approximately 50 American Outbound participants and place them in 10 eligible countries overseas, and organize all alumni programs for YES Abroad and YES Inbound participants.

This Inbound U.S. Placement and YES Abroad Recruitment Components announcement envisions 12 to 15 awards for the U.S. placement of 20–300 students each, and includes:

- U.S. host family and school selection for YES Inbound participants.
- Host family and student U.S.-based orientations.
- Student monitoring and support and enhancement activities for YES Inbound.
- American Student Recruitment and nomination for the YES Abroad Program.
- Where possible, engagement of YES Abroad alumni.

The YES Inbound program provides scholarships for high school students (15–18.5 years) from countries with significant Muslim populations to spend up to one academic year in the U.S. The program promotes mutual understanding and respect. Students live with host families, attend high school, and learn about American society and values, acquire leadership skills, and help educate Americans about their countries and cultures.

Organizations are invited to submit proposals to recruit, screen, and select U.S. host families; identify accredited U.S. high schools and secure school placements; conduct local student and host family orientations; provide cultural and educational enrichment activities; handle all counseling, programmatic, and on-program participant monitoring issues; and evaluate program implementation for a portion of the students participating in the YES program during the 2011–12 academic year. Each applicant must propose to place a minimum of 20 YES Inbound students, up to a maximum of 300 students, as it is the expectation that 12–15 awards will be made in order to place and support the approximate total of 1077 students.

In addition, organizations will recruit and nominate students from these same United States communities for the Kennedy-Lugar YES Abroad Program. This YES Abroad program will send approximately 50 U.S. citizen students from the United States to selected YES countries for the 2011–12 academic year. For YES Abroad, the eligible hosting countries at the time of publication of this RFGP are: Egypt, Ghana, Indonesia, Malaysia, Mali, Morocco, Oman, Thailand, and Turkey. However, the Bureau reserves the right to amend these lists at any time as conditions change. Under YES Inbound US Placement and YES Abroad Recruitment Components grants, organizations will be asked to market the YES Abroad program to U.S. students, identify potential qualified YES Abroad program participants, and submit nominations of qualified American students to the Overseas YES Inbound Recruitment and YES Abroad Placement and Alumni Components grantees for final selection and overseas placement.

I. Funding Opportunity Description

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is “to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries, * * * , to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world.” The funding authority for the program above is provided through legislation.

Purpose: The Inbound Kennedy-Lugar Youth Exchange and Study (YES) Program is designed to foster a global community of shared interests and values developed through better mutual understanding via first-hand participation of high school students, preferably aged 15–18.5, from countries with significant Muslim populations in academic year or semester exchanges to the United States. Participants will reside with American host families and attend high school during the 2011–12 academic year. The YES Abroad program is designed to provide the same experience for high school students from the United States in some of the same YES countries. Both programs seek to select students with leadership potential, to develop their leadership skills while in the U.S. or abroad, and to support them in alumni activities after they return home.

Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals to recruit and select host families and American high school students between the ages of 15 and 18.5. This solicitation refers to YES students from the following countries:

- Afghanistan, Albania, Bahrain, Bangladesh, Bosnia and Herzegovina, Bulgaria, Cameroon, Egypt, Gaza, India, Indonesia, Israel (Arab Communities), Jordan, Kenya, Kosovo, Kuwait, Lebanon, Liberia, Macedonia, Malaysia, Mali, Morocco, Mozambique, Nigeria, Oman, Pakistan, Philippines, Qatar, Saudi Arabia, Senegal, Sierra Leone, South Africa, Suriname, Tanzania, Thailand, Tunisia, Turkey, West Bank, and Yemen.

In addition to identifying schools and screening host families in the United States for inbound YES student placements, grantee organizations will be responsible for:

1. Orienting all inbound students to local conditions, resources, and opportunities;
2. Providing support services for students;
3. Arranging enhancement activities and skill-building opportunities;
4. Monitoring student health, safety and welfare, host family and coordinator performance and student academic progress;
5. Providing mid-year programming and re-entry training;
6. Evaluating project success;
7. Recruiting YES Abroad applicants from American high schools;
8. Nominating candidates for YES Abroad to the grantee organization that offers the “YES Overseas YES Inbound Recruitment, YES Abroad Placement, and Alumni Components” (selected under a separate competition) to be considered for selection.

