Notice of Allocation Availability (NOAA) Inviting Applications for the CY 2010 Allocation Round of the New Markets Tax Credit Program

Funding Opportunity Title: Notice of Allocation Availability (NOAA) Inviting Applications for the CY 2010 Allocation Round of the New Markets Tax Credit Program.

Announcement Type: Initial announcement of tax credit allocation availability.

DATES: Electronic applications must be received by 5 p.m. ET on June 2, 2010. Applications sent by mail, facsimile or other form will not be accepted. Please note the Community Development Financial Institutions Fund (the CDFI Fund) will only accept applications and attachments (i.e., signature page, investor letters and organizational charts) in electronic form (see Section IV.D. of this NOAA for more details). Applications must meet all eligibility and other requirements and deadlines, as applicable, set forth in this NOAA. Allocation applicants that are not yet certified as Community Development Entities (CDEs) must submit an application for certification as a CDE that is postmarked on or before April 23, 2010 (see Section III of this NOAA for more details).

Executive Summary: Subject to authorization from Congress in 2010, this NOAA is issued in connection with the calendar year 2010 tax credit allocation round of the New Markets Tax Credit (NMTC) Program, as initially authorized by Title I, subtitle C, section 121 of the Community Renewal Tax Relief Act of 2000 (Pub. L. 106–554) and amended by section 221 of the American Jobs Creation Act of 2004 (Pub. L. 108–357), section 101 of the Gulf Opportunity Zone Act of 2005 (Pub. L. 108–357), and Division A, section 102 of the Tax Relief and Health Care Act of 2006 (Pub. L. 109–432) (the Act). Through the NMTC Program, the CDFI Fund provides authority to CDEs to offer an incentive to investors in the form of tax credits over seven years, which is expected to stimulate the provision of private investment capital that, in turn, will facilitate economic and community development in Low-Income Communities. Through this NOAA, the CDFI Fund announces, subject to authorization, the availability of up to $5 billion of NMTC authority authorized by the Act.

In this NOAA, the CDFI Fund specifically addresses how an entity may apply to receive an allocation of NMTCs, the competitive procedure through which NMTC Allocations will be made, and the actions that will be taken to ensure that proper allocations are made to appropriate entities.

I. Allocation Availability Description

A. Programmatic Changes

1. Allocation Amounts: As described in Section II.A, the CDFI Fund anticipates that it will provide allocation awards of not more than $150 million per applicant.

2. Prior QEI Issuance Requirements: In order to be eligible to apply for NMTC allocations in the 2010 round, as described in Section III.A.2(a), applicants that have received NMTC allocation awards in previous rounds...
are required to meet minimum Qualified Equity Investment (QEI) issuance thresholds with respect to their prior-year allocations. These thresholds have been revised in comparison to the 2009 NOAA.

3. Affiliated Governmental Entities: As stated in Section III.A.4 of the NOFA, in certain circumstances, the CDFI Fund may allow multiple entities that are Controlled by the same governmental entity to submit applications in the same round.

4. Electronic Application Submission: As stated in Sections I.I.C and I.I.D of this NOFA, the CDFI Fund will require the application and all attachments to the application to be submitted electronically.

5. Application Selection Criteria: In August of 2009, in accordance with the requirements of the Paperwork Reduction Act (PRA), 74 FR 38482, the CDFI Fund solicited public comments with respect to the NMTC application. As a result of comments received, the CDFI Fund has modified the contents of its application form and, in some cases, its application review criteria. These modifications are reflected in Section V.A of this NOAA.

6. Ensuring Rural Proportionality: As stated in Section V.C of this NOFA, the CDFI Fund may enlarge the applicant review pool to include more Rural CDEs, if necessary to ensure that 20 percent of the aggregate NMTC investments are made in non-metropolitan areas.

B. Program guidance and regulations: This NOAA provides guidance for the application and allocation of NMTCs for the eighth round of the NMTC Program and should be read in conjunction with: (i) Guidance published by the CDFI Fund on how an entity may apply to become certified as a CDE (66 FR 65806, December 20, 2001); (ii) the final regulations issued by the Internal Revenue Service (26 CFR 1.45D–1, published on December 28, 2004) and related guidance, notices and other publications; and (iii) the application and related materials for this eighth NMTC allocation round. All such materials may be found on the CDFI Fund’s Web site at http://www.cdfifund.gov. The CDFI Fund encourages applicants to review these documents. Capitalized terms used, but not defined, in this NOAA shall have the respective meanings assigned to them in the allocation application, IRC § 45D or the IRS regulations.

II. Allocation Information

A. Allocation amounts: Pursuant to the Act, the CDFI Fund expects that it may allocate to CDEs the authority to issue to their investors up to the aggregate amount of $5.0 billion in equity as to which NMTCs may be claimed, as permitted under IRC § 45D(f)(1)(D). Pursuant to this NOAA, the CDFI Fund anticipates that it will not issue more than $150 million in tax credit allocation authority per applicant. The CDFI Fund, in its sole discretion, reserves the right to allocate amounts in excess of or less than the anticipated maximum allocation amount should the CDFI Fund deem it appropriate. In order to receive an allocation in excess of the $150 million cap, an applicant, at a minimum, will need to demonstrate that: (i) No part of its strategy can be successfully implemented without an allocation in excess of the applicable cap; and/or (ii) its strategy will produce extraordinary community impact. The CDFI Fund reserves the right to allocate tax credit authority to any, all, or none of the entities that submit an application in response to this NOAA, and in any amount it deems appropriate.

B. Types of awards: NMTC Program awards are made in the form of tax credit authority.

C. Allocation Agreement: Each Allocatee under this NOAA must sign an Allocation Agreement before the NMTC Allocation is effective. The Allocation Agreement contains the terms and conditions of the allocation. For further information, see Section VI of this NOAA.

III. Eligibility

A. Eligible applicants: IRC § 45D specifies certain eligibility requirements that each applicant must meet to be eligible to apply for an allocation of NMTCs. The following sets forth additional detail and certain additional dates that relate to the submission of applications under this NOAA for the $5.0 billion in general NMTC allocation authority.

1. CDE certification: For purposes of this NOAA, the CDFI Fund will not consider an application for an allocation of NMTCs unless: (a) The applicant is certified as a CDE at the time the CDFI Fund receives its NMTC Program allocation application; or (b) the applicant submits an application for certification as a CDE that is postmarked on or before April 26, 2010. Applicants for certification may obtain a CDE certification application through the CDFI Fund’s Web site at http://www.cdfifund.gov. Applications for CDE certification must be submitted as instructed in the application form. An applicant that is a community development financial institution (CDFI) or a specialized small business investment company (SSBIC) does not need to submit a CDE certification application; however, it must register as a CDE on the CDFI Fund’s Web site on or before 5 p.m. ET on April 26, 2010.

