

3. *Submission Dates and Times:* TASC funding is limited, and in order to assure sufficient resources are available to meet unanticipated needs during the fiscal year, TASC proposals will, generally, only be evaluated on a semi-annual basis. That is:

- Proposals received prior to, but not later than, 5 p.m. Eastern Daylight Time, June 11, 2010, will be considered for funding with other proposals received by that date;

- Proposals not approved for funding during the review period will be reconsidered for funding after the review period only if the applicant specifically requests such reconsideration in writing, and only if funding remains available;

- Proposals received after 5 p.m. Eastern Daylight Time, June 11, 2010, will be considered for funding only if funding remains available.

Notwithstanding the foregoing, a proposal may be submitted for expedited consideration under the TASC Quick Response process if, in addition to meeting all requirements of the TASC program, a proposal clearly identifies a time-sensitive activity. In these cases, a proposal may be submitted at any time for an expedited evaluation.

FAS will track the time and date of receipt of all proposals.

4. *Funding Restrictions:* Although funded projects may take place in the United States or abroad all eligible projects must specifically address sanitary, phytosanitary, or technical barriers to the export of U.S. specialty crops.

Certain types of expenses are not eligible for reimbursement by the program, such as the costs of market research, advertising, or other promotional expenses, as set forth in the written program agreement between CCC and the participant. CCC will also not reimburse unreasonable expenditures or any expenditure made prior to approval of a proposal.

5. *Other Submission Requirements:* All Internet-based applications must be properly submitted by 5 p.m., Eastern Daylight Time, June 11, 2010, to be considered. All applications submitted by email must be received by 5 p.m. Eastern Daylight Time, June 11, 2010, at [podadmin@fas.usda.gov](mailto:podadmin@fas.usda.gov).

#### V. Application Review Information

1. *Criteria:* FAS follows the evaluation criteria set forth in § 1487.6 of the TASC regulations.

2. *Review and Selection Process:* FAS will review proposals for eligibility and will evaluate each proposal against the criteria referred to above. The purpose

of this review is to identify meritorious proposals, recommend an appropriate funding level for each proposal based upon these factors, and submit the proposals and funding recommendations to the Deputy Administrator, Office of Trade Programs. FAS may, when appropriate, request the assistance of other U.S. government subject area experts in evaluating the merits of a proposal.

#### VI. Award Administration Information

1. *Award Notices:* FAS will notify each applicant in writing of the final disposition of its application. FAS will send an approval letter and agreement to each approved applicant. The approval letter and agreement will specify the terms and conditions applicable to the project, including levels of funding, timelines for implementation, and written evaluation requirements.

2. *Administrative and National Policy Requirements:* The agreements will incorporate the details of each project as approved by FAS. Each agreement will identify terms and conditions pursuant to which CCC will reimburse certain costs of each project. Agreements will also outline the responsibilities of the participant. Interested parties should review the TASC program regulations found at 7 CFR part 1487 in addition to this announcement. TASC program regulations are available at the following URL address: <http://www.fas.usa.gov/mos/programs/TASC%201487%201-1-06.pdf>. Hard copies may be obtained by contacting the Program Operations Division at (202) 720-4327.

3. *Reporting:* TASC participants will be required to submit a written report(s), on not less than an annual basis, and a final report, each of which evaluates their TASC project using the performance measures presented in the approved proposal, as set forth in the written program agreement.

### Commodity Credit Corporation

#### Notice of Funds Availability: Inviting Applications for the Market Access Program

*Announcement Type:* New.  
*Catalog of Federal Domestic Assistance (CFDA) Number:* 10.601.

**SUMMARY:** The Commodity Credit Corporation (CCC) announces that it is inviting proposals for the 2011 Market Access Program (MAP). The intended effect of this notice is to solicit applications from eligible applicants and award funds in October 2010. The MAP is administered by personnel of the Foreign Agricultural Service (FAS).

**DATES:** All applications must be received by 5 p.m. Eastern Daylight Time, June 11, 2010. Applications received after this date will not be considered.

**FOR FURTHER INFORMATION CONTACT:** Entities wishing to apply for funding assistance should contact the Program Operations Division, Office of Trade Programs, Foreign Agricultural Service, Portals Office Building, Suite 400, 1250 Maryland Avenue, SW., Washington, DC 20024, or by phone: (202) 720-4327, or by fax: (202) 720-9361, or by e-mail: [podadmin@fas.usda.gov](mailto:podadmin@fas.usda.gov). Information is also available on the FAS Web site at <http://www.fas.usda.gov/mos/programs/map.asp>.

#### SUPPLEMENTARY INFORMATION:

##### I. Funding Opportunity Description

*Authority:* The MAP is authorized under Section 203 of the Agricultural Trade Act of 1978, as amended. MAP regulations appear at 7 CFR part 1485.

*Purpose:* The MAP is designed to create, expand, and maintain foreign markets for U.S. agricultural commodities and products through cost-share assistance. Financial assistance under the MAP will be made available on a competitive basis, and applications will be reviewed against the evaluation criteria contained herein and in the MAP regulations. All U.S. agricultural commodities, except tobacco, are eligible for consideration.

