## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

### Notice With Respect to List of Countries Denying Fair Market Opportunities for Government-Funded Airport Construction Projects

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice with respect to a list of countries denying fair market opportunities for products, suppliers or bidders of the United States in airport construction projects.

**DATES:** *Effective Date:* Date of Publication.

**FOR FURTHER INFORMATION CONTACT:** Jean Heilman Grier, Senior Procurement Negotiator, Office of the United States Trade Representative, (202) 395-9476, or Maria Pagan, Associate General Counsel, Office of the United States Trade Representative, (202) 395-9626. **SUMMARY:** Pursuant to section 533 of the Airport and Airway Improvement Act of 1982, as amended (49 U.S.C. 50104), the United States Trade Representative (USTR) has determined not to list any countries as denying fair market opportunities for U.S. products, suppliers, or bidders in foreign government-funded airport construction projects.

**SUPPLEMENTARY INFORMATION:** Section 533 of the Airport and Airway Improvement Act of 1982, as amended by section 115 of the Airport and Airway Safety and Capacity Expansion Act of 1987, Public Law 100-223 (codified at 49 U.S.C. 50104) ("the Act"), requires USTR to decide whether any foreign countries have denied fair market opportunities to U.S. products, suppliers, or bidders in connection with airport construction projects of \$500,000 or more that are funded in whole or in part by the governments of such countries. The list of such countries must be published in the **Federal Register**. USTR has not received any complaints or other information that indicates that U.S. products, suppliers, or bidders are being denied fair market opportunities in such airport construction projects. As a consequence, for purposes of the Act, USTR has decided not to list any countries as denying fair market opportunities for

U.S. products, suppliers, or bidders in foreign government-funded airport construction projects.

## DEPARTMENT OF TRANSPORTATION

### Surface Transportation Board

[Docket No. FD 35365]

#### Michael Williams—Control Exemption— St. Maries River Railroad, Inc.

Michael Williams (applicant),<sup>1</sup> a noncarrier, has filed a verified notice of exemption to acquire control of St. Maries River Railroad, Inc. (STMA), a Class III railroad, through the purchase of all of STMA's stock from STMA's parent, Potlatch Land & Lumber, LLC, by Williams Group, Inc. (WG).<sup>2</sup> Applicant currently controls two Class III railroads through stock ownership: BG & CM Railroad (BG & CM), which operates in Idaho; and Ozark Valley Railroad (OVR), which operates in Missouri.<sup>3</sup> Applicant will control STMA through WG.

The parties intend to consummate the transaction by May 28, 2010. Applicant, however, may not consummate the transaction prior to the May 12, 2010 effective date of this exemption.

Applicant states that: (i) STMA does not connect with any rail lines of the BG & CM, OVR, or any other railroad now controlled by applicant; (ii) the acquisition of control of STMA is not part of a series of anticipated transactions that would connect any of the railroads with each other or with any railroad in their corporate family; and (iii) this transaction does not involve a Class I rail carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. *See* 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however,

<sup>1</sup> Applicant has also concurrently filed a motion for protective order pursuant to 49 CFR 1104.14(b) to allow applicant to file the unredacted Stock Purchase Agreement under seal. That motion will be addressed in a separate decision.

<sup>2</sup> WG is a noncarrier holding company, which is wholly owned and controlled by applicant.

<sup>3</sup> Applicant indicates that it expects to file shortly a notice of exemption to acquire the stock of Dakota Southern Railway Company (DSRA), a Class III rail carrier, which operates in South Dakota. Approval for the proposed acquisition of control of DSRA is not authorized in this proceeding.

does not provide for labor protection for transactions under §§ 11324 and 11325 that involve only Class III rail carriers. Accordingly, the Board may not impose labor protective conditions here, because all the carriers involved are Class III rail carriers.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than May 5, 2010 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35365, must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Charles H. Montange, 426 NW. 162nd Street, Seattle, WA 98177.

Board decisions and notices are available on our Web site at: "<http://www.stb.dot.gov>."

Decided: April 22, 2010.

By the Board, Rachel D. Campbell,  
Director, Office of Proceedings.

**Kulunie L. Cannon,**  
*Clearance Clerk.*