The CDFI Fund will not provide allocations of NMTCs to applicants that are not certified as CDEs. See Section IV.D.1.(c) of this NOAA for further requirements relating to postmarks. If an applicant that has already been certified as a CDE wishes to change its designated CDE service area, it must submit its request for such a change to the CDFI Fund; and the request must be received by the CDFI Fund by 5 p.m. ET on June 2, 2010. The CDE service area change request must be sent from the applicant’s authorized representative and include the applicable CDE control number, the revised service area designation, and an updated accountability chart that reflects representation from Low-Income Communities in the revised service area. The service area change request must be sent by e-mail to cme@cdfi.treas.gov or by facsimile to (202) 653-0245.

2. Prior awardees or Allocatees: Applicants must be aware that success in a prior round of any of the CDFI Fund’s programs is not indicative of success under this NOAA. For purposes of this section, the CDFI Fund will consider an Affiliate to be any entity that meets the definition of Affiliate as defined in the NMTC allocation application materials, or any entity otherwise identified as an Affiliate by the applicant in its NMTC allocation application materials. Prior awardees of any CDFI Fund Program are eligible to apply under this NOAA, except as follows:

(a) Prior Allocatees and Qualified Equity Investment (QEI) issuance requirements: The following describes the QEI issuance requirements applicable to prior Allocatees.

A prior Allocatee in the second round of the NMTC Program (CY 2003–2004) is not eligible to receive a NMTC Allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has issued and received funds in-hand (the term “funds in-hand” does not include committed funding) from its investors for 95 percent of its QEIs relating to its CY 2003–2004 NMTC Allocation.

A prior Allocatee in the third round of the NMTC Program (CY 2005) is not eligible to receive a NMTC Allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has issued and received funds in-hand from its investors for at least 80 percent of its...
QEI relating to its CY 2005 NMTC Allocation; or (ii) issued and received funds in-hand from its investors for at least 60 percent of its QEI and that 100 percent of its total CY 2005 NMTC Allocation has been exchanged for funds in-hand from investors, or has been committed by its investors.

A prior Allocatee in the fourth round of the NMTC Program (CY 2006) is not eligible to receive a NMTC Allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has: (i) Issued and received funds in-hand from its investors for at least 60 percent of its QEI relating to its CY 2006 NMTC Allocation; or (ii) issued and received funds in-hand from its investors for at least 50 percent of its QEI and that at least 50 percent of its total CY 2006 NMTC Allocation has been exchanged for funds in-hand from investors, or has been committed by its investors.

A prior Allocatee in the fifth round of the NMTC Program (CY 2007) is not eligible to receive a NMTC Allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has: (i) Issued and received funds in-hand from its investors for at least 50 percent of its QEI relating to its CY 2007 NMTC Allocation; or (ii) issued and received funds in-hand from its investors for at least 40 percent of its QEI and that at least 80 percent of its total CY 2007 NMTC Allocation has been exchanged for funds in-hand from investors, or has been committed by its investors.

A prior Allocatee (with the exception of a Rural CDE Allocatee) in the sixth round of the NMTC Program (CY 2008) is not eligible to receive a NMTC Allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has: (i) Issued and received funds in-hand from its investors for at least 30 percent of its QEI relating to its CY 2008 NMTC Allocation; or (ii) issued and received funds in-hand from its investors for at least 20 percent of its QEI and at least 60 percent of its total CY 2008 NMTC Allocation has been exchanged for funds in-hand from investors, or has been committed by its investors. A prior Rural CDE Allocatee in the sixth round is not eligible to receive a NMTC Allocation pursuant to this NOAA unless the Allocatee can demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has: (i) Issued and received funds in-hand from its investors for at least 20 percent of its QEI relating to its CY 2008 NMTC Allocation.

A prior Allocatee (with the exception of a Rural CDE Allocatee) in the seventh round of the NMTC Program (CY 2009) is not eligible to receive a NMTC Allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has: (i) Issued and received funds in-hand from its investors for at least 20 percent of its QEI relating to its CY 2009 NMTC Allocation; or (ii) issued and received funds in-hand from its investors for at least 10 percent of its QEI and that at least 30 percent of its total CY 2009 NMTC Allocation has been exchanged for funds in-hand from investors, or has been committed by its investors. A Rural CDE is not required to meet the above QEI issuance and commitment thresholds with regard to its 2009 NMTC allocation award.

In addition to the requirements described above, an entity is not eligible to receive a NMTC Allocation pursuant to this NOAA if an Affiliate of the applicant is a prior Allocatee and has not met the requirements set forth above for the Allocatees in the prior allocation rounds of the NMTC Program.

Notwithstanding the above, if an applicant has received multiple NMTC allocation awards between the second round (CY 2003/2004) and the seventh round (CY 2009), the applicant shall be deemed to be eligible to apply for a NMTC Allocation pursuant to this NOAA if the applicant is able to affirmatively demonstrate that, as of 11:59 p.m. ET on July 21, 2010, it has issued and received funds in-hand from its investors for at least 60 percent of its QEI relating to its cumulative allocation amounts from these prior NMTC Program rounds. Rural CDEs that received allocations under the sixth round (CY 2008) may choose to exclude such allocations from this cumulative calculation, provided that the Allocatee has issued and received funds in-hand from its investors for at least 20 percent of its QEI relating to its CY 2008 allocation. Rural CDEs that received allocations under the seventh round (CY 2009) may choose to exclude such allocation from this cumulative calculation.

For purposes of this section of the NOAA, the CDFI Fund will only recognize as “issued” those QEI that have been finalized in the CDFI Fund’s Allocation Tracking System (ATS) by the deadlines specified above. Allocatees and their Subsidiary CDEs are advised to access ATS to record each QEI that they issue to an investor in exchange for funds in-hand. For purposes of this section of the NOAA, “committed” QEI are only those Equity Investments that are evidenced by a written, signed document in which an investor: (i) Commits to make an investment in the Allocatee in a specified amount and on specified terms; (ii) has made an initial disbursement of the investment proceeds to the Allocatee, and such initial disbursement has been recorded in ATS as a QEI; (iii) commits to disburse the remaining investment proceeds to the Allocatee based on specified amounts and payment dates; and (iv) commits to make the final disbursement to the Allocatee no later than July 21, 2012.

The applicant will be required, upon notification from the CDFI Fund, to submit adequate documentation to substantiate the required issuances of and commitments for QEI.

Applicants should be aware that these QEI issuance requirements represent the minimum threshold requirements that must be met to be considered for an application for assistance under this NOAA. As stated in Section V.B.2 of this NOAA, the CDFI Fund reserves the right to reject an application and/or adjust award amounts as appropriate based on information obtained during the review process—including an applicant’s track record of raising QEI and/or deploying their QLICs.