Preference will be given to those organizations that offer participants opportunities to develop leadership skills and raise their awareness of tolerance and civic responsibility through community activities and networks.

During the year, YES participants will be engaged in a variety of activities, such as community and school-based programs, skill-building workshops, and cultural events. Academic year 2011–2012 will be the ninth year of the YES program, with more than 4,000 students having been awarded scholarships since the program’s inception.

Goals: The overarching goals of the YES program are to:

- Promote better understanding by youth from selected countries about host country society, people, institutions, values and culture;
- Foster lasting personal ties;
- Engage the exchange participants in activities that advance mutual understanding, respect for diversity, leadership skills, and understanding of civil society during their exchange in the U.S.;
- Enhance Americans’ understanding of other countries and cultures;
Considering the specific focus of the YES program, the following outcomes will indicate a successful project:

1. Inbound participants will develop an appreciation for American culture, an understanding of the underlying values and diversity of American society, and increased tolerance and respect for others with differing views and beliefs.

2. Participants will teach their hosts about the cultures of their home countries.

3. Inbound participants will interact with Americans and generate enduring ties. YES Abroad participants will learn about the cultures and underlying values of the countries in which they study, and help educate others about American culture while learning about their host country’s culture.

4. Inbound participants will acquire an understanding of important elements of a civil society. This includes concepts such as volunteerism, the idea that American citizens can and do act at the grassroots level to deal with societal problems, and an awareness of and respect for the Rule of Law.

5. Participants will gain leadership skills that will enable them, as YES alumni, to initiate activities in their home countries that focus on development and community service.

Objectives: The objectives of the YES program are:

- To place up to 1,077 pre-selected inbound high school students from over 35 countries in safe, qualified, well-suited host families; and recruit approximately 50 American students who will travel to approximately 10 of these countries;
- To place students in accredited schools and safe, supportive and welcoming host family living environments;
- To expose inbound program participants to American culture and enable them to obtain a broad view of U.S. society and history;
- To provide appropriate venues for program participants to share their culture, lifestyles, and traditions with host country citizens;
- To provide participants with development opportunities that foster skills they can take back with them and use in their home countries; and
- To provide activities that will increase and enhance students’ leadership capacity, enabling them—as YES alumni—to initiate activities in their home countries that focus on development and community service.

Other Components: Under a separate grant, one organization will administer the “Overseas YES Inbound Recruitment, YES Abroad Placement, and Alumni Components” of the YES program, both Inbound and Abroad, and perform the following functions: recruitment and selection of the international students; assistance in documentation and preparation of DS-2019 visa forms; preparation of cross-cultural materials; pre-departure orientation; international travel from home to host community and return; facilitation of ongoing communication between the natural parents and the placement organization, as needed; maintenance of a student database and provision of data to the U.S. Department of State; placement of 50 American YES Abroad students and ongoing follow-up with alumni after their return to their home countries.

Another organization will be responsible for supporting students with disabilities. This involves a post-arrival orientation and a year-end reentry training, as well as ongoing supplemental support throughout the year in order to help the students cope with challenges specific to their circumstances.

This same grantee organization will assess students with disabilities at the start of the academic year. Placement organizations may find the students’ assessments useful in helping the students adjust to their new communities. Placement organizations will be in direct communication with both of these organizations.

