I. Background

The Secretary is required by section 1833(t)(9)(A) of the Social Security Act (the Act) to consult with an expert outside advisory Panel regarding the clinical integrity of the APC groups and relative payment weights that are components of the Medicare hospital Outpatient Prospective Payment System (OPPS).

The Charter requires that the Panel meet up to three times annually. CMS

considers the technical advice provided by the Panel as we prepare the proposed and final rules to update the OPPS for the next calendar year.

The Panel may consist of a chair and up to 15 members who are full-time employees of hospitals, hospital systems, or other Medicare providers that are subject to the OPPS. Panel members serve without compensation, according to an advance written agreement. However, for the meetings, CMS reimburses travel, meals, lodging, and related expenses in accordance with standard Government travel regulations.

CMS has a special interest in attempting to ensure, while taking into account the nominee pool, that the Panel is diverse in all respects of the following: Geography; rural or urban practice; race, ethnicity, sex, and disability; medical or technical specialty; and type of hospital, hospital health system, or other Medicare provider subject to the OPPS.

Based upon either self-nominations or nominations submitted by providers or interested organizations, the Secretary, or his or her designee, appoints new members to the Panel from among those candidates determined to have the required expertise. New appointments are made in a manner that ensures a balanced membership under the guidelines of the Federal Advisory Committee Act.