Prior Allocatees that require any action by the CDFI Fund (e.g., certifying a subsidiary entity as a CDE; adding a subsidiary CDE to an Allocation Agreement; etc.) in order to meet the QEI issuance requirements above must submit their requests by no later than May 21, 2010 in order to guarantee that the CDFI Fund completes all necessary approvals prior to July 21, 2010.

Applicants for certification may obtain a CDE certification application through the CDFI Fund’s Web site at http://www.cdfifund.gov. Applications for CDE certification must be submitted as instructed in the application form.

(b) Failure to meet reporting requirements: The CDFI Fund will not consider an application submitted by an applicant if the applicant or any of its Affiliates is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program and is not current on the reporting requirements set forth in a previously executed assistance, allocation or award agreement(s), as of the application deadline of this NOAA. Please note that the CDFI Fund only acknowledges the receipt of reports that are complete. As such, incomplete reports or reports that are submitted after the time limit of required elements will not be recognized as having been received.
(c) Pending resolution of noncompliance: If an applicant is a prior awardee or Allocatee under any CDFI Fund program and if: (i) It has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its previous assistance, award or Allocation Agreement, the CDFI Fund will consider the applicant’s application under this NOAA pending full resolution of the noncompliance, in the sole determination of the CDFI Fund. Further, if an Affiliate of the applicant is a prior CDFI Fund awardee or Allocatee and if such entity: (i) Has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its previous assistance, award or Allocation Agreement, the CDFI Fund will consider the applicant’s application under this NOAA pending full resolution of the noncompliance, in the sole determination of the CDFI Fund. 

(d) Default status: The CDFI Fund will not consider an application submitted by an applicant that is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program if, as of the application deadline of this NOAA, the CDFI Fund has made a final determination that an Affiliate of the applicant is in default of a previously executed assistance, allocation or award agreement(s) and the CDFI Fund has provided written notification of such determination to such applicant. Further, an entity is not eligible to apply for an allocation pursuant to this NOAA if: (i) Within the 12-month period prior to the application deadline of this NOAA, the CDFI Fund has made a final determination that such applicant’s prior award or allocation terminated in default of a previously executed assistance, allocation or award agreement(s); (ii) the CDFI Fund has provided written notification of such determination to such applicant; and (iii) the final reporting period end date for the applicable terminated assistance, allocation or award agreement(s) falls within the 12-month period prior to the application deadline of this NOFA.

Further, an entity is not eligible to apply for an allocation pursuant to this NOAA if: (i) Within the 12-month period prior to the application deadline of this NOAA, the CDFI Fund has made a final determination that an Affiliate of the Applicant is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program whose award or allocation terminated in default of a previously executed assistance, allocation or award agreement(s); (ii) the CDFI Fund has provided written notification of such determination to the defaulting entity; and (iii) the final reporting period end date for the applicable terminated assistance, allocation or award agreement(s) falls within the 12-month period prior to the application deadline of this NOFA.

(f) Undisbursed award funds: The CDFI Fund will not consider an application submitted by an applicant that is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program if the Applicant has a balance of undisbursed award funds (defined below) under said prior award(s), as of the applicable application deadline of this NOAA. Furthermore, an entity is not eligible to apply for an award pursuant to this NOAA if an Affiliate of the Applicant is a prior CDFI Fund Awardee under any CDFI Fund program. In the case where an Affiliate of the Applicant is a prior CDFI Fund Awardee under any CDFI Fund program and has a balance of undisbursed award funds under said prior award(s), as of the applicable application deadline of this NOAA. In a case where the Applicant is a prior CDFI Fund Awardee under any CDFI Fund program and has a balance of undisbursed award funds under said prior award(s) as of the applicable application deadline of this NOAA, the CDFI Fund will include the combined awards of the Applicant and such Affiliated entities when calculating the amount of undisbursed award funds.

For purposes of the calculation of undisbursed award funds for the BEA Program, only awards made to the Applicant (and any Affiliate that the CDFI Fund determines) three to five calendar years prior to the end of the calendar year of the application deadline of this NOAA are included (“ineligible BEA awards”). Thus, for purposes of this NOAA, undisbursed BEA Program award funds are the amount of FYS 2005, 2006 and 2007 awards that remain undisbursed as of the application deadline of this NOAA.

For purposes of the calculation of undisbursed award funds for the CDFI Program and the Native Initiatives Funding Programs, only awards made to the Applicant (and any entity that Controls the Applicant, is Controlled by the Applicant or shares common management officials with the Applicant, as determined by the CDFI Fund) two to five calendar years prior to the end of the calendar year of the application deadline of this NOAA are considered (“ineligible CDFI/NI awards”). Thus, for purposes of this NOAA, undisbursed CDFI Program and Native Initiative (NI) awards are the amount of FYS 2005, 2006, 2007 and 2008 awards that remain undisbursed as of the application deadline of this NOAA.

To calculate total includable BEA/ CDFI/NI awards: amounts that are undisbursed as of the application deadline of this NOAA cannot exceed five percent (5%) of the total includable awards. Please refer to an example of this calculation in the 2010 Allocation Application Q&A document, available on the CDFI Fund’s Web site.

The “undisbursed award funds” calculation does not include: (i) Tax credit allocation authority made available through the New Market Tax Credit (NMTC) Program; (ii) any award funds for which the CDFI Fund received a full and complete disbursement request from the Awardee by the applicable application deadline of this NOAA; (iii) any award funds for an award that has been terminated, in writing, by the CDFI Fund or deobligated by the CDFI Fund; or (iv) any award funds for an award that does not have a fully executed assistance or award agreement. The CDFI Fund strongly encourages Applicants requesting disbursements of “undisbursed funds” from prior awards to provide the CDFI Fund with a complete disbursement request at least 30 business days prior to the application deadline of this NOAA.

(g) Contact the CDFI Fund: Accordingly, Applicants that are prior awardees and/or Allocatees under any other CDFI Fund program are advised to: (i) Comply with the requirements specified in assistance, allocation and/or award agreement(s), (ii) contact the CDFI Fund to ensure that all necessary actions are underway for the disbursement of any outstanding
balance of a prior award(s). All
outstanding reports and compliance
questions should be directed to the
Compliance Manager by e-mail at
cme@cdfi.treas.gov, by telephone at
(202) 622–8453, or by facsimile at (202)
622–8728. All disbursement questions
should be directed to the CDFI Fund’s
Senior Resource Manager by telephone
at (202) 622–7165 or by facsimile at
(202) 622–8728. Requests submitted less
than thirty calendar days prior to the
application deadline may not receive a
response before the application
deadline.

