

for the duration of the closure of the Federal Government from February 5, through February 12, 2010. Thus, all deadlines in this segment of the proceeding have been extended by seven days. The revised deadline for the preliminary results of this review is now May 10, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

In this administrative review, there are complex issues regarding several research and development programs. Because the Department will require additional time to review and analyze the supplemental information recently received and may issue further supplemental questionnaires, it is not practicable to complete this review within the originally anticipated time limit (i.e., by May 10, 2010). Therefore, the Department is extending the time limit for completion of the preliminary results by 120 days to not later than September 7, 2010, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 5, 2010.

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Notice of Initiation of Administrative Reviews and Requests for Revocation in Part of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam and the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") has received requests to conduct administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam") and the People's Republic of China ("PRC"). The Department received timely requests to revoke, in part, the antidumping duty order on shrimp from Vietnam for multiple producers/exporters.¹ The anniversary month of this order is February. In accordance with the Department's regulations, we are initiating these administrative reviews.

DATES: *Effective Date:* April 9, 2010.

FOR FURTHER INFORMATION CONTACT: Susan Pulongbarit and Jerry Huang (Vietnam) at (202) 482-4031 and (202) 482-4047, respectively, and Catherine Bertrand (PRC) at (202) 482-3207; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from Vietnam and the PRC covering multiple entities. The Department is now initiating administrative reviews of these orders covering those entities.

Notice of No Sales

Under 19 CFR 351.213(d)(3), the Department may rescind a review where there are no exports, sales, or entries of subject merchandise during the respective period of review ("POR") listed below. If a producer or exporter named in this notice of initiation had no

exports, sales or entries during the POR, it should notify the Department within 30 days of publication of this notice in the **Federal Register**. The Department will consider rescinding the review only if the producer or exporter, as appropriate, submits a properly filed and timely statement certifying that it had no exports, sales or entries of subject merchandise during the POR. All submissions must be made in accordance with 19 CFR 351.303 and are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (the "Act"). Six copies of the submission should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230. Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on every party on the Department's service list.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews, the Department intends to select respondents based on U.S. Customs and Border Protection ("CBP") data for U.S. imports during the POR. We intend to release the CBP data under Administrative Protective Order ("APO") to all parties having an APO within five days of publication of this initiation notice, and to make our decision regarding respondent selection within 20 days of publication of this **Federal Register** notice. The Department invites comments regarding the CBP data and respondent selection within 10 calendar days of publication of this **Federal Register** notice.

Separate Rates

In proceedings involving non-market economy ("NME") countries, the Department begins with a rebuttable presumption that all companies within the country are subject to government control and thus, should be assigned a single antidumping duty deposit rate. It is the Department's policy to assign all exporters of merchandise subject to an administrative review in an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate.

To establish whether a firm is sufficiently independent from government control of its export activities to be entitled to a separate rate, the Department analyzes each entity exporting the subject

¹ These companies are: Camau Frozen Seafood Processing Import Export Corporation ("Camimex"), Grobest & I-Mei Industrial (Vietnam) Co., Ltd. ("Grobest"), and Phuong Nam Company Ltd. ("Phuong Nam").

merchandise under a test arising from the *Final Determination of Sales at Less Than Fair Value: Sparklers from the People's Republic of China*, 56 FR 20588 (May 6, 1991), as amplified by the *Final Determination of Sales at Less Than Fair Value: Silicon Carbide from the People's Republic of China*, 59 FR 22585 (May 2, 1994). In accordance with the separate-rates criteria, the Department assigns separate rates to companies in NME cases only if respondents can demonstrate the absence of both *de jure* and *de facto* government control over export activities.

All firms listed below that wish to qualify for separate-rate status in the antidumping duty administrative reviews of frozen warmwater shrimp from Vietnam and the PRC must timely file, as appropriate, either a separate-rate application or certification, as described below. In order to demonstrate separate-rate eligibility, entities for which a review was requested and which were assigned a separate rate in the most recently completed segment of this proceeding in which they participated, must timely file a separate rate certification that they continue to meet the criteria for obtaining a separate rate. The Separate Rate Certification form will be available on the Department's Web site at <http://ia.ita.doc.gov/nme/nme-sep-rate.html> on the date of publication of this notice in the **Federal Register**. In responding to the certification, please follow the "Instructions for Filing the Certification" in the Separate Rate Certification. Separate Rate Certifications must be received by the Department no later than 30 calendar days after publication of this notice in the **Federal Register**. The deadline and requirement for submitting the Separate Rate Certification applies equally to

NME-owned firms, wholly foreign-owned firms, and foreign sellers who purchase and export subject merchandise to the United States.

