**B. What Should I Consider as I Prepare My Comments for EPA?**

1. **Submitting CBI**

   Do not submit this information to EPA through regulations.gov or e-mail. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD-ROM that you mail to EPA, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. **Tips for preparing your comments.**

   When submitting comments, remember to:
   
   i. Identify the document by docket ID number and other identifying information (subject heading, Federal Register date and page number). If you are commenting in a docket that addresses multiple products, please indicate to which registration number(s) your comment applies.
   
   ii. Follow directions. The Agency may ask you to respond to specific questions or organize comments by referencing a Code of Federal Regulations part or section number.
   
   iii. Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.
   
   iv. Describe any assumptions and provide any technical information and/or data that you used.
   
   v. If you estimate potential costs or benefits, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.
vi. Provide specific examples to illustrate your concerns and suggest alternatives.

vii. Explain your views as clearly as possible, avoiding the use of profanity or personal threats.

viii. Make sure to submit your comments by the comment period deadline identified.

II. Registration Applications

EPA received applications as follows to register pesticide products containing currently registered active ingredients pursuant to the provisions of section 3(c) of FIFRA, and is publishing this Notice of such applications pursuant to section 3(c)(4) of FIFRA. Notice of receipt of these applications does not imply a decision by the Agency on the proposed registrations. Any distribution, sale, or use of the products subject to this cancellation order follows a February 20, 2010 expiration of conditional registrations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations are effective April 21, 2010.