Both the Compliance Manager and the
Senior Resource Manager may be
reached by mail at CDFI Fund, 601 13th
Street, NW., Suite 200 South,
Washington, DC 20005.

The CDFI Fund will respond to
Applicants’ reporting, compliance or
disbursement questions between the
hours of 9 a.m. and 5 p.m. ET, starting
the date of publication of this NOAA
through May 31, 2010 (two days before
the application deadline). The CDFI
Fund will not respond to Applicants’
reporting, compliance or disbursement
phone calls or e-mail inquiries that are
received after 5 p.m. ET on May 31,
2010 until after the funding application
deadline of June 2, 2010.

3. Entities that propose to transfer
NMTCs to Subsidiaries: Both for-profit
and non-profit CDEs may apply to the
CDFI Fund for allocations of NMTCs,
but only a for-profit CDE is permitted to
provide NMTCs to its investors. A non-
profit applicant wishing to apply for a
NMTC Allocation must demonstrate,
prior to entering into an Allocation
Agreement with the CDFI Fund, that: (i)
It controls one or more Subsidiaries that
are for-profit entities; and (ii) it intends
to transfer the full amount of any NMTC
Allocation it receives to said Subsidiary.

An applicant wishing to transfer all or
a portion of its NMTC Allocation to a
Subsidiary is not required to create the
Subsidiary prior to submitting a NMTC
allocation application to the CDFI Fund.
However, the Subsidiary entities must be
certified as CDEs by the CDFI Fund,
and enjoined as parties to the Allocation
Agreement at closing or by amendment
to the Allocation Agreement after
closing. Before the NMTC Allocation
transfer may occur it must be pre-
approved by the CDFI Fund, in its sole
discretion.

The CDFI Fund strongly encourages a
non-profit applicant to submit a CDE
certification application to the CDFI
Fund on behalf of the Subsidiary within
30 days after the non-profit applicant
receives the Allocation Agreement
from the CDFI Fund; as such Subsidiary
must be certified as a CDE prior to
entering into an Allocation Agreement
with the CDFI Fund. A non-profit
applicant that fails to certify one or
more for-profit subsidiaries within 30
days of receiving the draft Allocation
Agreement from the CDFI Fund is
subject to the CDFI Fund rescinding the
award.

4. Entities that submit applications
together with Affiliates: applications
from common enterprises: (a) As part of
the allocation application review
process, the CDFI Fund considers
whether applicants are Affiliates, as
such term is defined in the allocation
application. If an applicant and its
Affiliates wish to submit allocation
applications, they must do so
collectively, in one application; an
applicant and its Affiliates may not
submit separate allocation applications.
If Affiliated entities submit multiple
applications, the CDFI Fund reserves
the right either to reject all such
applications received or to select a
single application as the only
application considered for an allocation.
If the case of governmental entities, the
CDFI Fund may accept applications
submitted by Affiliated entities, but
only to the extent the CDFI Fund
determines that the business strategies
and/or activities described in such
applications, submitted by separate
ergies, are distinctly dissimilar and are
operated and/or managed by distinctly
dissimilar boards and staff, including
identified consultants. In such cases, the
CDFI Fund reserves the right to limit
award amounts to such entities to
ensure that they do not
collectively receive more than the $150
million cap for any single entity.

For purposes of this NOAA, in
addition to assessing whether applicants
meet the definition of the term
“Affiliate” found in the allocation
application, the CDFI Fund will
consider: (i) Whether the activities
described in applications submitted by
separate entities are, or will be, operated
and/or managed as a common enterprise
that, in fact or effect, may be viewed as
a single entity; (ii) whether the
applications submitted by separate
ergies contain significant narrative,
textual or other similarities, and (iii)
whether the business strategies and/or
activities described in applications
submitted by separate entities are so
closely related, in fact or effect, they
may be viewed as substantially identical
applications. In such cases, the CDFI
Fund reserves the right either to reject
all applications received from all such
ergies; to select a single application as
the only one that will be considered for
an allocation; and, in the event that an
Application is selected to receive an
allocation award, to deem certain
activities ineligible. These requirements
shall apply to all applicants, including
those that are Affiliated with
governmental entities.

(b) Furthermore, an applicant that
receives an allocation in this allocation
round (or its Subsidiary transferee) may
not become an Affiliate of or member of
a common enterprise (as defined above)
with another applicant that receives an
allocation in this allocation round (or its
Subsidiary transferee) at any time after
the submission of an allocation
application under this NOAA. This
prohibition, however, generally does not
apply to entities that are commonly
Controlled solely because of common
ownership by QEI investors. This
requirement will also be a term and
condition of the Allocation Agreement
(see Section VI.B. of this NOAA and
additional application guidance
materials on the CDFI Fund’s Web site
at http://www.cdfi-fund.gov for more
details).

5. Entities created as a series of funds:
An applicant whose business structure
consists of an entity with a series of
funds may apply for CDE certification as
a single entity, or as multiple entities. If
such an applicant represents that it is
properly classified for Federal tax
purposes as a single partnership or
corporation, it may apply for CDE
certification as a single entity. If an
applicant represents that it is properly
classified for Federal tax purposes as
multiple partnerships or corporations,
then it may submit a single CDE
certification application on behalf of the
entire series of funds, and each fund
must be separately certified as a CDE.
Applicants should note, however, that
receipt of CDE certification as a single
entity or as multiple entities is not a
determination that an applicant and its
related funds are properly classified as
a single entity or as multiple entities for
Federal tax purposes. Regardless of
whether the series of funds is classified
as a single partnership or corporation or
as multiple partnerships or
corporations, an applicant may not
transfer any NMTC Allocations it
receives to one or more of its funds
unless the transfer is pre-approved by
the CDFI Fund, in its sole discretion,
which will be a condition of the
Allocation Agreement.

6. Entities that are BEA Program
awardees: An insured depository
institution investor (and its Affiliates
and Subsidiaries) may not receive a
NMTC Allocation in addition to a BEA
Program award for the same investment
in a CDE. Likewise, an insured
depository institution investor (and its
Affiliates and Subsidiaries) may not
receive a BEA Program award in addition to a NMTC Allocation for the same investment in a CDE.

IV. Application and Submission Information

A. Address to request application package: Applicants must submit applications electronically under this NOAA, through the CDFI Fund Web site. Following the publication of this NOAA, the CDFI Fund will make the electronic allocation application available on its Web site at http://www.cdfifund.gov. Please note the CDFI Fund will only accept the application and attachments (i.e., signature page, investor letters and organizational charts) in electronic form.

