ELECTION ASSISTANCE COMMISSION

Proposed Notice and Comment Policy Version 2.0

AGENCY: U.S. Election Assistance Commission.

ACTION: Notice and request for public comment on Proposed Notice and Comment Policy 2.0.

SUMMARY: The U.S. Election Assistance Commission (EAC) seeks public comment on the Proposed Notice and Comment Policy 2.0. EAC's current Notice and Comment Policy is to provide effective notice for a period of public comment on all policies being considered for adoption by the EAC, that are not subject to notice and comment under any Federal statute. The policy requires action within specified time periods to permit as much public notice as possible. Because of the firm deadlines, the current policy limits EAC's ability to address the rare situations that require swift action. The proposed policy amends the Notice and Comment policy to provide for unforeseeable circumstances that may require deviation from the default timelines indicated.

DATES: Written comments must be submitted on or before 4 p.m. EDT on June 1, 2010.

Comments: Public comments are invited on the information contained in the policy. Comments on the proposed policy should be submitted electronically to

HAVAcomments@eac.gov. Written comments on the proposed policy can also be sent to the U.S. Election Assistance Commission, 1201 New York Avenue, NW., Suite 300, Washington, DC 20005, ATTN: Proposed Notice and Comment Policy.

Obtaining a Copy of the Policy: To obtain a free copy of the policy: (1) Access the EAC Web site at <http://www.eac.gov>; (2) write to the EAC (including your address and phone number) at U.S. Election Assistance Commission, 1201 New York Avenue, NW., Suite 300, Washington, DC 20005, ATTN: Proposed Notice and Comment Policy.

ELECTION ASSISTANCE COMMISSION

Proposed Privacy Policy Statement

AGENCY: U.S. Election Assistance Commission.

ACTION: Notice and request for public comment on Proposed Privacy Policy Statement.

SUMMARY: The U.S. Election Assistance Commission (EAC) seeks public comment on the Proposed Privacy Policy Statement. OMB Memorandum M-99-18 requires, among other things, that Federal agencies post on their Web sites a privacy policy statement concerning how and when an agency collects information related to an individual's use of the agency Web site. These statements are intended to inform the public of government-wide policies and how each agency implements those policies relative to Web site users' information. Most of the practices discussed in proposed policy statement are required by statute or regulation. As a result, some portions of the proposed policy may not be amended. However, EAC invites comment and will consider amendments to elements that are not required by statute or regulation.

DATES: Written comments must be submitted on or before 4 p.m. EDT on June 1, 2010.

Comments: Public comments are invited on the information contained in the policy. Comments on the proposed policy should be submitted electronically to

HAVAcomments@eac.gov. Written comments on the proposed policy can also be sent to the U.S. Election Assistance Commission, 1201 New York Avenue, NW., Suite 300, Washington, DC 20005, ATTN: Proposed Privacy Policy Statement.

ELECTION ASSISTANCE COMMISSION

Proposed Rule of Agency Procedure No. 1: Procedures for Voting by Circulation Version 2.0

AGENCY: U.S. Election Assistance Commission.

ACTION: Notice and request for public comment on Proposed Rule of Agency Procedure No. 1: Procedures for Voting by Circulation Version 2.0.

SUMMARY: The U.S. Election Assistance Commission (EAC) seeks public comment on Proposed Rule of Agency Procedure No. 1: Procedures for Voting by Circulation Version 2.0. EAC's current Proposed Rule of Agency Procedure No. 1: Procedures for Voting by Circulation provide the public with the process, including timelines on how EAC Commissioners vote to approve matters requiring formal Commission action that has not been placed on a meeting agenda. The policy requires action within specified time periods to allow a thorough and predictable time period for EAC Commissioners to consider the matter. Because of the firm deadlines, the current policy limits EAC's ability to address the rare situations that require swift action. The proposed policy amends the Rule of Agency Procedure No. 1: Procedures for Voting by Circulation to provide for unforeseeable circumstances that may require deviation from the default timelines indicated.

DATES: Written comments must be submitted on or before 4 p.m. EDT on June 1, 2010.

Comments: Public comments are invited on the information contained in the policy. Comments on the proposed policy should be submitted electronically to

HAVAcomments@eac.gov. Written comments on the proposed policy can also be sent to the U.S. Election Assistance Commission, 1201 New York Avenue, NW., Suite 300, Washington, DC 20005, ATTN: Proposed Rule of Agency Procedure No. 1: Procedures for Voting by Circulation Version 2.0.

DEPARTMENT OF ENERGY

Proposed Agency Information Collection

AGENCY: U.S. Department of Energy.
ACTION: Notice and request for OMB review and comment.

SUMMARY: The Department of Energy (DOE) has submitted to the Office of Management and Budget (OMB) for clearance, a proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995. The In-Vehicle Driver Feedback study will enable the Department of Energy to establish a rigorous scientific basis for informing consumers about the potential fuel economy benefits of in-vehicle fuel economy feedback devices. The target population consists of 150 volunteer households who are AAA insurance policy holders who carry minimum automobile insurance coverage and hold a valid driver's license. If this testing confirms that fuel economy feedback devices can enable drivers to achieve measurable improvements in fuel economy, the information will be made available to the general public via the Joint Department of Energy and Environmental Protection Agency Web site, <http://www.fueleconomy.gov>.

DATES: Comments regarding this collection must be received on or before June 1, 2010. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at 202-395-4650.

SUPPLEMENTARY INFORMATION: Exports of electricity from the United States to a foreign country are regulated by the Department of Energy (DOE) pursuant to sections 301(b) and 402(f) of the Department of Energy Organization Act (42 U.S.C. 7151(b), 7172(f)) and require authorization under section 202(e) of the FPA (16 U.S.C. 824a(e)).

On April 20, 2010, DOE received an application from CLT for authority to transmit electric energy from the United States to Canada as a power marketer using existing international transmission facilities for five years. CLT does not own any electric transmission facilities nor does it hold a franchised service area.

The electric energy that CLT proposes to export to Canada would be surplus energy purchased from electric utilities, Federal power marketing agencies and other entities within the United States. The existing international transmission facilities to be utilized by CLT have previously been authorized by Presidential permits issued pursuant to
