Extension of Time Limit for Preliminary
Results of Review

Pursuant to section 751(a)(3)(A) of the
Tariff Act of 1930, as amended ("the
Act"), the Department shall make a
preliminary determination in an
administrative review of an
antidumping duty order within 245
days after the last day of the anniversary
month of the date of publication of the
order. The Act further provides,
however, that the Department may
extend that 245-day period to 365 days
if it determines it is not practicable
to complete the review within the
foregoing time period.

The Department finds that it is not
practicable to complete the preliminary
results of the administrative reviews of
folding metal tables and chairs from the
PRC within this time limit. Specifically,
additional time is needed to conduct
verification of New–Tec’s sales and
factors of production, in accordance
with 19 CFR 351.307(b)(v), and to
determine the appropriate surrogate
values with which to value factors of
production. Therefore, in accordance
with section 751(a)(3)(A) of the Act, the
Department is extending the time period
for completion of the preliminary
results of these reviews, which are
currently due on May 8, 2010, by 60
days. Therefore, the preliminary results
are now due no later than July 7, 2010.

This notice is published in accordance with sections 751(a)(3)(A)
and 777(i) of the Act.

Dated: April 15, 2010.

Barbara E. Tillman,
Acting Deputy Assistant Secretary
for Antidumping and Countervailing
Duty Operations.