B. Application content requirements: Detailed application content requirements are found in the application related to this NOAA. Applicants must submit all materials described in and required by the application by the applicable deadlines. Applicants will not be afforded an opportunity to provide any missing materials or documentation. An application must include a valid and current Employer Identification Number (EIN) issued by the Internal Revenue Service and assigned to the applicant and, if applicable, its Controlling Entity. Electronic applications without a valid EIN are incomplete and cannot be transmitted to the CDFI Fund. For more information on obtaining an EIN, please contact the Internal Revenue Service at (800) 829–4933 or www.irs.gov.

An applicant may not submit more than one application in response to this NOAA. In addition, as stated in Section III.A.4 of this NOAA, an applicant and its Affiliates must collectively submit only one allocation application; an applicant and its Affiliates may not submit separate allocation applications except as outlined above. Once an application is submitted, an applicant will not be allowed to change any element of its application.

C. Form of application submission: Applicants may only submit applications under this NOAA electronically on or before June 2, 2010. Applications sent by facsimile or by e-mail will not be accepted. Submission of an electronic application will facilitate the processing and review of applications and the selection of Allocatees; further, it will assist the CDFI Fund in the implementation of electronic reporting requirements.

1. Electronic applications: Electronic applications must be submitted solely by using the CDFI Fund’s Web site and must be sent in accordance with the submission instructions provided in the electronic application form. Applicants will need access to Internet Explorer 5.5 or higher, Windows 98 or higher (or other system compatible with the above Explorer software) and optimally at least a 56Kbps Internet connection in order to meet the electronic application submission requirements. The CDFI Fund’s electronic application system will only permit the submission of applications in which all required questions and tables are fully completed. Additional information, including instructions relating to the submission of supporting information (i.e., signature page, investor letters and organizational charts) is set forth in further detail in the electronic application.

D. Application submission dates and times:

1. Application deadlines:

(a) Electronic applications: must be received by 5 p.m. ET on June 2, 2010. Electronic applications cannot be transmitted or received after 5 p.m. ET on June 2, 2010. In addition, applicants that submit electronic applications must separately submit supporting information (i.e., signature page, investor letters and organizational charts) via their myCDFIFund account. The signature page, investor letters and organizational charts must be submitted on or before June 4, 2010. See application instructions, provided in the electronic application, for further detail. Applications and other required documents received after this date and time will be rejected. If the signature page, investor letters and organizational charts are not received by the deadline specified above, the application will be rejected. Please note that the document submission deadlines in this NOAA and/or the allocation application are strictly enforced.

(b) Postmark: For purposes of this NOAA, the term “postmark” is defined by 26 CFR 301.7502–1. In general, the CDFI Fund will require that the postmarked document bear a postmark date that is on or before the applicable deadline. The document must be in an envelope or other appropriate wrapper, properly set forth in this NOAA and delivered by the United States Postal Service or any other private delivery service designated by the Secretary of the Treasury. For more information on designated delivery services, please see IRS Notice 2002–62, 2002–2 C.B. 574.

E. Intergovernmental Review: Not applicable.

F. Funding Restrictions: For allowable uses of investment proceeds related to a NMTC Allocation, please see 26 U.S.C. 45D and the final regulations issued by the Internal Revenue Service (26 CFR 1.45D–1, published December 28, 2004) and related guidance. Please see Section I, above, for the Programmatic Changes of this NOAA.

V. Application Review Information

There are two parts to the substantive review process for each allocation application: Phase 1 and Phase 2. In Phase 1, the CDFI Fund will evaluate each application, assigning points and numeric scores according to the criteria described below. In Phase 2, the CDFI Fund will rank applicants in accordance with the procedures set forth below.

A. Criteria:

1. Business Strategy (25-point maximum): (a) When assessing an applicant’s business strategy, reviewers will consider, among other things: The applicant’s products, services and investment criteria; the prior performance of the applicant or its Controlling Entity, particularly as it relates to making similar kinds of investments as those it proposes to make with the proceeds of QEs; the applicant’s prior performance in providing capital or technical assistance to disadvantaged businesses or communities; the projected level of the applicant’s pipeline of potential investments; the extent to which the applicant intends to make Qualified Low-Income Community Investments (QLICIs) in one or more businesses in which persons unrelated to the entity hold a majority equity interest; and the extent to which applicants that otherwise have notable relationships with the QALICBs financed will create benefits (beyond those created in the normal course of a NMTC transaction) to Low-Income Communities.

Under the Business Strategy criterion, an applicant will generally score well to the extent that it will deploy debt or investment capital in products or services which: (i) Are designed to meet the needs of underserved markets; (ii) are flexible or non-traditional in form and on better terms than available in the marketplace; and (iii) focus on customers or partners that typically lack access to conventional sources of capital. An applicant will also score well to the extent that, among other
things, it: (i) Has a track record of successfully providing products and services similar to those it intends to use with the proceeds of QEs; (ii) has identified, or has a process for identifying, potential transactions; (iii) demonstrates a likelihood of issuing QEs and making the related QLICIs in a time period that is significantly shorter than the 5-year period permitted under IRC § 45D(b)(1); and (iv) in the case of an applicant proposing to purchase loans from CDEs, the applicant will require the CDE selling such loans to re-invest the proceeds of the loan sale to provide additional products and services to Low-Income Communities.

(b) Priority Points: In addition, as provided by IRC § 45D(f)(2), the CDFI Fund will ascribe additional points to entities that meet one or both of the statutory priorities. First, the CDFI Fund will give up to five (5) additional points to any applicant that has a record of having successfully provided capital or technical assistance to disadvantaged businesses or communities. Second, the CDFI Fund will give five (5) additional points to any applicant that intends to satisfy the requirement of IRC § 45D(b)(1)(B) by making QLICIs in one or more businesses in which persons unrelated (within the meaning of IRC § 267(b) or IRC § 707(b)(1)) to an applicant (or the applicant’s subsidiary CDEs) hold the majority equity interest. Applicants may earn points for one or both statutory priorities. Thus, applicants that meet the requirements of both priority categories can receive up to a total of ten (10) additional points.

A record of having successfully provided capital or technical assistance to disadvantaged businesses or communities may be demonstrated either by the past actions of an applicant itself or by its Controlling Entity (e.g., where a new CDE is established by a nonprofit corporation with a history of providing assistance to disadvantaged communities). An applicant that receives additional points for intending to make investments in unrelated businesses and is awarded a NMTC Allocation will satisfy the requirements of IRC § 45D(b)(1)(B) by investing substantially all of the proceeds from its QEs in unrelated businesses. The CDFI Fund will factor in an applicant’s priority points when ranking applicants during Phase 2 of the review process, as described below.

