Western subsequently held public information forums from December 1-3, 2009, and public comment forums from January 19-21, 2010. As a result of these forums, several requests were made to

extend the comment period to allow for further study of the proposals and external developments.

This extension of the January 29 deadline to September 30 provides Western additional time to examine the issues raised in the comments received on the proposed application of the PMI to the BCP and the other Western proposals, and provides all interested parties additional opportunity to consult with Western and comment on the proposals.

Dated: April 8, 2010.
