interest of national defense programs, or in
the interest of assuring that a fair portion of
Government procurement is placed with
small business concerns.

(3) All of the offers received under this
solicitation will first be negotiated as to price
and an evaluation will be made as though
there were no set-aside.

(4) For the purposes of set-aside
evaluation, when an offer contains
increments at different prices, each
increment will be considered a separate offer.
Except as provided in (d) below, negotiations
will be limited to the offered quantities not
awarded under the provision of (c)(2) below.
(c) SET-ASIDE AWARD PROCEDURE.

(1) The price for the small business set-
aside portion will be negotiated by the
Contracting Officer based upon prices the
Government would otherwise pay the
successful offeror for the non-set-aside
portion of the location under this solicitation,
adjusted for transportation charges and other
factors. In the case of a small business
concern whose offer is determined by the
evaluation process to be low on the non-set-
aside portion, awards of the set-aside portion will be made to that small business concern
without further negotiation. Contracts for any
remaining set-aside portions will be
negotiated with those eligible small business
concerns that have submitted a responsive
offer on the various items for which a set-
aside has been established. In no event will
a small business concern be awarded the set-
aside portion at a price higher than its offer
price under the non-set-aside portion.

(2) Negotiations for small business set-
aside awards will begin with the small business
considering the lowest evaluated
price and a quantity of offered product
remaining. If the low small business concern
on the item does not offer to supply product
at the set-aside price established in
accordance with (1) above, the next low
small business concern on the item will be
given the same opportunity; this process will
continue with the successive low small business
continuing until all small business
continuing have been contacted.

(3) The Government reserves the right to
make awards to the otherwise low offeror
for all or any portion of the set-aside quantities,
without regard to the size of the offeror, if
eligible small business concerns do not offer
a quantity of product sufficient to meet a set-
aside requirement or do not offer to supply
at the set-aside prices. The total quantity that
will be awarded a small business offeror on
both the unreserved and reserved portions will
not exceed the total quantity offered
under this solicitation by such small business
offerors. However, if insufficient product is
offered by small business concerns to meet
the quantity set aside for small business,
small business concerns with which the
Government has already commenced
negotiations may be given an opportunity to
offer additional product.

(4) Where the Trade Agreements Act
applies to the non-set-aside portion, offers of
eligible products will be treated as if they
were complying country end products.
(d) AGREEMENT. For the set-aside portion
of the acquisition, a small business concern
submitting an offer in its own name agrees
to furnish, in performing the contract, only
end items manufactured or produced by
small business concerns inside the United
States. The term United States includes its
territories and possessions, the
Commonwealth of Puerto Rico, the Trust
Territory of the Pacific Islands, and the
District of Columbia. If this procurement is
processed under simplified acquisition
procedures and the total amount of this
contract does not exceed $25,000, a small
business concern may furnish the product of
any domestic firm. This paragraph does not
apply in connection with construction or
service contracts.

**Note:** For all entities except American Samoa and Maryland, the dollar amount in the column “Estimated available funds” represents the total amount of funding that is available to establish new CILs in each State. Since these funds will be used to provide more than one year of support for the operation of new centers, the amount listed is not the amount that is available annually for grant awards in that State. In the case of American Samoa and Maryland, however, the source of funds indicated in the table is the FY 2010 CIL appropriation, rather than ARRA, and the funds do represent the amount available in this year. Please refer to the application package for each State’s annual amount per project period and the number of project periods applicable to each grant. The application package also contains information regarding the geographic area or areas in each State that applicants must propose to serve. The Department will not make awards to applicants in a State that was required to amend its SPIL in order to receive ARRA funds under the CIL program until the Department has approved the amendment to the SPIL.

**Note:** The Department is not bound by any estimates in this notice.

**Project Period:** Up to 60 months.

III. Eligibility Information

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: The program narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit the program narrative (Part III) to the equivalent of no more than 35 double-spaced pages, using the following standards:

• A "page" is 8.5" × 11", on one side only, with 1" margins at the top, bottom, and both sides.

The page limit does not apply to Part I, the Application and Instructions for Federal Assistance; Part IV, the assurances, certifications, and disclosures; or the one-page abstract. However, the page limit does apply to all of the program narrative section (Part III).

We will reject your application if you exceed the page limit or if you apply other standards and exceed the equivalent of the page limit.

Date of Pre-Application Meeting: Interested parties are invited to participate in a pre-application meeting and to receive information and technical assistance through individual consultation with Rehabilitation Services Administration (RSA) staff from the Office of Special Education and Rehabilitative Services. The pre-application meeting will be held on May 20, 2010. Interested parties may participate in this meeting by conference call with RSA staff between 1:00 p.m. and 3:00 p.m., Washington, DC time. Applications for grants under this program must be submitted electronically using the Electronic Grant Application system (e-Application) accessible through the Department’s e-Grants Web site at: http://e-grants.ed.gov.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions.

Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.
If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

1. You are a registered user of e-Application and you have initiated an electronic application for this competition; and

2. (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC, time, on the application deadline date; or

(b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC, time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. V. Application Review Information

1. Selection Criteria: The selection criteria for this program are in 34 CFR 366.27 and are listed in the application package.

2. Review and Selection Process: In selecting an application for an award under this program, an additional factor we consider is comments regarding the application, if any, by the Statewide Independent Living Council in the State in which the applicant is located.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant. In addition, the GAN includes terms and conditions necessary for effective implementation of data collection and accountability requirements under the ARRA.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to http://www.ed.gov/fund/grant/apply/appforms/appforms.html.

Some of the funds awarded through this competition were appropriated under the ARRA and are subject to additional accountability and transparency reporting requirements, which are described in section 1512(c) of the ARRA. Grantees receiving funds provided by the ARRA must be able to distinguish these funds from any other funds they receive through this program. Recipients of ARRA funds will be required to submit quarterly reports on the expenditure of these funds no later than ten days after the end of each calendar quarter through a centralized reporting Web site administered by the Office of Management and Budget (OMB): http://www.federalreporting.gov. The information reported at this Web site will be available to the Department, the White House, OMB, and the public on http://www.Recovery.gov. Additional guidance providing further detail on the quarterly report is available at: http://www2.ed.gov/policy/gen/leg/recovery/section-1512.html. Additional guidance on the use of ARRA funds by centers for independent living can be found at: http://www.ed.gov/print/policy/gen/leg/recovery/factsheet/rehab-act.html.

4. Performance Measures: Under the Government Performance and Results Act of 1993 (GPRA), the Department measures outcomes in the following three areas to evaluate the overall effectiveness of projects funded under this competition: (1) The effectiveness of individual services in enabling consumers to access previously unavailable transportation, appropriate accommodations to receive health care services, and/or assistive technology resulting in increased independence in at least one significant life area; (2) the effectiveness of individual services designed to help consumers move out of institutions and into community-based settings; and (3) the extent to which projects are participating in community activities to expand access to transportation, health care, assistive technology, and housing for individuals with disabilities in their communities.

Grantees will be required to report annually on the percentage of their consumers who achieve their individual goals in the first two areas and on the percentage of their staff, board members, and consumers involved in community activities related to the third area.

All grantees will be required to submit an annual performance report documenting their success in addressing these performance measures, as well as the standards and assurances in section 725 of the Act.