Guidelines: Applicants are requested to submit a narrative outlining a comprehensive strategy for the administration and implementation of the placement component of the YES program to include the following responsibilities:

1. Recruitment, screening, selection, and YES-specific orientation of local coordinators and host families;
2. Enrollment in an accredited school;
3. Post-arrival orientation for participants;
4. Placement of a small number of students with disabilities;
5. In Spring 2011, on a date given by the Organizational Component grantee, prepare and convey to the organization administering the Organizational Components grant the materials pertaining to each Inbound student’s placement, including information on the hosting community, host family information, and school. These materials will be distributed to the students at the Pre-Departure Orientation;
6. Troubleshooting;
7. Monitoring the health, safety and welfare of students, and the performance of host families and local coordinators;
8. Quarterly evaluation of the organization’s success in achieving program goals;
9. Mid-year orientations to assess progress; and further explore cultural observations;
10. Re-entry training to assist students with closure in the U.S. and readjustment to their home environments.
11. Recruitment of prospective YES Abroad students in American high schools and other youth organizations.
12. To follow a nomination strategy developed by the grantee responsible for the “Overseas YES Inbound Recruitment, YES Abroad Placement, and Alumni Components” to submit names of potential YES Abroad students.

Applicants must request a grant for placement and monitoring of at least 20 and no more than 300 inbound students. Placements may be in any region of the United States. Strong preference will be given to organizations that choose to place participants in clusters of at least three students (these students should be from different countries) in a particular Local Coordinator’s area of responsibility. Please refer to the Solicitation Package for details on essential program elements, permissible costs, and criteria used to select and place students. We anticipate grants beginning no later than September 2010, subject to the availability of funds.

Inbound participants begin to arrive in their host communities in August 2011 and remain for 10 or 11 months until their departure mid-May to early July 2012.

Administration of the program must be in compliance with reporting and withholding regulations for federal, state, and local taxes as applicable. Recipient organizations should demonstrate regulation adherence in the proposal narrative and budget.

Applicants should submit the health and accident insurance plans they intend to use for students on this program. If use of a private plan is proposed, the State Department will compare that plan with the Bureau plan and make a determination as to which will be applicable.

III. Eligibility Information

III.1. Eligible Applicants

Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3).

III.2. Cost Sharing or Matching Funds

There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23—Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA’s contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements

Bureau grant guidelines require that organizations with fewer than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

IV. Application and Submission Information

Note: Please read the complete instructions before sending inquiries or submitting proposals. Once the RFGP deadline has passed, Bureau staff may not discuss this competition with applicants until the proposal review process has been completed.

Please refer to the Solicitation Package. It contains the mandatory Proposal Submission Instructions (PSI) document and the Project Objectives, Goals and Implementation (POGI) for additional formatting and technical requirements.

IV.3c. You must have nonprofit status with the IRS at the time of application.

Please note: Effective January 7, 2009, all applicants for ECA federal assistance awards must include in their application the names of directors and/or senior executives (current officers, trustees, and key employees, regardless of amount of compensation). In fulfilling this requirement, applicants must submit information in one of the following ways:

2. Those who do not file IRS Form 990 must submit information above in the format of their choice.

In addition to final program reporting requirements, award recipients will also be required to submit a one-page document, derived from their program reports, listing and describing their grant activities. For award recipients, the names of directors and/or senior executives (current officers, trustees, and key employees), as well as the one-page description of grant activities, will be transmitted by the State Department to OMB, along with other information required by the Federal Funding Accountability and Transparency Act (FFATA), and will be made available to the public by the Office of Management and Budget on its USASpending.gov Web site as part of ECA’s FFATA reporting requirements.

If your organization is a private nonprofit which has not received a grant or cooperative agreement from ECA in the past three years, or if your
organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

IV.3d.1. Adherence to All Regulations Governing the J Visa

The Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs is the official program sponsor of the exchange program covered by this RFGP, and an employee of the Bureau will be the “Responsible Officer” for the program under the terms of 22 CFR 62, which covers the administration of the Exchange Visitor Program (J visa program). Under the terms of 22 CFR 62, organizations receiving awards (either a grant or cooperative agreement) under this RFGP will be third parties “cooperating with or assisting the sponsor in the conduct of the sponsor’s program.” The actions of recipient organizations shall be “imputed to the sponsor in evaluating the sponsor’s compliance with” 22 CFR 62. Therefore, the Bureau expects that any organization receiving an award under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR 62 et seq.