2. Community Impact (25-point maximum): In assessing the potential benefits to Low-Income Communities that may result from the applicant’s proposed investments, reviewers will consider, among other things, the degree to which the applicant is likely to achieve significant and measurable community development outcomes in its Low-Income Communities, and whether the applicant is working in particularly economically distressed markets and/or in concert with Federal, State or local government or community economic development initiatives (e.g., Empowerment Zones, Enterprise Communities, and Renewal Communities). An applicant will generally score well under this section to the extent that: (a) It articulates how its strategy is likely to produce significant and measurable community development outcomes that would not be achieved without NMTCs; and (b) it is working in particularly economically distressed or otherwise underserved communities and/or in concert with other Federal, State or local government or community economic development initiatives.

3. Management Capacity (25-point maximum): In assessing an applicant’s management capacity, reviewers will consider, among other things, the qualifications of the applicant’s principals, its board members, its management team, and other essential staff or contractors, with specific focus on: experience in deploying capital or technical assistance, including activities similar to those described in the applicant’s business strategy; asset management and risk management experience; experience with fulfilling compliance requirements of other governmental programs, including other tax programs; and the applicant’s (or its Controlling Entity’s) financial health. Reviewers will also consider the extent to which an applicant has protocols in place to ensure ongoing compliance with NMTC Program requirements and the level of involvement of community representatives and other stakeholders in the design, implementation or monitoring of an applicant’s business plan and strategy. In the case of an applicant or its Affiliate that has received a NMTC Allocation from the CDFI Fund under a prior allocation round, reviewers will consider the activities that have occurred to date with respect to the prior allocation(s).

An applicant will generally score well under this section to the extent that its management team or other essential personnel have experience in: (a) Deploying capital or technical assistance in Low-Income Communities, particularly those likely to be served by the applicant with the proceeds of QEs; (b) asset and risk management; and (c) fulfilling government compliance requirements, particularly tax credit program compliance. An applicant will generally score well to the extent it demonstrates strong financial health and a high likelihood of remaining a going-concern; it has policies and systems in place to ensure ongoing compliance with NMTC Program requirements, and Low-Income Community stakeholders play an active role in designing or implementing its business plan.

4. Capitalization Strategy (25-point maximum): When assessing an applicant’s capitalization strategy, reviewers will consider, among other things: The key personnel of the applicant (or Controlling Entity) and their track record of raising capital, particularly from for-profit investors; the extent to which the applicant has secured investments, commitments to invest in NMTCs, or indications of investor interest commensurate with its requested amount of tax credit allocations; the applicant’s strategy for identifying additional investors, if necessary, including the applicant’s (or its Controlling Entity’s) prior performance with raising equity from investors; particularly for-profit investors; the distribution of the economic benefits of the tax credit; the extent to which the applicant intends to invest the proceeds from the aggregate amount of its QEs at a level that exceeds the requirements of IRC § 45D(b)(1)(B) and the IRS regulations; the likelihood the applicant will raise sufficient capital to finance its cost of operations while charging reasonable fees; and the applicant’s timeline for utilizing an NMTC Allocation.

An applicant will generally score well under this section to the extent that: (a) It has secured investor commitments, or has a reasonable strategy for obtaining such commitments; (b) its request for allocations is commensurate with both the level of QEs it is likely to raise and its expected investment strategy to deploy funds raised with NMTCs; (c) it generally demonstrates that the economic benefits of the tax credit will be passed through to end users; (d) it is likely to secure capital to finance its cost of operations and charge fees appropriate to the operational needs of the applicant; and (e) it intends to invest the proceeds from the aggregate amount of its QEs at a level that exceeds the requirements of IRC § 45D(b)(1)(B) and the IRS regulations. In the case of an applicant proposing to raise investor funds from organizations that also will identify or originate transactions for the applicant or from affiliated entities, said applicant will score well to the extent that it will offer products with more favorable rates or terms than those currently offered by its investor(s) or Affiliated entities and/or will target its
activities to areas of greater economic distress than those currently targeted by the investor or Affiliated entities.

B. Review and selection process: All allocation applications will be reviewed for eligibility and completeness. The CDFI Fund may consult with the IRS on the eligibility requirements under IRC § 45D. To be complete, the application must contain, at a minimum, all information described as required in the application form. An incomplete application will be rejected. Once the application has been determined to be eligible and complete, the CDFI Fund will conduct the substantive review of each application in two parts (Phase 1 and Phase 2) in accordance with the criteria and procedures generally described in this NOAA and the allocation application.

1. Phase 1: Reviewers will evaluate and score each application in the first part of the review process. An applicant must exceed a minimum overall aggregate base score threshold and exceed a minimum overall aggregate section score threshold in each of the four application sections (Business Strategy, Community Impact, Management Capacity, and Capitalization Strategy) in order to advance from the first part of the substantive review process. If, in the case of a particular application, a reviewer’s total base score or section score(s) (in one or more of the four application sections) varies significantly from other reviewers’ total base scores or section scores for such application, the CDFI Fund may, in its sole discretion, obtain the comments and recommendations of an additional reviewer to determine whether the anomalous score should be replaced with the score of the additional reviewer.

2. Phase 2: Once the CDFI Fund has determined which applicants have met the required minimum overall aggregate base score and aggregate section score thresholds, the CDFI Fund will rank applicants on the basis of their combined scores in the Business Strategy and Community Impact sections of the application and will make adjustments to each applicant’s priority points so that these points maintain the same relative weight in the ranking of applicant scores in Phase 2 as in Phase 1. The CDFI Fund will award allocations in the order of this “Final Rank Score,” subject to applicants’ meeting all other eligibility requirements; provided, however, that the CDFI Fund, in its sole discretion, reserves the right to reject an application and/or adjust award amounts as appropriate based on information obtained during the review process. Most notably, in the cases of applicants (or their Affiliates) that are prior year allocatees, the CDFI Fund will review the activities of the prior year allocatee to determine whether the entity has: (a) effectively utilized its prior-year allocations; and (b) substantiated a need for additional allocation authority.

3. Outstanding Reports: In the case of an applicant, or Affiliates, that has previously received an award or allocation from the CDFI Fund through any CDFI Fund program, the CDFI Fund will deduct points for the applicant’s (or its Affiliate’s) failure to meet the reporting deadlines set forth in any assistance, award or Allocation Agreement(s) with the CDFI Fund during the entity’s two complete fiscal years prior to the application deadline of this NOAA (generally FY 2008 and 2009).

