granted the request of FirstEnergy Nuclear Operating Company and FirstEnergy Nuclear Generation Corp. to withdraw its June 2, 2009, application for proposed amendment to Facility Operating License No. NPF–3 for the Davis-Besse Nuclear Power Station, Unit No. 1, located in Ottawa County, Ohio.

The proposed amendment would have excluded the source range neutron flux instrument channel preamplifier from the Channel Calibration requirements of Technical Specification (TS) 3.3.9, “Source Range Neutron Flux,” and TS 3.9.2, “Nuclear Instrumentation.”

The Commission had previously issued a Notice of Consideration of Issuance of Amendment published in the Federal Register on July 28, 2009 (74 FR 37248). However, by letter dated February 16, 2010, the licensee withdrew the proposed change.

For further details with respect to this action, see the application for amendment dated June 2, 2009, and the licensee’s letter dated February 16, 2010, which withdrew the application for license amendment. SMALL BUSINESS ADMINISTRATION

Small Business Size Standards: Waiver of the Nonmanufacturer Rule

AGENCY: U.S. Small Business Administration.

ACTION: Notice of intent to waive the Nonmanufacturer Rule for Liquid Propane Gas (LPG).

SUMMARY: The U.S. Small Business Administration (SBA) is considering granting a class waiver of the Nonmanufacturer Rule for Liquid Propane Gas (LPG). On December 10, 2009, SBA received a request that a class waiver be granted for liquid propane gas (LPG), Product Service Code (PSC) 6830 (Compressed and Liquefied Gases), under the North American Industry Classification System (NAICS) code 325120 (Industrial Gases Manufacturing). According to the request, no small business manufacturers supply these class of products to the Federal government. On January 12, 2010, SBA issued a notice of intent to waive the Nonmanufacturer Rule for Compressed and Liquefied Gases. 75 FR 1662 (2010). After reviewing the responses to the notice SBA has concluded that the January 12, 2010, notice should have been more specific. Thus, SBA is seeking information on whether there are small business LPG manufacturers. If granted, the waiver would allow otherwise qualified small businesses to supply the products of any manufacturer on a Federal contract set aside for small businesses, Service-Disabled Veteran-Owned (SDVO) small businesses or Participants in the SBA’s 8(a) Business Development (BD) program.

DATES: Comments and source information must be submitted April 7, 2010.

Applicant’s Representations
1. SeaCo, a Bermuda company, was formed on August 22, 2008, to own, operate and manage a shipping container business throughout the world. SeaCo acquired its businesses from Sea Containers Limited (“SCL”) through a chapter 11 bankruptcy proceeding.2 SeaCo states that in addition to directly owning a fleet of shipping containers (and, to a lesser degree, land containers), it also conducts its business through its wholly-owned subsidiaries and through a controlled company, GE SeaCo SRL (“GE SeaCo”), in a joint venture with General Electric Capital Corporation (“GECC”).2

2. GE SeaCo is an operating company engaged in the business of leasing marine containers to ocean carriers and shippers, leasing land containers, and disposing of containers at the end of their useful economic life. SeaCo directly owns approximately 50% of the outstanding voting securities of GE SeaCo, which entitles it to appoint four members of GE SeaCo’s board of managers (“GE SeaCo Board”). Since April 2006, GECC, which owns the remaining 50% of the outstanding voting securities of GE SeaCo, has held the right to appoint five of the nine members of the GE SeaCo Board. SeaCo states that by virtue of its ownership stake, SeaCo controls GE SeaCo as defined in section 2(a)(9) of the Act.3

3. SeaCo represents that it actively participates in the management and affairs of GE SeaCo. SeaCo states that it conducts its shipping container business through GE SeaCo by making decisions with GE SeaCo about the repair, positioning, re-leasing or sale of

1 United States Bankruptcy Court for the District of Delaware, Case No. 06–11156 (KJC).
2 As described more fully in the application, SeaCo finances the activities of, and collects revenues from, its other subsidiaries through its direct, wholly-owned subsidiary, SeaCo Finance Ltd. (“SCL Finance”). While SeaCo owns its voting interest in GE SeaCo directly, it owns its economic interest in GE SeaCo indirectly through SCL Finance and certain other intermediate, wholly-owned subsidiaries.
3 Section 2(a)(9) of the Act defines “control” as the power to exercise a controlling influence over the management or policies of a company, and creates a presumption that an owner of more than 25% of the outstanding voting securities of a company controls the company.
