Final Priorities, Requirements, Definition, and Selection Criteria

We will announce the final priorities, requirements, definition, and selection criteria in a notice in the **Federal Register**. We will determine the final priorities, requirements, definitions, and selection criteria after considering responses to this notice and other information available to the Department. This notice does not preclude us from proposing additional priorities, requirements, definitions, and selection criteria, subject to meeting applicable rulemaking requirements.

Note: This notice does not solicit applications. In any year in which we choose to use one or more of these priorities, requirements, definition, and selection criteria, we invite applications through a notice in the **Federal Register**.

Executive Order 12866: This notice has been reviewed in accordance with Executive Order 12866. Under the terms of the order, we have assessed the potential costs and benefits of this regulatory action.

The potential costs associated with this proposed regulatory action are those resulting from statutory requirements and those we have determined as necessary for administering this program effectively and efficiently.

In assessing the potential costs and benefits—both quantitative and qualitative—of this proposed regulatory action, we have determined that the benefits of the proposed priorities, requirements, definition, and selection criteria justify the costs.

We have determined, also, that this regulatory action does not unduly interfere with State, local, and tribal governments in the exercise of their governmental functions.

Discussion of Costs and Benefits: Elsewhere in this notice we discuss the potential costs and benefits, both quantitative and qualitative, of the proposed priorities, requirements, definition, and selection criteria under the background sections to the Priorities, Requirements, Definition, and Selection Criteria.

Paperwork Reduction Act of 1995 (PRA)

Certain sections of the proposed priorities, requirements, definition, and selection criteria for the SLC grant program contain changes to information collection requirements already approved by the Office of Management and Budget (OMB) under OMB control number 1810-0676 (1890-0001). We will be publishing a separate notice in the **Federal Register** requesting comments on these changes.

Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. One of the objectives of the Executive order is to foster an intergovernmental partnership and a strengthened federalism. The Executive order relies on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.
