

HUD Form series 40211 is a semi-annual report and final report. The Youthbuild grant life cycle is approximately 30 months with approximately 86 currently active grantees and which number will decrease as those grantees complete and report on their program. Fiscal Year 2006 was the last year that Youthbuild grants were funded by the Department so that there will be a declining number of grantees reporting during the three-year cycle covered by this information request. Of the forms making up the series 40211, one group of forms are submitted on a semi-annual basis and the other group is only submitted as the final submission at grant closeout. The form HUD 40202, LOCCS Request Voucher for Grant Payment is submitted when the grantee requests a grant payment. The SF1199A is submitted one-time by new grantees as is the form HUD 27004, unless an organization changes banking information. The total estimate of burden hours is 7,570 hours.

Status of the proposed information collection: This notice precedes a continuation of the existing burden hour request. It is a proposed reduction from the prior approved request of 12,000. This decrease is due primarily to the end of the administration of new grants at the Department beginning in Federal Fiscal Year 2007.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35, as amended.

Dated: April 2, 2010.

Assistant Secretary for Community Planning and Development.