Entities that currently do not have a separate rate from a completed segment of this proceeding,² must timely file a Separate Rate Application to demonstrate eligibility for a separate rate in this proceeding. In addition, companies that received a separate rate in a completed segment of the proceeding that have subsequently made changes, including, but not limited to, changes to corporate structure, acquisitions of new companies or facilities, or changes to their official company name,³ should timely file a Separate Rate Application to demonstrate eligibility for a separate rate in this proceeding. The Separate Rate Application will be available on the Department's Web site at <http://ia.ita.doc.gov/nme/nme-sep-rate.html> on the date of publication of this notice in the **Federal Register**. In responding to the Separate Rate Application, refer to the instructions contained in the application. Separate Rate Applications must be received by the Department no later than 60 calendar days after publication of this notice in the **Federal Register**. The deadline and requirement for submitting a Separate Rate Application applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers that purchase and export subject merchandise to the United States.

Firms that submit a Separate Rate Application or a Separate Rate Certification that are subsequently selected as mandatory respondents will no longer be eligible for consideration of their separate-rate status unless they respond to all parts of the antidumping

duty questionnaire as mandatory respondents.

Notification

This notice constitutes public notification to all firms for which an administrative review of frozen warmwater shrimp from Vietnam and the PRC has been requested and that are seeking separate rate status in that review, that they must submit a timely Separate Rate Application or Certification (as appropriate) as described above, in order to receive consideration for separate-rate status. The Department considers those entities that do not timely submit either a separate-rate application or certification, to be part of the country-wide entity and those entities will receive the country-wide rate. All information submitted by respondents in this administrative review is subject to verification. Please be advised that due to the time constraints imposed by the statutory and regulatory deadlines for antidumping duty administrative reviews, the Department may not grant any extensions of the deadlines for these submissions. As noted above, the Separate Rate Certification and the Separate Rate Application are available on the Department's web site on the date of publication of this notice in the **Federal Register** at the Web addresses noted above.

Initiation of Review

In accordance with 19 CFR 351.221(c)(1)(i), we are initiating administrative reviews of the antidumping duty orders on frozen warmwater shrimp from Vietnam and the PRC with respect to the following companies. We intend to issue the final results of these reviews no later than February 28, 2011.

During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under 19 CFR 351.211 or a determination under 19 CFR 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine, consistent with *FAG Italia v. United States*, 291 F.3d 806 (Fed. Cir. 2002), as appropriate, whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

⁴ If one of the below named companies does not qualify for a separate rate, all other exporters of shrimp from Vietnam who have not qualified for a separate rate are deemed to be covered by this review as part of the single Vietnam-wide entity of which the named exporters are a part.

⁵ If one of the below named companies does not qualify for a separate rate, all other exporters of shrimp from the PRC who have not qualified for a separate rate are deemed to be covered by this

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published in the **Federal Register** the following document: *Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures*, 73 FR 3634 (January 22, 2008). Those procedures apply to the antidumping duty administrative reviews of frozen warmwater shrimp from Vietnam and the PRC being initiated through this notice. Parties

review as part of the single PRC-wide entity of which the named exporters are a part.

⁶ Some companies appear to be listed twice, but, because there were multiple addresses provided in the administrative review requests for similarly named companies, we are listing them separately.

⁷ Domestic producers requested a review of Zhanjiang Goulian Aquatic Products Co., Ltd. The Department confirmed with Domestic Producers that this name was misspelled in their administrative review request. See "Memorandum to the File, from Irene Gorelik, Senior Analyst, dated March 24, 2010." We note that Zhanjiang Guolian Aquatic Products Co., Ltd. was excluded from the antidumping duty order. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp From the People's Republic of China*, 70 FR 5149 (February 1, 2005). Therefore, since this company was excluded from the order, we are not initiating an administrative review for Zhanjiang Guolian Aquatic Products Co., Ltd.

who wish to participate in the antidumping duty administrative reviews of frozen warmwater shrimp from Vietnam and the PRC should ensure that they meet the requirements in these procedures (e.g., the filing of separate letters of appearance as discussed in 19 CFR 351.103(d)).

This initiation and notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i). Pursuant to 19 CFR 351.221(c)(1)(i), the Department will publish the notice of initiation of administrative reviews no later than the last day of the month following the anniversary month of the order.
