Recommendation 2004–1, examine the Department of Energy's (DOE) implementation of Oversight of Complex, High-Hazard Nuclear Operations. The Board is reviewing DOE's and the National Nuclear Security Administration's (NNSA) current oversight and safety management of the contracts and contractors they rely upon to accomplish the mission assigned to DOE and NNSA under the Atomic Energy Act of 1954, as amended, at defense nuclear facilities. We will focus on what impact DOE's and NNSA's new initiatives, including changes to DOE directives, contractor oversight, and governance, may have upon assuring adequate protection of the health and safety of the public and workers at DOE's defense nuclear facilities. Over the next several months, we will conduct a series of public meetings to collect information needed to understand and address any health or safety concerns that may require Board Action. In the May 12th meeting, the Board will explore in more depth federal safety management and oversight policies being developed by DOE and NNSA for defense nuclear facilities. DOE and NNSA senior leaders will articulate their views on the role of line and independent oversight to safely accomplish their work at defense nuclear facilities. The Board will examine DOE's and NNSA's new approach to federal oversight and its relationship to contractor assurance systems. The public hearing portion of this proceeding is authorized by 42 U.S.C. 2286b.

CONTACT PERSON FOR MORE INFORMATION: Brian Grosner, General Manager, Defense Nuclear Facilities Safety Board, 625 Indiana Avenue, NW., Suite 700, Washington, DC 20004–2901, (800) 788–4016. This is a toll-free number.

SUPPLEMENTARY INFORMATION: Requests to speak at the hearing may be submitted in writing or by telephone. The Board asks that commentators describe the nature and scope of their oral presentation. Those who contact the Board prior to close of business on May 11, 2010, will be scheduled for time slots, beginning at approximately 12 p.m. The Board will post a schedule for those speakers who have contacted the Board before the hearing. The posting will be made at the entrance to the Public Hearing Room at the start of the 9 a.m. hearing and meeting. Anyone who wishes to comment or provide technical information or data may do so in writing, either in lieu of, or in addition to, making an oral presentation. The Board Members may question presenters to the extent deemed appropriate. Documents will be accepted at the meeting or may be sent to the Board's Washington, DC, office. The Board will hold the record open until June 12, 2010, for the receipt of additional materials. A transcript of the meeting will be made available by the Board for inspection by the public at the Board's Washington office and at DOE's public reading room at the DOE Federal Building, 1000 Independence Avenue, SW., Washington, DC 20585. The Board specifically reserves its right to further schedule and otherwise regulate the course of the meeting and hearing, to recess, reconvene, postpone, or adjourn the meeting and hearing, conduct further reviews, and otherwise exercise its power under the Atomic Energy Act of 1954, as amended.

3. Submission Dates and Times:
   Deadline for Transmittal of Applications: June 10, 2010.

Applications for grants under this competition must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department’s e-Grants site at: http://e-grants.ed.gov.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions.

Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:
- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time,
the application deadline date.

E–Application will not accept an application for this competition after 4:30:00 p.m., Washington, DC time, on the application deadline date.

Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.   1. Print SF 424 from e-Application.

Application Deadline Date Extension in Case of e-Application Unavailability: If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

1. You are a registered user of e-Application and you have initiated an electronic application for this competition; and
2. (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or
   (b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under FOR FURTHER INFORMATION CONTACT (see VII. Agency Contact) or (2) the e-Grants help desk at 1–888–336–8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-Application; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Theresa DeVaughn, U.S. Department of Education, 400 Maryland Avenue, SW., room 5045, Potomac Center Plaza (PCP), Washington, DC 20202–2800. FAX: (202) 245–7321.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

1. A private metered postmark.
2. A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.
If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following address:

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. For specific requirements on reporting, please go to http://www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: The Government Performance and Results Act (GPRRA) of 1993 directs Federal departments and agencies to improve the effectiveness of programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goals of the Rehabilitation Services Administration’s (RSA) Rehabilitation Training—National Clearinghouse of Rehabilitation Training Materials projects are to:

(1) Identify and gather rehabilitation information and training materials for use in preparing pre-service and in-service education and training for rehabilitation personnel;

(2) Disseminate, in a cost-effective manner, rehabilitation information and state-of-the-art training materials and methods to rehabilitation personnel to assist them in achieving improved outcomes in vocational rehabilitation, supported employment, and independent living; and

(3) Provide linkages and policies for the exchange of information and referral of inquiries with other existing clearinghouses and information centers supported by the U.S. Department of Education, including the Education Resources Information Center and the National Rehabilitation Information Center.

In order to measure the success of the grantees in meeting this goal, the grantees are required to submit annual performance reports detailing its activities and providing quantitative and qualitative evidence that its performance met or exceeded the goals and objectives set forth in its application. The report must include, at a minimum, the following information:

(1) The number of requests for information received and fulfilled;

(2) The average time to respond to a request;

(3) The number of visits to the Clearinghouse Web site on a monthly and annual basis;

(4) The number of new publications, materials and other materials received and disseminated on an annual basis and who submitted the information;

(5) A quantitative analysis of any customer satisfaction survey findings including information derived from questions about product quality, relevance, and utility. A copy of the survey instrument must be approved by RSA prior to its use and must be used during each year of the grant.