C. Allocations serving Non-Metropolitan counties: As provided for under Section 102(b) of the Tax Relief and Health Care Act of 2000 (Pub. L. 109–432), the CDFI Fund shall ensure that non-metropolitan counties receive a proportional allocation of Qualified Equity Investments (QEs) under the NMTC Program. To this end, the CDFI Fund will ensure that the proportion of allocatees that are Rural CDEs is, at a minimum, equal to the proportion of applicants in the Phase 2 review pool that are Rural CDEs; and ensure that at least 20 percent of the QLICIs to be made using QEI proceeds are invested in Non-Metropolitan counties. A Rural CDE is defined as one that has over the past five years dedicated at least 50 percent of its activities to Non-Metropolitan counties and has committed that at least 50 percent of its NMTC activities will be conducted in such areas. Non-Metropolitan counties are counties not contained within a Metropolitan Statistical Area, as such term is defined in OMB Bulletin No. 99–04 (Revised Statistical Definitions of Metropolitan Areas (MAS) and Guidance on Uses of MA Definitions) and applied using 2000 census data.

Applicants that meet the minimum scoring thresholds will be advanced to Phase 2 review and will be provided with “preliminary” awards, in descending order of Final Rank Score, until the $5.0 billion in allocation authority is expended. Once these “preliminary” award amounts are determined, the CDFI Fund will then analyze the allocatee pool to determine whether the two Non-Metropolitan proportionality objectives have been met.

The CDFI Fund will first examine the “preliminary” awards and allocatees to determine whether the percentage of allocatees that are Rural CDEs is, at a minimum, equal to the percentage of applicants in the Phase 2 review pool that are Rural CDEs. If this objective is not achieved, the CDFI Fund will provide awards to additional Rural CDEs from the Phase 2 pool, in descending order of their Final Rank Score, until the appropriate percentage balance is achieved. In order to accommodate the additional allocatees within the $5.0 billion allocation limitations, a formula reduction will be applied uniformly to the allocation amount for all allocatees in the pool.

The CDFI Fund will then ensure that the pool of allocatees will, in the aggregate, invest at least 20 percent of their QLICIs (as measured by dollar amount) in Non-Metropolitan counties. The CDFI Fund will first apply the “minimum” percentage of QLICIs that allocatees indicated in their applications would be targeted to Non-Metropolitan areas to the total allocation award amount of each allocatee (less any prior-year allocations; and (b) the proportion of QLICIs that are Rural CDEs. If this objective is not achieved, the CDFI Fund will provide awards to additional Rural CDEs from the Phase 2 pool, in descending order of their Final Rank Score, until the appropriate percentage balance is achieved. In order to accommodate the additional allocatees within the $5.0 billion allocation limitations, a formula reduction will be applied uniformly to the allocation amount for all allocatees in the pool.

Questions: All outstanding reports or compliance questions should be directed to the Certifications and Compliance Manager by e-mail at cme@cdfi.treas.gov; by telephone at (202) 622–8453; or by facsimile at (202) 622–2445; or by mail to CDFI Fund, 601 13th Street, NW., Suite 200 South, Washington, DC 20005. The CDFI Fund will respond to reporting or compliance questions between the hours of 9 a.m. and 5 p.m. ET, starting the date of the
publication of this NOAA through May 31, 2010. The CDFI Fund will not respond to reporting or compliance phone calls or e-mail inquiries that are received after 5 p.m. ET on May 31, 2010 until after the funding application deadline of June 2, 2010.

E. Right of rejection: The CDFI Fund reserves the right to reject any NMTC allocation application in the case of a prior CDFI Fund awardee, if such applicant has failed to comply with the terms, conditions, and other requirements of the prior or existing assistance or award agreement(s) with the CDFI Fund. The CDFI Fund reserves the right to reject any NMTC allocation application in the case of a prior CDFI Fund Allocatee, if such applicant has failed to comply with the terms, conditions, and other requirements of its prior or existing Allocation Agreement(s) with the CDFI Fund. The CDFI Fund reserves the right to reject any NMTC allocation application in the case of any applicant, if an Affiliate of the applicant has failed to meet the terms, conditions and other requirements of any prior or existing assistance agreement, award agreement or Allocation Agreement with the CDFI Fund.

The CDFI Fund reserves the right to reject any NMTC allocation application in the case of a prior CDFI Fund Allocatee, if such applicant has failed to use its prior NMTC allocation(s) in a manner that is generally consistent with the business strategy (including, but not limited to, the proposed product offerings and markets served) set forth in the allocation application(s) related to such prior allocation(s). The CDFI Fund also reserves the right to reject any NMTC allocation application in the case of an Affiliate of the applicant that is a prior CDFI Fund Allocatee and has failed to use its prior NMTC allocation(s) in a manner that is generally consistent with the business strategy set forth in the allocation application(s) related to such prior allocation(s).

As a part of the substantive review process, the CDFI Fund may permit reviewer(s) to make telephone calls to applicants for the sole purpose of obtaining, clarifying or confirming application information. In no event shall such contact be construed to permit an applicant to change any element of its application. Reviewers will not contact applicants without the prior approval of the CDFI Fund. At this point in the process, an applicant may be required to submit additional information about its application in order to assist the CDFI Fund with its final evaluation process. Such requests must be responded to within the time parameters set by the CDFI Fund. The selecting official(s) will make a final allocation determination based on an applicant’s file, including, without limitation, eligibility under IRC§45D, the reviewers’ scores and the amount of allocation authority available. In the case of applicants (or Affiliates of applicants) that are regulated by the Federal government or a State agency (or comparable entity), the CDFI Fund’s selecting official(s) reserve(s) the right to consult with and take into consideration the views of the appropriate Federal or State banking and other regulatory agencies. In the case of applicants (or Affiliates of applicants) that are also Small Business Investment Companies, Specialized Small Business Investment Companies or New Markets Venture Capital Companies, the CDFI Fund reserves the right to conduct additional due diligence, as determined reasonable and appropriate by the CDFI Fund, in its sole discretion, related to the applicant and its officers, directors, owners, partners and key employees.

Each applicant will be informed of the CDFI Fund’s award decision through an electronic notification whether selected for an allocation (see Section VI.A. of this NOAA) or not selected for an allocation, which may be for reasons of application incompleteness, ineligibility or substantive issues. All applicants that are not selected for an allocation based on substantive issues will likely be given the opportunity to obtain feedback on their applications. This feedback will be provided in a format and within a timeframe to be determined by the CDFI Fund, based on available resources. The CDFI Fund further reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate. If said changes materially affect the CDFI Fund’s award decisions, the CDFI Fund will provide information regarding the changes through the CDFI Fund’s Web site.

There is no right to appeal the CDFI Fund’s allocation decisions. The CDFI Fund’s allocation decisions are final.

VI. Award Administration Information

1. Failure to meet reporting requirements: If an Allocatee, or an Affiliate of an Allocatee, is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program and is not current on the reporting requirements set forth in the previously executed assistance, allocation or award agreement(s), as of the date of the award notification or thereafter, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on an Allocatee’s ability to issue QEIs to investors until said prior awardee or Allocatee is current on the reporting requirements in the previously executed assistance, allocation or award agreement(s). Please note that the CDFI Fund only acknowledges the receipt of reports that are complete. As such, incomplete reports or reports that are deficient of required elements will not be recognized as having been received.

