SUPPLEMENTARY INFORMATION: The OFPA of 1990, as amended (7 U.S.C. In developing this program, the Secretary is required to establish an NOSB. The purpose of the NOSB is to assist in the development of a proposed National List of Allowed and Prohibited Substances and to advise the Secretary on other aspects of the National Organic Program.

The NOSB made recommendations to the Secretary regarding establishment of the initial organic program. It is anticipated that the NOSB will continue to make recommendations on various matters, including recommendations on substances it believes should be allowed or prohibited for use in organic production and handling.

The NOSB is composed of 15 members; 4 organic producers, 2 organic handlers, a retailer, 3 environmentalists, 3 public/consumer representatives, a scientist, and a certifying agent. Nominations are being sought to fill the following five (5) upcoming NOSB vacancies: organic producer (2 positions), consumer/public interest (2 positions), and USDA accredited certifying agent (1 position). Individuals desiring to be appointed to the NOSB at this time must be either an owner or operator of an organic production operation, an individual who represents public interest or consumer interest groups, or an individual who is a USDA accredited organic certifying agent as identified under Section 2116 of the FACT Act. Selection criteria will include such factors as: demonstrated experience and interest in organic production; organic certification; support of consumer and public interest organizations; demonstrated experience with respect to agricultural products produced and handled on certified organic farms; and such other factors as may be appropriate for specific positions.

To nominate yourself or someone else please submit, at a minimum, a cover letter stating your interest and a copy of the nominee's resume. You may also submit a list of endorsements or letters of recommendation, if desired.

Nominees will be supplied with an AD-755 background information form that must be completed and returned to USDA within 10 working days of its receipt. Resumes and completed background information forms are required for a nominee to receive consideration for appointment by the Secretary.

Equal opportunity practices will be followed in all appointments to the NOSB in accordance with USDA policies. To ensure that the members of the NOSB take into account the needs of the diverse groups that are served by the Department, membership on the NOSB will include, to the extent practicable, individuals who demonstrate the ability to represent minorities, women, and persons with disabilities.

The information collection requirements concerning the nomination process have been
