

excessive. The proposed rule change reflects a competitive pricing structure designed to incent market participants to direct their order flow to DECN. Finally, the Exchange believes that the proposed rates are equitable in that they apply uniformly to all Members and provide higher rebates for higher volume thresholds, resulting from lower administrative costs. ISE believes the fees and credits remain competitive with those charged by other venues and therefore continue to be reasonable and equitably allocated to those members that opt to direct orders to DECN rather than competing venues.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act⁹ and Rule 19b-4(f)(2)¹⁰ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61829; File No. SR-BX-2010-023]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Market Maker Quoting Obligations

April 1, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 26, 2010, NASDAQ OMX BX, Inc. (the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Chapter VI, Section 6 (Market Maker Quotations) of the Rules of the Boston Options Exchange Group, LLC ("BOX"). The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room, on the Exchange's Internet Web site at <http://nasdaqomxbx.cchwallstreet.com/NASDAQOMXB/Filings/>, and on the Commission's Web site at <http://www.sec.gov/>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A).

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 19b-4(f)(2).

the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to update certain quoting obligations of Market Makers.

Presently, a Market Maker must participate in the pre-opening phase and thereafter make markets such that on a daily basis a Market Maker posts quotes at least eighty percent (80%) of the time an appointed options class is open for trading, for at least ninety percent (90%) of the classes to which the Market Maker is appointed and for at least sixty percent (60%) of the time in each of its appointed classes during the time that the class(es) are open for trading.⁵

Due to the fact that all Market Makers on BOX will still have some minimum quoting obligations and that Market Makers are not the only source of liquidity on BOX (e.g., OFP and Public Customer Orders also provide liquidity), the Exchange no longer believes that it is necessary for a Market Maker to be held to this level of quoting to ensure adequate liquidity on BOX in a particular class. Therefore, the Exchange is proposing to update Chapter VI, Section 6(d) of the BOX Rules such that during continuous trading, on a daily basis, a Market Maker must post quotes at least sixty percent (60%) of the time that its appointed class(es) are open for trading. These obligations will apply to all of the Market Maker's appointed classes collectively, rather than on a class-by-class basis.

The Exchange notes that no changes are being proposed regarding Market Makers' other obligations, including obligations to participate in the pre-opening phase. Furthermore, a Market Maker may continue to be called upon by an Options Official⁶ to submit a single valid two-sided quote in one or more of the series of an options class to which the Market Maker is appointed whenever, in the judgment of such official, it is necessary to do so in the interest of fair and orderly markets.⁷ Because the Market Makers' remaining obligations, including those mentioned above, will continue, the Exchange believes this justifies any benefits they

receive due to their appointment as Market Maker on BOX.

The Exchange also seeks to set forth certain exemptions within Chapter VI, Section 6(d). Specifically, when determining if a Market Maker has met its 60% quoting obligation, the Exchange would not consider the duration of any periods where a technical failure of the BOX Trading Host prevents the Market Maker from providing continuous quotations. Also, an Options Official of the Exchange would retain the discretion to consider other exceptions to this continuous electronic quoting obligation based on demonstrated legal or regulatory requirements or other mitigating circumstances.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,⁸ in general, and Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism for a free and open market and a national market system and, in general, to protect investors and the public interest. In particular, the proposed changes will more closely align the quoting obligations of Market Makers with the levels the Exchange deems necessary to help ensure that there is adequate liquidity on BOX in each of the classes to which a particular Market Maker is appointed. Furthermore, the proposed changes will result in such quoting obligations being closer to the quoting obligations in effect on another options exchange.¹⁰

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

This proposed rule change is filed pursuant to paragraph (A) of section 19(b)(3) of the Exchange Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