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should explicitly state in writing that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR 62.

If your organization has experience as a designated Exchange Visitor Program Sponsor, you should discuss your record of compliance with 22 CFR 62 et seq., including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

ECA will review the record of compliance with 22 CFR 62 et seq. of applicant organizations designated as Exchange Visitor Program Sponsors by ECA’s Office of Private Sector Exchange as one factor in evaluating the record/ability of organizations to carry out successful exchange programs.

The Office of Citizen Exchanges of ECA will be responsible for issuing DS–2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at http://exchanges.state.gov or from: Office of Designation, ECA/EC/ D, SA–5, Floor C2, Department of State, Washington, DC 20522–0982.

IV.3d.2. Diversity, Freedom and Democracy Guidelines

Pursuant to the Bureau’s authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. “Diversity” should be interpreted in the broadest sense and encompass differences including, but not limited to, ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content.

Please refer to the review criteria under the ‘Support for Diversity’ section for specific suggestions on incorporating diversity into your proposal. Public Law 104–319 provides that “in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy,” the Bureau “shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries.” Public Law 106–113 requires that the governments of the countries described above do not have inappropriate influence in the selection process.

Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible. Funds provided through this award may not be used to promote participation in, or to purchase equipment or supplies intended for, activities related to religious worship or proselytization. Host families, school officials, and grantee organizations shall not require program participants to attend religious services. However, as part of their exchange experience, participants may be offered the opportunity to take part voluntarily in this facet of their host culture, at their own discretion.

Volunteer host families (who receive no financial benefit from grant funds) are encouraged to enable participants living with them to attend services of the participant’s religion, if the participant so desires and the services are available within a reasonable distance of the host family’s residence.

IV.3d.3. Program Monitoring and Evaluation

Proposals must include a plan to monitor and evaluate the project’s success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions).

The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project’s objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are “smart” (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out
in the RFGP (listed here in increasing order of importance):

1. Participant satisfaction with the program and exchange experience.

2. Participant learning, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.

3. Participant behavior; concrete actions to apply knowledge in work or community groups, their participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.

4. Institutional changes, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it (1) specifies intended outcomes; (2) gives clear descriptions of how each outcome will be measured; (3) identifies when particular outcomes will be measured; and (4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

IV.3e. Please take the following information into consideration when preparing your budget:

IV.3e.1. Applicants must submit SF–424A—“Budget Information—Non-Construction Programs” along with a comprehensive budget for the entire program. The budget must reflect costs for a minimum of 20 and no more than 300 YES Inbound participants. Please indicate the number of YES students funded. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

IV.3e.2. Any/all sub-awards/agreements including accompanying budgets required to accomplish overall program objectives described herein, shall be submitted with the proposal package and must be approved by the Grants Officer, prior to commencement. Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

There are no exceptions to the above deadline. Applications uploaded to the site after midnight of the application deadline date will be automatically rejected by the grants.gov system, and will be technically ineligible.

Please refer to the Grants.gov Web site, for definitions of various “application statuses” and the difference between a submission receipt and a submission validation. Applicants will receive a validation e-mail from grants.gov upon the successful submission of an application. Again, validation of an electronic submission via Grants.gov can take up to two business days. Therefore, we strongly recommend that you not wait until the application deadline to begin the submission process through Grants.gov. ECA will not notify you upon receipt of electronic applications.

It is the responsibility of all applicants submitting proposals via the Grants.gov web portal to ensure that proposals have been received by Grants.gov in their entirety, and ECA bears no responsibility for data errors resulting from transmission or conversion processes.

IV.3g. Intergovernmental Review of Applications: Executive Order 12372 does not apply to this program.

V. Application Review Information
V.1. Review Process

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. In addition, ECA will review the record of compliance with 22 CFR 62 et seq. of applicant organizations designated as Exchange Visitor Program Sponsors by ECA’s Office of Private Sector Exchange. If it is determined that an applicant organization submitting a proposal has a record of not being in compliance, their proposal will be deemed technically ineligible and receive no further consideration in the review process. If in compliance, the applicant organization’s record of compliance will be used as one factor in evaluating the record/ability of organizations to carry out successful exchange programs.

