identifying unutilized, underutilized, excess and surplus Federal buildings and real property that HUD has reviewed for suitability for use to assist the homeless. Today’s Notice is for the purpose of announcing that no additional properties have been determined suitable or unsuitable this week.

Dated: April 15, 2010.
Mark R. Johnston, Deputy Assistant Secretary for Special Needs.

PROJECT DESCRIPTION:
The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104–13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities. OSM has submitted requests to OMB to approve the collections of information for State and Tribal Reclamation Grants, and its accompanying form, OSM–76, Abandoned Mine Land Problem Area Description form. OSM is requesting a 3-year term of approval for this information collection activity.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently validOMB control number. The OMB control number for this collection of information is displayed on the form OSM–76 (1029–0087).

As required under 5 CFR 1320.8(d), a Federal Register notice soliciting comments on these collections of information was published on November 24, 2009 (74 FR 61363). No comments were received. This notice provides the public with an additional 30 days in which to comment on the following information collection activity:

Title: 30 CFR 886—State and Tribal Reclamation Grants and Form OSM–76. Abandoned Mine Land Problem Area Description Form.

OMB Control Number: 1029–0087.
Summary: The regulation at 886.23(b) and its implementing form OSM–76 will be used to update the Office of Surface Mining Reclamation and Enforcement’s inventory of abandoned mine lands. From this inventory, the most serious problem areas are selected for reclamation through the apportionment of funds to States and Indian tribes.

Frequency of Collection: On occasion.
Description of Respondents: State governments and Indian tribes.
Total Annual Responses: 1,350.
Total Annual Burden Hours: 4,800.

Send comments on the agency need for the collection of information to perform its mission; the accuracy of our burden estimates; ways to enhance the quality, utility and clarity of the information collection; and ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information, to the offices listed in the Addresses section. Please refer to OMB control number 1029–0087 in all correspondence.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

John A. Trelease, Acting Chief, Division of Regulatory Support.

PROJECT DESCRIPTION:
The Bureau of Reclamation, as the National Environmental Policy Act Federal lead agency, and the California Department of Parks & Recreation (CDPR), as the California Environmental Quality Act (CEQA) State lead agency, have prepared a Final EIS/EIR for the Millerton Lake RMP/GP. The RMP/GP involves alternatives for future use of the project area for recreation and resource protection and management.

A Notice of Availability of the Draft EIS/EIR was published in the Federal Register on July 25, 2008 (73 FR 43473). The formal comment period on the Draft EIS/EIR ended on September 23, 2008. The Final EIS/EIR contains responses to all comments received and reflects comments and any additional information received during the review period.

DATES: Reclamation will not make a decision on the proposed action until at least 30 days after release of the Final EIS/EIR. After the 30-day waiting period, Reclamation will complete a Record of Decision (ROD). The ROD will state the action that will be
