[Docket No. ER10–853–000]

Dynamic PL, Inc.; Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization

March 19, 2010.

This is a supplemental notice in the above-referenced proceeding of Dynamic PL, Inc.'s application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC, 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard to the applicant's request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability, is April 8, 2010.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at http://www.ferc.gov. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protest.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC, 20426.

The filings in the above-referenced proceeding are accessible in the Commission’s eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission’s Public Reference Room in Washington, DC.

There is an eSubscription link on the Web site that enables subscribers to receive an e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCONlineSupport@ferc.gov or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

Nationwide Limited Public Interest Waivers Under Section 1605 (Buy American) of the American Recovery and Reinvestment Act of 2009 (Recovery Act)

ACTION: Notice of limited waivers.

SUMMARY: The Office of Energy Efficiency and Renewable Energy (EERE) of the U.S. Department of Energy hereby provides notice that on March 19, 2010, the Assistant Secretary for EERE granted nationwide limited waivers of the Buy American requirements of the American Recovery and Reinvestment Act of 2009 (Recovery Act; Pub. L. 111–5) under the authority of section 1605(b)(1) [application of the restrictions of section 1605 would be inconsistent with the public interest] for the purchase of light-emitting diode (LED) lighting (lamps, fixtures, and any supporting components) and heating, ventilation and air conditioning (HVAC) units. These nationwide limited waivers apply to projects using EERE Recovery Act funds for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States, or unless a waiver is granted by the head of the Federal department or agency.

DATES: Effective Date: March 19, 2010.

SUPPLEMENTARY INFORMATION: Section 1605 of the Recovery Act prohibits the use of recovery funds for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States, or unless a waiver is granted by the head of the Federal department or agency.

The waiver may be granted if the head of the Federal department or agency determines that one of three listed exceptions applies: (1) The application of Section 1605 requirements would be inconsistent with the public interest; (2) the iron, steel, or relevant manufactured good is not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or (3) the cost of domestic iron, steel, or relevant manufactured goods will increase the cost of the overall project by more than 25 percent.

In accordance with section 1605(c) of the Recovery Act and Section 176.80 of Title 2 of the Code of Federal Regulations, DOE hereby provides notice that, pursuant to a delegation of authority by the Secretary of Energy, dated November 10, 2009, the Assistant Secretary, EERE, has granted limited nationwide waivers of the requirements of Section 1605 of the Recovery Act for LED lighting (lamps, fixtures, and any supporting components) and heating, ventilation and air conditioning (HVAC) units in circumstances where the recipient of EERE Recovery Act funds ("grantee") has taken substantial steps to...