All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State’s Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance awards grants resides with the Bureau’s Grants Officer.

Review Criteria

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

1. Program Planning/Ability To Achieve Program Objectives:

Your proposal narrative should exhibit originality, substance, and relevance to the Bureau’s mission. Reviewers will assess the degree to which proposals engage participants in community activities that involve skills development and leadership training. A detailed agenda and work plan should adhere to the program overview and guidelines described in the solicitation package. Reviewers will also assess the degree to which the proposed outcomes of the project are realistic and measurable. Strategies should creatively utilize resources at the local level to ensure an efficient use of program funds.

2. Support of Diversity:

Proposals should demonstrate substantive support of the Bureau’s policy on diversity. Achievable and relevant features should be cited in both program administration (selection of participants, host families, schools, program venue, and program evaluation) and program content (orientations, program meetings, resource materials and follow-up activities).

3. Organization’s Record/Institutional Capacity:

Proposed personnel and institutional resources should be adequate and appropriate to achieve the program or project’s goals. Reviewers will assess the applicant and its partners to determine if they offer adequate resources, expertise, and experience to fulfill program objectives. Partner activities should be clearly defined.

Proposals should demonstrate an institutional record of successful exchange programs, including responsible fiscal management and full compliance with all reporting and J–1 Visa requirements for past Bureau grants as determined by Bureau Grant Staff. In addition, organizations designated as Exchange Visitor Program Sponsors must include a discussion of their record of compliance with 22 CFR 62 et seq., including the oversight of their Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

Proposals that fail to include the above information in their narrative will be deemed less or not competitive under this review criterion. ECA will review the record of compliance with 22 CFR 62 et seq. of organizations designated as Exchange Visitor Program Sponsors as one factor in evaluating the record/ability of organizations to carry out successful exchange programs.

4. Multiplier Effect: Proposed programs should strengthen long-term mutual understanding, including maximum sharing of information and establishment of long-term institutional and individual linkages. Reviewers will assess ways in which proposals include innovative ideas to expose U.S. communities to YES goals and activities that involve students, host families and schools. This includes media outreach, visits to local and national government representatives, Internet-based applications and other interactions. Reviewers will also evaluate substantive plans to prepare YES students for their role as active, effective YES alumni.

5. Participant Monitoring: Proposals must include a detailed monitoring plan, which addresses Student, Local Coordinator (LC) and Host Family (HF) monitoring. Given the importance the Department places on this criterion, you should dedicate a significant percentage of the narrative to explaining how you will achieve the Department’s goals in regard to monitoring the health, safety and welfare of program participants. You may use the appendices to house additional details and supporting documentation. Please see the Project Objectives, Goals, and Implementation (POGI) for additional details regarding this review criterion.

6. Project Evaluation: Proposals should include a plan to monitor and
evaluate the activity’s success, both as the activities unfold and at the end of the program. Reviewers will assess your plans to monitor student progress and program activities, particularly in regard to intended outcomes indicated in your proposal. Grantees will be expected to submit quarterly reports, which should be included as an inherent component of the work plan.

7. Cost-effectiveness/Cost Sharing: Reviewers will analyze the budget for clarity and cost-effectiveness. They will also assess the rationale of the proposed budget and whether the allocation of funds is appropriate to complete tasks outlined in the project narrative. The overhead and administrative components of the proposal, including salaries and honoraria, should be kept as low as possible. All other items should be necessary and appropriate.

Proposals should maximize cost-sharing through other private sector support as well as institutional direct funding contributions. Preference will be given to organizations whose proposals demonstrate a quality, cost-effective program.

VI. Award Administration Information

VI.1. Award Notices

Final awards cannot be made until funds have been appropriated by Congress, allocated and committed through internal Bureau procedures. Successful applicants will receive a Federal Assistance Award (FAA) from the Bureau’s Grants Office.
