Notice of Proposed Consent Decree Under the Clean Air Act

Notice is hereby given that on March 31, 2010, two proposed Consent Decrees were lodged. United States et al. v. Shell Chemical LP, Civil Action No. 4:10–cv–01042, was lodged with the United States District Court for the Southern District of Texas. United States v. Shell Chemical Yabucoa, Inc., Civil Action No. 3:10–cv–1268, was lodged with the United States District Court for the District of Puerto Rico.

The Consent Decrees in these Clean Air Act enforcement actions against Shell Chemical LP and Shell Chemical Yabucoa, Inc. (collectively “Shell”) resolve allegations by the Environmental Protection Agency, asserted in complaints filed together with the Consent Decrees, under Section 113(b) of the Clean Air Act, 42 U.S.C. 7413(b), for alleged environmental violations at Shell Chemical LP’s petroleum refineries in Saraland, Alabama and St. Rose, Louisiana, and at Shell Chemical Yabucoa, Inc.’s petroleum refinery in Yabucoa, Puerto Rico. The proposed Consent Decree in the Shell Chemical LP matter also resolves separate but related state law claims brought by co-plaintiffs Alabama and Louisiana.

These are two of numerous national settlements reached as part of the EPA’s Clean Air Act Petroleum Refinery Initiative. Consistent with the objectives of EPA’s national initiative, in addition to the payment of civil penalties, the settlements require Shell to perform injunctive relief to reduce emissions of nitrogen oxides, sulfur dioxide, volatile organic compounds, and benzene.

The Department of Justice will receive comments relating to the proposed Consent Decrees for a period of thirty (30) days from the date of this publication. Commenters should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.e enrdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044–7611, and should refer to the matters as United States et al. v. Shell Chemical LP, DOJ Ref. No. 90–5–2–1–08703 and/or United States v. Shell Chemical Yabucoa, Inc., DOJ Ref. No. 90–5–2–1–08703/1.

Both proposed Consent Decrees may be examined at the following Regional Offices of the United States Environmental Protection Agency: Region 2, 290 Broadway, New York, New York 10007–1866; Region 4, Sam Nunn Atlanta Federal Center, 61 Forsyth Street, SW., Atlanta, GA 30303–8960; and Region 6, 1445 Ross Avenue, Suite 1200, Dallas, Texas 75202.
