(e) The program will use less than 20 percent of HPG funds for administration purposes:

(f) The proposed program contains a component for alleviating overcrowding as defined in 7 CFR 1944.656: 5 points.

In the event more than one preapplication receives the same amount of points, those preapplications will then be ranked based on the actual percentage figure used for determining the points for Section VII (a). Further, in the event that preapplications are still tied, then those preapplications still tied will be ranked based on the percentage for HPG fund use (low to high). Further, for applications where assistance to rental properties or cooperatives is proposed, those still tied will be further ranked based on the number of years the units are available for occupancy under the program (a minimum of 5 years is required). For this part, ranking will be based from most to least number of years.

Finally, if there is still a tie, then a lottery system will be used. After the award selections are made all applicants will be notified of the status of their applications by mail.