This proposed rule change does not significantly affect the protection of investors or the public interest, does not impose any significant burden on competition, and, by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange notes that the changes proposed herein will align the quoting percentage obligations of Market Makers, as well as exceptions thereto, with those of market makers on NYSE Arca.¹³ In addition, the Market Makers' other remaining obligations are substantially similar to those for market makers on NYSE Arca. The Exchange believes that this proposed rule change, which is essential for competitive purposes and to promote a free and open market for the benefit of investors, does not raise any new, unique or substantive issues from those attendant with the approved NYSE Arca rule.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61826; File No. SR-ISE-2010-24]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Order Granting Accelerated Approval to a Proposed Rule Change Relating to the Amounts That Direct Edge ECN, in Its Capacity as an Introducing Broker for Non-ISE Members, Passes Through to Such Non-ISE Members

April 1, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 24, 2010, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons, and is approving the proposal on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the amounts that Direct Edge ECN ("DECN"), in its capacity as an introducing broker for non-ISE Members, passes through to such non-ISE Members.

The text of the proposed rule change is available on the Exchange's Internet Web site at <http://www.ise.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

DECN, a facility of ISE, operates two trading platforms, EDGX and EDGA.³ On March 24, 2010, the ISE filed for immediate effectiveness a proposed rule change to amend Direct Edge ECN's ("DECN") fee schedule for ISE Members⁴ to: (i) Reflect pass through charges of other market centers;⁵ and (ii) make typographical and clarifying changes.⁶ The changes made pursuant

³ This fee filing relates to the trading facility operated by ISE and not EDGA Exchange, Inc. and EDGX Exchange, Inc. Direct Edge ECN LLC (EDGA and EDGX) will cease to operate in its capacity as an electronic communications network following the commencement of operations of EDGA Exchange, Inc. and EDGX Exchange, Inc. as national securities exchanges.

⁴ References to ISE Members in this filing refer to DECEN Subscribers who are ISE Members.

⁵ In SR-ISE-2009-57, the Exchange adopted a fee of \$0.0024 per share for securities priced at or above \$1.00 which add liquidity to LavaFlow ECN ("LavaFlow") and are routed from either EDGX or EDGA. Such a strategy is deemed a ROLF routing strategy, which is a destination specific routing strategy that will first sweep the EDGA or EDGX order book before being delivered to LavaFlow. A conforming amendment was made to the fee schedule to yield an "M" flag to account for this fee. Conversely, for liquidity that is routed through either EDGA or EDGX and removes liquidity from LavaFlow, the Exchange adopted a fee for ISE members of \$0.0029 per share for securities priced at or above \$1.00. Such situation yields a flag of "U." However, if an ISE member posts an average of 50,000 shares or more using a ROLF routing strategy, yielding flag M, then such ISE member's fee, when removing liquidity from LavaFlow, decreased to \$0.0022 per share and yielded flag U. See Securities Exchange Act Release No. 60442 (August 5, 2009), 74 FR 40249 (August 11, 2009) (SR-ISE-2009-57).

In SR-ISE-2010-23, because the Exchange passed through to Exchange members the actual transaction fees assessed by away markets, the Exchange amended its fees schedule to reflect LavaFlow's increase in fees. Effective March 1, 2010, LavaFlow increased its fees and thresholds for meeting the above-described tier. Members that remove liquidity from LavaFlow if the Member's attributable MPID executes a minimum of 100,000 shares (instead of 50,000 shares) average daily volume using strategy ROLF (yielding Flag M) are now charged \$0.0023 per share (instead of \$0.0022 per share). The Exchange amended its fee schedule to pass through this change to its members by reflecting it in footnote 6 on the fee schedule.

Secondly, effective April 1, 2010, the Nasdaq Stock Market updated its transaction fee schedule to introduce a unified removal rate (\$0.0030 per share executed) for all U.S. equities, across Tapes A, B, and C.⁵ As a result of this change, the Exchange made a conforming change to delete footnote number 8 on the "2" flag and re-number it as footnote number 7 since the Nasdaq Stock Market no longer differentiates its removal rate across Tapes A, B, and C. See Equity Trader Alert 2010-12 (effective April 1, 2010).

⁶ In SR-ISE-2010-23, the Exchange made the following typographical and clarifying changes to the fee schedule: (i) on flag H, for EDGA, 0.001 was changed to read "0.0010" to conform the numbering
