BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection Activities: Proposed Collection: Comment Request

In compliance with the requirement for opportunity for public comment on proposed data collection projects (section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995, Pub. L. 104–13), the Health Resources and Services Administration (HRSA) publishes periodic summaries of

proposed projects being developed for submission to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, e-mail paperwork@hrsa.gov or call the HRSA Reports Clearance Officer at (301) 443–1129.

Comments are invited on: (a) The proposed collection of information for the proper performance of the functions of the agency; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: “Health Care and Other Facilities” Construction Program: Web-Based Status Reporting Form: (OMB No. 0915–0309)—[Extension]

The Health Resources and Services Administration’s Health Care and Other Facilities (HCOF) Construction Program provides congressional directed funds to health facilities for construction-related

activities and/or capital equipment purchases. Awarded facilities are required to provide HRSA with a periodic (quarterly for construction-related projects, annually for equipment only projects) update of the status of the funded project until it is completed. The monitoring period averages about 3 years, although some projects take up to 5 years to complete. The information collected from these updates is vital to program management staff to determine whether projects are progressing according to the established timeframes, meeting deadlines established in the Notice of Grant Award (NGA), drawing down funds appropriately. The data collected from the updates is also shared with the Division of Grants Management Operations (DGMO), which assists in the overall evaluation of each project’s progress. A Web-based form has been developed for progress reporting for the HCOF program. This form will allow awardees the ability to directly input the required status update information in a timely, consistent, and uniform manner. The Web-based form will minimize burden to respondents and will inform respondents when there are missing data elements prior to submission.

The annual estimate of burden is as follows:

Instrument	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
Construction-Related	357	4	1428	.5	714
Equipment Only	905	1	905	.5	453
Total	1262	2333	1167

E-mail comments to paperwork@hrsa.gov or mail the HRSA Reports Clearance Officer, Room 10–33, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

Dated: April 27, 2010.

Sahira Rafiullah,

Director, Division of Policy and Information Coordination.

Health Resources and Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget (OMB), in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301) 443–1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Combating Autism Act Initiative Evaluation (New) .

Background: In response to the growing need for research and resources devoted to autism spectrum disorder (ASD) and other developmental disorders (DD), the U.S. Congress passed the Combating Autism Act (CAA) in 2006. This Act authorized Federal programs to combat ASD and other DD through research, screening, intervention, and education. Through the CAA, the Health Resources and Services Administration (HRSA) is tasked with increasing awareness of ASD and other DD, reducing barriers to screening and diagnosis, promoting evidence-based interventions, and training health care professionals in the use of valid and reliable screening and diagnostic tools.

Purpose: HRSA’s activities under this legislation are conducted by the Maternal and Child Health Bureau

(MCHB), which is implementing the Combating Autism Act Initiative (CAAI) in response to the legislative mandate. The purpose of this evaluation is to design and implement a three-year assessment of the effectiveness of MCHB's activities in meeting the goals and objectives of the CAAI, and to provide sufficient data to inform MCHB and the Congress as to the utility of the grant programs funded under the Initiative. To address the requirements for the Report to Congress, the evaluation will focus on short-term indicators related to: (1) Increasing awareness of ASD and other DD among health care providers, other MCH professionals and the general public; (2) reducing barriers to screening and diagnosis; (3) supporting research on evidence-based interventions; (4) promoting the development of evidence-based guidelines and tested/validated intervention tools; and (5) training professionals.

Respondents: Grantees funded by HRSA under the CAAI will be the respondents for this data collection activity. The programs to be evaluated are listed below.

1. Training Programs
 - Leadership Education in Neurodevelopmental Disabilities (LEND) training programs with thirty nine grantees; and
 - Developmental Behavioral Pediatrics (DBP) training programs with six grantees.
2. Research Programs
 - Two Autism Intervention Research Networks that focus on intervention research, guideline development, and information dissemination;
 - Five R40 Maternal and Child Health (MCH) Autism Intervention Research Program grantees that support research on evidence-based practices for interventions to improve the health and well-being of children and adolescents with ASD and other DD; and
 - Two R40 MCH Autism Intervention Secondary Data Analysis Study (SDAS) Program grantees that support research on evidence-based practices for interventions to improve the health and well-being of children and adolescents with ASD and other DD, utilizing exclusively the analysis of existing secondary data.

3. State Implementation Program Grants for Improving Services for Children and Youth With Autism Spectrum Disorder (ASD) and Other Developmental Disabilities (DD)

- Nine grantees will implement state autism plans and develop models for improving the system of care for children and youth with ASD and other DD.

The data gathered through this evaluation will be used to:

- Evaluate the grantees' performance in achieving the objectives of the CAAI during the three year grant period;
- Assess the short- and intermediate-term impacts of the grant programs on children and
 - families affected by ASD and other DD;
 - Measure the CAAI outputs and outcomes for the Report to Congress; and
 - Provide foundation data for future measurement of the initiative's long-term impact.

The estimated response burden is shown in Table 1.

TABLE 1—ESTIMATED HOUR AND COST BURDEN OF THE DATA COLLECTION

Grant program	No. of respondents	Responses per respondent	Total responses	Average hours per response	Total hour burden	Wage rate	Total hour cost
LEND	39	6	234	.75	175.5	\$39.36	\$6907.68
DBP	6	6	36	.75	27	39.36	1062.72
State Implementation Program	9	6	54	.75	40.5	38.22	1547.91
Research Program	9	6	54	.75	40.5	39.36	1594.08
Total	63	378	283.5	11,112.39

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to the desk officer for HRSA, either by e-mail to OIRA_submission@omb.eop.gov or by fax to 202-395-6974. Please direct all correspondence to the "attention of the desk officer for HRSA."

Dated April 28, 2010.

Sahira Rafiullah,

Director, Division of Policy and Information Coordination.

Food and Drug Administration

[Docket No. FDA-2009-N-0535]

Agency Information Collection Activities; Submission for Office of Management and Budget Review; Comment Request; "Real Time" Surveys of Consumers' Knowledge, Perceptions, and Reported Behavior Concerning Foodborne Illness Outbreaks or Food Recalls

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing that a proposed collection of information has been submitted to the Office of Management and Budget

(OMB) for review and clearance under the Paperwork Reduction Act of 1995.

DATES: Fax written comments on the collection of information by June 3, 2010.

ADDRESSES: To ensure that comments on the information collection are received, OMB recommends that written comments be faxed to the Office of Information and Regulatory Affairs, OMB, Attn: FDA Desk Officer, FAX: 202-395-7285, or e-mailed to oira_submission@omb.eop.gov. All comments should be identified with the OMB control number 0910-NEW and title "Real Time' Surveys of Consumers' Knowledge, Perceptions, and Reported Behavior Concerning Foodborne Illness Outbreaks or Food Recalls." Also include the FDA docket number found in brackets in the heading of this document.
