Bayer Material Science, LLC, Formally Known as Sheffield Plastics, Including On-Site Leased Workers from Randstadt Work Solutions, Berlin, CT; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 8th, 2010, applicable to workers of Bayer Material Science, LLC, formally known as Sheffield Plastics, including on-site leased workers from Randstadt Work Solutions, Berlin, Connecticut. The notice was published in the Federal Register on January 25, 2010 (75 FR 3934).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers produced polycarbonate film products.

Information shows that Bayer Material Science, LLC was formally known as Sheffield Plastics. Some workers separated from employment at the subject firm had their wages reported under two separate unemployment insurance (UI) tax accounts under the name Bayer Material Science, LLC, formally known as Sheffield Plastics. Accordingly, the Department is amending this certification to property reflect this matter.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in production of polycarbonate film products to Thailand.

The amended notice applicable to TA–W–71,045 is hereby issued as follows:

All workers of Bayer Material Science, LLC, formally known as Sheffield Plastics, including on-site leased workers from Randstadt Work Solutions, Berlin, Connecticut, who became totally or partially separated from employment on or after June 5, 2008 through January 8, 2012, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC this 22nd day of March 2010.

Michael W. Jaffe,
Certifying Officer, Division of Trade Adjustment Assistance

Cessna Aircraft Company, a Division of Textron, Inc., Including On-Site Leased Workers From Express Professional Staffing, Formerly Known as Express Employment Professionals, Bend, OR; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on November 10th, 2009, applicable to workers of Cessna Aircraft Company, a division of Textron, Inc., including on-site leased workers from Express Professional Staffing, formerly known as Express Employment Professionals, Bend, Oregon. The notice was published in the Federal Register on January 25, 2010 (75 FR 3934).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers produced single engine aircraft.

Information shows that the on-site leased firm Express Professional Staffing was formerly known as Express Employment Professionals. Some workers separated from employment at the subject firm had their wages reported under two separate unemployment insurance (UI) tax account names Express Professional Staffing and Express Employment Professionals.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in production of single engine aircraft to Mexico.

The amended notice applicable to TA–W–70,398 is hereby issued as follows:

All workers of Cessna Aircraft Company, a division of Textron, Inc., including on-site leased workers from Express Professional Staffing, formerly known as Express Employment Professionals, Bend, Oregon, who became totally or partially separated from employment on or after May 18, 2008, through two years from the certification, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC this 22nd day of March 2010.

Michael W. Jaffe,
Certifying Officer, Division of Trade Adjustment Assistance

Maxim Integrated Products, Formerly Known as Dallas Semiconductor, Dallas, TX; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on July 8th, 2009, applicable to workers of Maxim Integrated Products, Dallas, Texas. The notice was published in the Federal Register on August 19, 2009 (74 FR 41932).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers produced integrated circuits (analog and mixed signal).

Information shows that Maxim Integrated Products was formerly known as Dallas Semiconductor. Some workers separated from employment at the subject firm had their wages reported under two separate unemployment insurance (UI) tax accounts under the names Maxim Integrated Products, Inc. and Dallas Semiconductor.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in production of integrated circuits (analog and mixed signal).
