Semiannual Regulatory Agenda

SMALL BUSINESS ADMINISTRATION (SBA)

SMALL BUSINESS ADMINISTRATION

13 CFR Ch. I

Semiannual Regulatory Agenda

AGENCY: U.S. Small Business Administration (SBA).

ACTION: Semiannual regulatory agenda.

SUMMARY: The Regulatory Flexibility Act (RFA) and Executive Order 12866 require each agency to publish semiannually a regulatory agenda (agenda) that includes an inventory of all current and projected rulemakings, including regulations the agency expects to develop during the next 12 months and regulations completed since the last publication of the agency’s agenda. SBA is publishing this agenda to provide the public with notice about SBA’s regulatory activities and to provide specific information about those activities. This information will promote the public’s participation in SBA’s regulatory activities.

FOR FURTHER INFORMATION CONTACT: For additional information about specific regulatory actions listed in the agenda, you should direct your comments and inquiries to the appropriate agency contact identified in each entry. For general information about the agenda, you should direct your comments or inquiries to Martin “Sparky” Conrey, Assistant General Counsel for Legislation and Appropriations, U.S. Small Business Administration, 409 Third Street SW., Washington, DC 20416, (202) 619-0638, martin.conrey@sba.gov.

SUPPLEMENTARY INFORMATION: This agenda announces the proposed regulatory actions that SBA plans for the next 12 months and those that were completed since the fall 2009 edition of the agenda. As permitted by law, SBA is combining the publication of its agenda as required by statute and Executive order and conforming them to the Unified Agenda of Federal Regulatory and Deregulatory Actions format developed by the Regulatory Information Service Center.

The purpose of the agenda is to provide information to the public on regulations currently under review, being proposed, completed, or withdrawn by SBA. Accordingly, rulemaking action in SBA’s agenda is grouped according to its stage of development. The stages of development are prerulemaking, proposed rules, final rules, and rulemaking actions completed since the fall 2009 agenda. The agenda is intended to facilitate comments and views by interested members of the public. SBA encourages public participation in its rulemaking process through various media including www.regulations.gov. This website allows SBA to place rules on the website and receive public comments through that medium. SBA also provides a link from www.sba.gov to that website.

SBA’s regulations promote statutory mandates and Presidential directives, and are linked to SBA’s goals to improve the economic environment for small business; drive business formation, job growth, and economic expansion, particularly in underserved

markets; provide financial assistance to individuals and businesses affected by disaster; and operate and manage SBA’s programs and resources efficiently and effectively.

Publication of proposed rulemaking actions in the agenda does not impose any obligation on SBA to take any final action with regard to any specific item. Furthermore, SBA is not precluded from rulemaking activities that are not listed in this agenda. The dates listed in the timetables for specific actions are estimates and not commitments to act on or by the particular date.

The complete Unified Agenda will be available online at www.reginfo.gov in a format that offers users a greatly enhanced ability to obtain information from the Agenda database. Publication in the **Federal Register** is mandated for the regulatory flexibility agendas required by the Regulatory Flexibility Act (5 U.S.C. 602). SBA’s printed agenda entries include rules that would be in the Agency’s regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities.

Printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act’s Agenda requirements. Additional information on these entries is available in the Unified Agenda published on the Internet.

Dated: March 2, 2010.

Administrator.

Legal Authority: 15 USC 634

type of rate is currently available in the commercial market place and will help provide additional options for small business borrowers. By authorizing this option, SBA is recognizing a need to allow lenders to utilize market opportunities. For example, SBA recently revised its rules to allow the use of LIBOR.

286. 504 PROGRAM GOVERNANCE REGULATIONS

Legal Authority: 15 USC 695 et seq

Abstract: The Small Business Investment Act of 1958 (the "Act") authorizes SBA to assist development company financings of small businesses in order to foster economic development and to create or preserve job opportunities in both urban and rural areas. SBA intends to propose a regulatory framework by analyzing the best CDC structure to improve the growth of CDC's and their ability to provide capital to small businesses by reducing the regulatory burden while maintaining appropriate controls to mitigate risk, and to encourage the expansion of CDC financings into communities not currently served. As part of this project, SBA will review existing regulations to determine what will be deleted or amended based upon the proposed regulatory framework. Also, SBA will review existing CDC loan program regulations unrelated to CDC corporate governance to identify any needed technical changes and appropriate clarifications.

Legal Authority: 15 USC 632, 634(b)(6), 636(b), 637, 644, 662(5); PL 105-135, sec. 401 et seq.

