
Proposal to discontinue under OMB delegated authority the following report:

Agency form number: FR 1375.
OMB control number: 7100–0307.
Frequency: Semi-annually.
Reporters: Military personnel.
Estimated annual reporting hours: 2,640 hours.
Estimated average hours per response: 20 minutes.

Number of respondents: 4,000.

General description of report: This information collection is voluntary. The statutory basis for collecting this information includes: the Truth in Lending Act, 15 U.S.C. 1604(a), the Truth in Savings Act, 12 U.S.C. 4308(a), the Equal Credit Opportunity Act, 15 U.S.C. 1691b, and the Fair Credit Reporting Act, 15 U.S.C. 1681m(h)(6), 1681s(o)(1). Further, under the Truth in Lending Act, the Board is required to report annually to Congress and make recommendations concerning the act, 15 U.S.C. 1613. Respondent participation in the survey is voluntary. No issue of confidentiality normally arises because names and any other characteristics that would permit personal identification of respondents are not reported to the Board.

Abstract: This survey, which was implemented in 2004, gathers data from two groups of military personnel: (1) Those completing a financial education course as part of their advanced individualized training and (2) those not completing a financial education course. These two groups are surveyed on their financial management behaviors and changes in their financial situations over time. Data from the survey help to determine the effectiveness of financial education for young adults in the military and the durability of the effects as measured by financial status of those receiving financial education early in their military careers.

Current actions: The Federal Reserve proposes to discontinue the FR 1375 survey as a result of (1) relocation of troops (survey participants) due to the Defense Base Closure and Realignment program, (2) cancellation of the two-day financial education course, and (3) attrition of troops from the survey sample as they left the service.
methodology; and ways to enhance the quality, utility, and clarity of the information to be collected.

SUPPLEMENTARY INFORMATION:

A. Purpose

GSA, on behalf of the Grants Policy Committee, is issuing a new information collection requirement regarding reporting personal tangible property. The new standard form, the Tangible Personal Property Report (SF–428) is available on OMB’s main Web page at http://www.whitehouse.gov/omb/grants_standard_report_forms/.

B. Comments

One comment requested clarification as to whether the new report would take precedence over specific reporting requirements in the provisions of existing awards. The response in 73 FR 67175, November 13, 2008 clarified that the Tangible Personal Property Report will replace any agency unique forms currently in use, but it does not create any new reporting requirements. One comment requested clarification of the instructions for annual property reporting. The instructions were revised to clarify that annual reporting is required only for Federally owned property. One comment suggested renaming the form to more easily distinguish the attachments. A letter designation was added to the attachments.

C. Burden Estimates

The burden estimate below is for the following agencies: DOE, EPA, DOD, SSA, IMLS, DOC, DHS, HHS OPDIVs, HUD, NEA, NEH, ED, VA.

Estimated number of respondents: 14,666.

Estimated average burden hours per response: 2.2737.

Estimated Total Annual Burden Hours: 33,346.5.

Estimated Cost: There is no expected cost to the respondents or to OMB.
