SUPPLEMENTARY INFORMATION:

Title: Conflict of Interest Package for CDFI Fund Application Reviewers.

Abstract: Through its programs, the CDFI Fund supports financial institutions around the country that are specifically dedicated to financing and supporting community and economic development activities. This strategy builds strong institutions that make loans and investments and provide financial services in markets (including economically distressed investment areas and targeted populations) whose needs for loans, investments, and financial services have not been fully met by traditional financial institutions, particularly in the areas of promoting homeownership, developing of affordable housing, and stimulating small business development, as well as providing financial services to those who have not previously accessed financial institutions.

Consistent with the Federal Acquisition Regulations provisions on conflicts of interest, the CDFI Fund has applied, and will continue to apply, a conflict of interest policy with respect to its application reviewers. This policy will prohibit reviewers from participating in the evaluation or process of selection of applications where such participation creates a conflict of interest or an appearance of a conflict of interest. The conflict of interest policy and review materials are used by the CDFI Fund to determine whether a conflict of interest or an appearance of a conflict of interest will prevent a reviewer from being assigned particular applications during the evaluation process for the CDFI Fund awards. The policy and review materials are applicable to all reviewers, including CDFI Fund staff and other federal government employees, as well as those reviewers engaged through contract with the CDFI Fund. The completion of the package is mandatory for all reviewers.