If said prior awardee or Allocatee is unable to meet this requirement within the timeframe set by the CDFI Fund, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the allocation made under this NOAA.

2. Pending resolution of noncompliance: If an Allocatee is a prior awardee or Allocatee under any CDFI Fund program and if: (i) It has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its previous assistance, award or Allocation Agreement, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue Qualified Equity Investments to investors, pending full resolution, in the sole determination of the CDFI Fund, of the noncompliance. Further, if an Affiliate of an Allocatee is a prior CDFI Fund awardee or Allocatee and if such entity: (i) Has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue Qualified Equity Investments to investors, pending full resolution, in the sole determination of the CDFI Fund, of the noncompliance. Further, if an Affiliate of an Allocatee is a prior CDFI Fund awardee or Allocatee and if such entity: (i) Has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its previous assistance, award or Allocation Agreement; and (iii) The CDFI Fund reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate.
Agreement, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, pending full resolution, in the sole determination of the CDFI Fund, of the noncompliance. If the prior awardee or Allocatee in question is unable to satisfactorily resolve the issues of noncompliance, in the sole determination of the CDFI Fund, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the award notification made under this NOAA.

3. Default status: If, at any time prior to entering into an Allocation Agreement through this NOAA, the CDFI Fund has made a final determination that an Allocatee that is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program is in default of a previously executed assistance, allocation or award agreement(s) and has provided written notification of such determination to the Allocatee, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, until said prior awardee or Allocatee has submitted a complete and timely report demonstrating full compliance with said agreement within a timeframe set by the CDFI Fund. Further, if at any time prior to entering into an Allocation Agreement through this NOAA, the CDFI Fund has made a final determination that an Affiliate of the Allocatee is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program, and is in default of a previously executed assistance, allocation or award agreement(s) and has provided written notification of such determination to the defaulting entity, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, until said prior awardee or Allocatee has submitted a complete and timely report demonstrating full compliance with said agreement within a timeframe set by the CDFI Fund. If said prior awardee or Allocatee is unable to meet this requirement, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the Notice of Allocation and the allocation made under this NOAA.

4. Termination in default: If (i) within the 12-month period prior to entering into an Allocation Agreement through this NOAA, the CDFI Fund has made a final determination that an Allocatee that is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program whose award or allocation was terminated in default of such prior agreement; (ii) the CDFI Fund has provided written notification of such determination to such organization; and (iii) the final reporting period end date for the applicable terminated agreement falls in such organization’s 2008 or 2009 fiscal year, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors. Furthermore, if (i) within the 12-month period prior to entering into an Allocation Agreement through this NOAA, the CDFI Fund has made a final determination that an Affiliate of the Allocatee is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program whose award or allocation was terminated in default of such prior agreement; (ii) the CDFI Fund has provided written notification of such determination to the defaulting entity; and (iii) the final reporting period end date for the applicable terminated agreement falls in such defaulting entity’s 2008 or 2009 fiscal year, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors.

5. Allocation Agreement: Each applicant that is selected to receive a NMTC Allocation (including the applicant’s Subsidiary transferees) must enter into an Allocation Agreement with the CDFI Fund. The Allocation Agreement will set forth certain required terms and conditions of the NMTC Allocation which may include, but are not limited to, the following: (i) The amount of the awarded NMTC Allocation; (ii) the approved uses of the awarded NMTC Allocation (e.g., loans to or equity investments in Qualified Active Low-Income Businesses or loans to or equity investments in other CDEs); (iii) the approved service area(s) in which the proceeds of QEIs may be used, including the dollar amount of QLICIs that must be invested in Non-Metropolitan counties; (iv) the time period by which the applicant may obtain QEIs from investors; (v) reporting requirements for all applicants receiving NMTC Allocations; and (vi) a requirement to maintain certification as a CDE throughout the term of the Allocation Agreement. If an applicant has represented in its NMTC allocation application that it intends to invest substantially all of the proceeds from its investors in businesses in which persons unrelated to the applicant hold a majority equity interest, the Allocation Agreement will contain a covenant whereby said applicant agrees that it will invest substantially all of said proceeds in businesses in which persons unrelated to the applicant hold a majority equity interest.

In addition to entering into an Allocation Agreement, each applicant selected to receive a NMTC Allocation must furnish to the CDFI Fund an opinion from its legal counsel, the content of which will be further specified in the Allocation Agreement, to include, among other matters, an opinion that an applicant (and its Subsidiary transferees, if any): (i) Is duly formed and in good standing in the jurisdiction in which it was formed and the jurisdiction(s) in which it operates; (ii) has the authority to enter into the Allocation Agreement and undertake the activities that are specified therein; (iii) has no pending or threatened litigation that would materially affect its ability to enter into and carry out the activities specified in the Allocation Agreement; and (iv) is not in default of its articles of incorporation, bylaws or other organizational documents, or any agreements with the Federal government.

If an Allocatee identifies Subsidiary transferees, the CDFI Fund reserves the right to require an Allocatee to provide supporting documentation evidencing that it Controls such entities prior to entering into an Allocation Agreement with the Allocatee and its Subsidiary transferees. The CDFI Fund reserves the right, in its sole discretion, to rescind its allocation award if the Allocatee fails to return the Allocation Agreement, signed by the authorized representative of the Allocatee, and/or provide the CDFI Fund with any other requested documentation, within the deadlines set by the CDFI Fund.

6. Fees: The CDFI Fund reserves the right, in accordance with applicable Federal law and if authorized, to charge allocation reservation and/or compliance monitoring fees to all entities receiving NMTC Allocations. Prior to imposing any such fee, the CDFI Fund will publish additional information concerning the nature and amount of the fee.

7. Reporting: The CDFI Fund will collect information, on at least an annual basis, from all applicants that are awarded NMTC Allocations and/or are recipients of QLICIs, including such audited financial statements and opinions of counsel as the CDFI Fund deems necessary or desirable, in its sole discretion. The CDFI Fund may use such information to monitor each Allocatee’s compliance with the provisions of its
Allocation Agreement and to assess the impact of the NMTC Program in Low-Income Communities. The CDFI Fund may also provide such information to the IRS in a manner consistent with IRC § 6103 so that the IRS may determine, among other things, whether the Allocatee has used substantially all of the proceeds of each QEI raised through its NMTC Allocation to make QLICIs. The Allocation Agreement shall further describe the Allocatee’s reporting requirements.

The CDFI Fund reserves the right, in its sole discretion, to modify these reporting requirements if it determines it to be appropriate and necessary; however, such reporting requirements will be modified only after due notice to Allocatees.
