Dated: April 15, 2010.

Donald Laverdure,
Deputy Assistant Secretary—Indian Affairs.

The Liquor Control Ordinance of the Prairie Band Potawatomi Nation reads as follows:

Liquor Control Ordinance of the Prairie Band Potawatomi Nation

Introduction

Title. This ordinance shall be known as the "Prairie Band Potawatomi Liquor Control Ordinance."

Authority. This ordinance is enacted pursuant to the Act of August 15, 1953, 67 Stat. 586, codified at 18 U.S.C. Sec. 1161, by the authority of the Prairie Band Potawatomi Tribal Council under the Constitution of the Prairie Band Potawatomi Nation, Article V, Sections 1(g) and (i).

General Purpose. The purpose of this ordinance is to provide civil laws for the tribal regulation and control of liquor within the Prairie Band Potawatomi Reservation. The enactment of this ordinance governing liquor on the Reservation will increase the ability of the tribal government to control the sale, distribution and possession of liquor and will provide revenue for the continued operation and strengthening of the tribal government and the delivery of tribal government services for the regulation of liquor and the treatment and reduction of alcohol abuse and related social problems on

the Reservation. The civil penalties, taxes and other liabilities imposed by this ordinance are reasonably necessary and related to the expense of governmental administration necessary to maintain law and order and public health and safety on the Reservation. It is the legislative intent of the Tribal Council that all violations of this ordinance, whether committed by tribal members, non-member Indians or non-Indians be considered civil in nature rather than criminal.

Article I. Declaration of Public Policy and Purposes

(1) The introduction, possession, and sale of liquor on the Prairie Band Potawatomi Reservation are matters of special concern to the Prairie Band Potawatomi Nation.

(2) Federal law prohibits the introduction of liquor into Indian Country (18 U.S.C. Sec. 1154 and other statutes), except as provided therein, and expressly affirms and delegates to Tribes the governmental authority to regulate and control liquor on Indian Reservations. (18 U.S.C. Sec. 1161)

(3) Legislative Findings. The Tribal Council finds that a need exists for strict regulation and control over liquor transactions within the Reservation because of the many problems associated with the sale, possession, distribution, and consumption of liquor. The Tribal Council finds that tribal control and regulation of liquor is necessary to address serious social problems relating to alcohol use on the Reservation. This ordinance is intended to protect the members of the Nation on the Reservation by prohibiting and regulating conduct that threatens and directly affects their health, safety and welfare. The Tribal Council further finds that:

(a) Alcohol abuse is a serious problem on the Reservation. Alcohol abuse leads to frequent early loss of life and morbidity among tribal members and other residents of the Reservation. For example, the accident death rates due to homicide, suicide, motor vehicle accidents and diseases related to alcohol abuse are several times higher among tribal members than among the general population of the United States, and a great number of the serious trauma cases treated by the Indian Health Service (IHS) on reservations are alcohol related. According to the IHS, the rates for the Nation's adults with alcohol

problems are four times that of non-Reservation residents in northeast Kansas.

(b) Alcohol abuse causes and perpetuates dysfunctional families on the Reservation. The vast majority of child abuse, spousal abuse and elderly abuse that occurs on the Reservation is alcohol related.

(c) Fetal Alcohol Syndrome and Fetal Alcohol Effect occur at alarming rates among children born within Indian Tribes. Children born with prenatal alcohol damage have difficulty caring for themselves all of their lives. The Nation has a compelling interest in protecting children from Fetal Alcohol Syndrome and Fetal Alcohol Effect.

(d) Unemployment is high among tribal members on the Reservation and poverty is widespread. Many tribal members suffer serious economic deprivation due to alcohol abuse, ranging from unemployment to malnutrition.

(e) Alcohol abuse contributes to the vast majority of the crime which takes place within tribal territory and places heavy burdens on the tribal criminal justice system and the tribal courts.

(f) Alcohol abuse has a devastating impact on our families and the Reservation community, and the Tribal Council has a duty to combat alcohol abuse.

(g) Both the Nation and the Federal Government devote tremendous resources to prevent and treat problems of alcohol abuse on the Reservation, yet even the combined prevention and treatment programs sponsored by the Nation and the Federal Government are not sufficient to address the problems of alcohol abuse. Far more must be done.

(h) The Nation must exercise its regulatory authority to combat the problems of alcohol abuse on the Reservation through a comprehensive, consistent and clearly defined plan to minimize alcohol consumption on the Reservation and to discourage unsafe drinking practices. In addition, the Nation must raise additional revenue to combat the problems of alcohol abuse.

(4) For the spiritual well-being of our children and families and for the survival and strengthening of our people, the Prairie Band Potawatomi Nation strives for the elimination of alcohol abuse and its associated problems from the Prairie Band Potawatomi Reservation. In furtherance of this purpose, the Tribal Council hereby declares that it is the policy of the Nation:

(a) To minimize alcohol consumption on the Reservation;

(b) To discourage unsafe drinking practices, including, but not limited to,

driving while intoxicated, alcoholism or chronic intoxication, violence related to alcohol abuse, public intoxication and drinking during pregnancy;

(c) To minimize the adverse health effects of drinking alcohol through prevention, regulation and treatment;

(d) To protect unborn children, who are people in their own right, from prenatal alcohol damage;

(e) To control the supply and conditions of availability of liquor through regulation, education and taxation;

(f) To maximize education, prevention and treatment programs to fight alcohol abuse; and

(g) To cause those who sell, consume or promote alcohol on the Reservation to bear a greater proportion of the costs associated with alcohol use and abuse through civil penalties concerning and taxation of liquor and liquor dealers and dedicating the revenue derived for alcohol abuse education, enforcement, prevention, regulation and treatment.

(5) It is in the best interests of the Nation to enact a tribal ordinance governing liquor sales on the Reservation which provides for exclusive purchase, distribution, and sale of liquor only on tribal lands within the exterior boundaries of the Reservation. Further, the Nation has determined and hereby requires that said purchase, distribution, and sale shall take place only at tribally-owned gaming facility complexes and other tribally-owned enterprises.
