

comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Procedures for the Administration of Section 5 of the Voting Rights Act of 1965.

(3) *Agency form number:* None.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State or Local or Tribal Government. Other: None. Abstract: Jurisdictions specially covered under the Voting Rights Act are required to comply with Section 5 of the Act before they may implement any change in a standard, practice, or procedure affecting voting. One option for such compliance is to submit that change to Attorney General for review and establish that the proposed voting changes are not racially discriminatory. The procedures facilitate the provision of information that will enable the Attorney General to make the required determination.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 4,109 respondents will complete each form within approximately 10.02 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 41,172 total annual burden hours associated with this collection.