Abstract: SBA currently sets different size standards for participation in its financial assistance programs. 7(a) borrowers use the standards set out for procurement programs or a temporary alternate standard; 504 borrowers may use the 7(a) standards or an alternate standard; SBIC investment may be made to small businesses that qualify through another standard; and Surety Bond program participants must meet still different requirements. As part of an overall Agency program, SBA will review financial program eligibility regulations in order to update size eligibility requirements among these programs.

288. WOMEN-OWNED SMALL BUSINESS FEDERAL CONTRACT PROGRAM

Legal Authority: 15 USC 637(m)

Abstract: This proposed rule will establish regulations to implement the Women-Owned Small Business (WOSB) Federal Contract Assistance Program, authorized under section 8(m) of the Small Business Act. Section 8(m) was enacted as part of Public Law 106-554

to provide a targeted procurement mechanism to assist Federal agencies in achieving the statutory goal of 5 percent for contracting with WOSBs. In accordance with section 8(m), the new regulations would authorize contracting officers to restrict competition to eligible WOSBs for certain Federal contracts in industries in which SBA has determined that WOSBs are underrepresented or substantially underrepresented in Federal procurement. Also consistent with section 8(m), the authority to restrict competition would be limited to contracts not exceeding \$3 million, or \$5 million in the case of manufacturing contracts. In implementing section 8(m) the proposed regulations would further provide: the eligible industries in which WOSBs are underrepresented or substantially underrepresented; the specific eligibility requirements for WOSBs to qualify for program participation; the procedures for concerns to certify their eligibility; the process for SBA to verify the continuing WOSB eligibility; the contractual and business development assistance available under the program; the relevant protest and appeal procedures; and the applicable penalties.

Legal Authority: 15 USC 634(5)(b)(6),(b)(7),(b)(14),(h) and note; 687(f),697(e)(c)(8), and 650.

Abstract: This rule implements the Small Business Administration's (SBA) statutory authority under the Small Business Reauthorization and Manufacturing Assistance Act of 2004 (Reauthorization Act) to regulate Small Business Lending Companies (SBLCs) and non-federally regulated lenders (NFRLs). It also conforms SBA rules for the section 7(a) Business Loan Program and the Certified Development Company (CDC) Program.

In particular, this rule: (1) Defines SBLCs and NFRLs; (2) clarifies SBA's authority to regulate SBLCs and NFRLs; (3) authorizes SBA to set certain minimum capital standards for SBLCs, to issue cease and desist orders, and revoke or suspend lending authority of SBLCs and NFRLs; (4) establishes the Bureau of Premier Certified Lender Program Oversight in the Office of Credit Risk management; (5) transfers existing SBA enforcement authority over CDCs from the Office of Financial Assistance to the appropriate official in the Office of Capital Access; and (6) defines SBA's oversight and enforcement authorities relative to all

SBA lenders participating in the 7(a) and CDC programs and intermediaries in the Microloan program.

292. 8(A) BUSINESS DEVELOPMENT

Legal Authority: 15 USC 634(b)(6), 636(j), 637(a) and (d)

Abstract: This rule proposes to make a number of changes to the regulations governing the 8(a) Business Development (8(a) BD) Program and several changes to SBA's size regulations. Some of the changes involve technical issues, such as changing the term "SIC code" to "NAICS code" to reflect the national conversion to the North American Industry Classification System. SBA has learned through experience that certain of its rules governing the 8(a) BD program are too restrictive and serve to unfairly preclude firms from being admitted to the program. In other cases, SBA has determined that a rule is too expansive or indefinite and has sought to restrict or clarify that rule. Changes are also being proposed to correct past public or agency misinterpretation. Also, new situations have arisen that were not anticipated when the current rules were drafted and the proposed rule seeks to cover those situations. Finally, one of the changes, involving Native Hawaiian Organizations, implements recently enacted legislation.

Abstract: SBA is proposing to standardize protest and appeal regulations across all small business programs and clarify the effect of a negative determination on the procurement in question. SBA's proposed rule will clarify that an award should not be made to an ineligible concern, and in cases where an award has been made prior to an SBA final decision finding a business to be ineligible, the contracting agency shall either terminate the contract, not exercise an option, or not award further task or delivery orders to the ineligible concern. SBA is also proposing to clarify how contracting officers select NAICS codes for multiple award task and delivery order contracts. The changes recommended were prompted by recent bid protest litigation, a survey of cases handled by SBA's Government Contracting Area Offices, and recent rulings by SBA's Office of Hearings and Appeals.
