SUPPLEMENTARY INFORMATION: The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35 as amended).

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Youthbuild Program.

OMB Control Number: 2506-0142.

Description of the need for the Information and proposed use: The Youthbuild Program was authorized under section 164 of the Housing and community development Act of 1992 (42 U.S.C. chapter 8011). Funded programs provide disadvantaged youth, predominately high school drop outs with educational opportunities and job skills training. The program was transferred to the U.S. Department of Labor effective with grants awarded from Fiscal Year 2007 and thereafter. This information collection effort is for grants awarded with FY 2006 and earlier grants by the U.S. Department of HUD. Information is collected from grant recipients to determine the use of funds and program results achieved. Information is also collected to allow the timely close-out of completed grants.

Agency form numbers, if applicable: HUD Forms 40211, Youthbuild Program Reports and HUD Form 40202, LOCCS Request Voucher for Grant Payment, SF1199A, Direct Deposit Sign-Up form, and HUD 27054, HUD LOCCS Voice Response System Access Authorization form.

Members of affected public: Public or private nonprofit agencies, including state or local housing agencies or authorities, State or units of local government, or any entity eligible to provide education and employment training under other Federal employment training programs.

Estimation of the total numbers of hours needed to prepare the Information collection including number of respondents, frequency of response, and hours of response: The

HUD Form series 40211 is a semi-annual report and final report. The Youthbuild grant life cycle is approximately 30 months with approximately 86 currently active grantees and which number will decrease as those grantees complete and report on their program. Fiscal Year 2006 was the last year that Youthbuild grants were funded by the Department so that there will be a declining number of grantees reporting during the three-year cycle covered by this information request. Of the forms making up the series 40211, one group of forms are submitted on a semi-annual basis and the other group is only submitted as the final submission at grant closeout. The form HUD 40202, LOCCS Request Voucher for Grant Payment is submitted when the grantee requests a grant payment. The SF1199A is submitted one-time by new grantees as is the form HUD 27004, unless an organization changes banking information. The total estimate of burden hours is 7,570 hours.

Status of the proposed information collection: This notice precedes a continuation of the existing burden hour request. It is a proposed reduction from the prior approved request of 12,000. This decrease is due primarily to the end of the administration of new grants at the Department beginning in Federal Fiscal Year 2007.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35, as amended.

Dated: April 2, 2010.

Assistant Secretary for Community Planning and Development.
