SUPPLEMENTARY INFORMATION:

I. Abstract

Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected parties have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies an information collection activity that the Office of the Secretary, Take Pride in America has submitted to OMB for renewal.

Under the Take Pride in America Program Act (the Act), 16 U.S.C. 46-01-4608, the Secretary of the Interior is to: (1) "Conduct a national awards program to honor those individuals and entities which, in the opinion of the Secretary * * * have distinguished themselves in activities" under the purposes of the Act, and also to (2) "establish and maintain a public awareness campaign in cooperation with public and private organizations and individuals—(A) To instill in the public the importance of the appropriate use of, and appreciation for Federal, State and local lands, facilities, and natural and cultural resources; (B) to encourage an attitude of stewardship and responsibility towards these lands, facilities, and resources; and (C) to promote participation by individuals, organizations, and communities of a conservation ethic in caring for these lands, facilities, and resources." The Act states that "[t]he Secretary is authorized * * * generally to do any and all lawful acts necessary or appropriate to further the purposes of the TPIA Program."

If this information were not collected from the public, Take Pride in America awards would be limited to individuals and organizations nominated by Federal agencies based on projects within their sphere of influence. This would effectively block many worthy individuals and organizations from being considered for these awards. The TPIA Program was launched in April of 2003 with the stated intent of honoring the best in the Nation, without restriction. It would reflect poorly on the Department and on the President if only volunteers to Federal agencies

could be honored for their service to America.

The OMB granted a three-year extension on March 22, 2007. This Office is now planning to extend the information collection approval authority in order to enable the Department of the Interior to continue to comply with the Take Pride in America Act, 16 U.S.C. 4601-4608.
