electronic System for Travel Authorization (ESTA) applies to aliens traveling to the United States under the Visa Waiver Program (VWP) and requires that VWP travelers provide information electronically to CBP before

embarking on travel to the United States.

CBP proposes to decrease the burden hours for the I-94W and for ESTA due to better estimates. The reduction in the burden hours for the I-94W is also a result of pilot programs CBP has conducted recently in which passengers are not required to submit an I-94W.

Current Actions: This submission is being made to extend the expiration date with a revision to the burden hours.
