Food and Drug Administration

[Docket No. FDA–2010–D–0144]

Draft Guidance for Industry and Food and Drug Administration Staff; User Fees for 513(g); Requests for Information; Availability

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing the availability of the draft guidance entitled “Draft Guidance for Industry and FDA Staff; User Fees for 513(g) Requests for Information.” This draft guidance describes the user fees associated with 513(g) requests for information. The draft guidance may also be obtained by mail by calling CBER at 1–800–835–4709 or 301–827–1800. Send one self-addressed adhesive label to assist that office in processing your request, or fax your request to CDRH to 301–847–8149. See the SUPPLEMENTARY INFORMATION section for information on electronic access to the guidance.

Submit written comments concerning this draft guidance to the Division of Dockets Management (HFA–305), Food and Drug Administration, 1401 Rockville Pike, Rockville, MD 20852. Submit electronic comments to http://www.regulations.gov. Identify comments with the docket number found in brackets in the heading of this document.

SUPPLEMENTARY INFORMATION:

I. Background

Section 513(g) of the Federal Food Drug and Cosmetic Act (act) (21 U.S.C. 360c(g)) provides a means for obtaining the FDA’s views about classification information and the regulatory requirements that may be applicable to a particular device. Title II of the Food and Drug Administration Amendments Act of 2007 (FDAAA), also termed the Medical Device User Fee Amendments of 2007 (Public Law 110–85), extends FDA’s authority to collect medical device user fees by establishing a fee for “a request for information.” Elsewhere in this Federal Register we are publishing a document announcing the availability of a guidance document entitled “Draft Guidance for Industry and FDA Staff; FDA and Industry Procedures for Section 513(g) Requests for Information under the Federal Food, Drug, and Cosmetic Act.” This guidance describes the procedures we recommend when seeking the Agency’s views about classification information and regulatory requirements that may be applicable to a particular device.

II. Significance of Guidance

This draft guidance is being issued consistent with FDA’s good guidance practices regulation (21 CFR 10.115). The draft guidance, when finalized will represent the Agency’s current thinking on user fees for requests for classification information submitted in accordance with section 513(g) of the act. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. An alternative approach may be used if such approach satisfies the requirements of the applicable statute and regulations.

III. Electronic Access

Persons interested in obtaining a copy of the draft guidance may do so by using the Internet. To receive “Draft Guidance for Industry and Food and Drug Administration Staff; User Fees for 513(g) Requests for Information,” you may either send an e-mail request to dsmaco@fda.hhs.gov to receive an electronic copy of the document or send a FAX request to 301–847–8149 to receive a hard copy. Please use the document number 1709 to identify the guidance you are requesting.

IV. Paperwork Reduction Act of 1995

Under the PRA (44 U.S.C. 3501–3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that use the public submit reports, keep records, or provide information to a third party. Section
V. Comments

Interested persons may submit to the Division of Dockets Management (see ADDRESSES), written or electronic comments regarding this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Front-of-Pack and Shelf Tag Nutrition Symbols; Establishment of Docket; Request for Comments and Information

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; establishment of docket; request for comments and information.

SUMMARY: The Food and Drug Administration (FDA) is announcing the establishment of a docket to obtain data and other information that will inform the agency’s deliberations about ways to enhance the usefulness to consumers of point-of-purchase nutrition information, such as information on the principal display panel of food products (“front-of-pack” labeling) or on shelf tags in retail stores. In particular, FDA is interested in the following: Data and information on the extent to which consumers notice, use, and understand nutrition symbols on front-of-pack labeling of food packages or on shelf tags in retail stores; research assessing and comparing the effectiveness of particular possible approaches to front-