The FAS allocates funds in a manner that effectively supports the strategic

decision-making initiatives of the Government Performance and Results Act (GPRA) of 1993 and the USDA's Food and Agricultural Policy (FAP). In deciding whether a proposed project will contribute to the effective creation, expansion, or maintenance of foreign markets, the FAS considers whether the applicant provides a clear, long-term agricultural trade strategy and a program effectiveness time line against which results can be measured at specific intervals using quantifiable product or country goals. The FAS also considers the extent to which a proposed project targets markets with the greatest growth potential. These factors are part of the FAS resource allocation strategy to fund applicants who can demonstrate performance and address the objectives of the GPRA and FAP.

## II. Award Information

Under the MAP, the CCC enters into agreements with eligible participants to share the cost of certain overseas marketing and promotion activities. MAP participants may receive assistance for generic or brand promotion activities. For generic activities, funding priority is given to organizations that have the broadest possible producer representation of the commodity being promoted and that are nationwide in membership and scope. Only non-profit U.S. agricultural trade organizations, nonprofit state regional trade groups (SRTGs), nonprofit U.S. agricultural cooperatives, and State agencies can participate directly in the brand program. The MAP generally operates on a reimbursement basis.

## III. Eligibility Information

*1. Eligible Applicants:* To participate in the MAP, an applicant must be a nonprofit U.S. agricultural trade organization, a nonprofit SRTG, a nonprofit U.S. agricultural cooperative, or a State agency. A small-sized U.S. commercial entity may participate through a MAP participant.

*2. Cost Sharing:* To participate in the MAP, an applicant must agree to contribute resources to its proposed promotional activities. The MAP is intended to supplement, not supplant, the efforts of the U.S. private sector. In the case of generic promotion, the contribution must be at least 10 percent of the value of resources provided by CCC for such generic promotion. In the case of brand promotion, the contribution must be at least 50 percent of the total cost of such brand promotion.

The degree of commitment of an applicant to the promotional strategies contained in its application, as

represented by the agreed cost share contributions specified therein, is considered by the FAS when determining which applications will be approved for funding. Cost-share may be actual cash invested or in-kind contributions, such as professional staff time spent on design and execution of activities. The MAP regulations, in section 1485.13(c), provide detailed discussion of eligible and ineligible cost-share contributions.

*3. Other:* Applications should include a justification for funding assistance from the program—an explanation as to what specifically could not be accomplished without federal funding assistance, and why participating organization(s) are unlikely to carry out the project without such assistance.

## IV. Application and Submission Information

*1. Address To Request Application Package:* Organizations are encouraged to submit their MAP applications to FAS through the Unified Export Strategy (UES) application Internet Web site. The UES allows interested applicants to submit a single consolidated and strategically coordinated proposal that incorporates requests for funding and recommendations for virtually all of the FAS marketing programs, financial assistance programs, and market access programs. The suggested UES format encourages applicants to examine the constraints or barriers to trade that they face, identify activities that would help overcome such impediments, consider the entire pool of complementary marketing tools and program resources, and establish realistic export goals.

Applicants planning to use the Internet-based system must contact the FAS/Program Operations Division to obtain Web site access information. The Internet-based application may be found at the following URL address: <https://www.fas.usda.gov/ues/webapp/>.

The FAS highly recommends applying via the Internet-based application as this format virtually eliminates paperwork and expedites the FAS processing and review cycle. However, applicants also have the option of submitting an electronic version of their application to FAS at [podadmin@fas.usda.gov](mailto:podadmin@fas.usda.gov).

*2. Content and Form of Application Submission:* To be considered for the MAP, an applicant must submit to the FAS information required by the MAP regulations in section 1485.13. In addition, in accordance with the Office of Management and Budget's policy (68 FR 38402 (June 27, 2003)) regarding the need to identify entities that are

receiving government awards, all applicants must submit a Dun and Bradstreet Data Universal Numbering System (DUNS) number. An applicant may request a DUNS number at no cost by calling the dedicated toll-free DUNS number request line at 1-866-705-5711.

Incomplete applications and applications that do not otherwise conform to this announcement will not be accepted for review.

The FAS administers various other agricultural export assistance programs including the Foreign Market Development Cooperator (Cooperator) program, the Emerging Markets Program, the Quality Samples Program, and the Technical Assistance for Specialty Crops program. Any organization that is not interested in applying for the MAP, but would like to request assistance through one of the other programs mentioned should contact the Program Operations Division.

*3. Submission Dates and Times:* All applications must be received by 5 p.m. Eastern Daylight Time, June 11, 2010. All MAP applicants, regardless of the method of submitting an application, must also submit by the application deadline, an original signed certification statement as specified in 7 CFR 1485.13(a)(2)(i)(G) at the following address: Program Operations Division, Office of Trade Programs, Foreign Agricultural Service, U.S. Department of Agriculture at: Portals Office Building, Suite 400, 1250 Maryland Avenue, SW., Washington, DC 20024. Applications or certifications received after this date will not be considered.

*4. Funding Restrictions:* Certain types of expenses are not eligible for reimbursement by the program, and there are limits on other categories of expenses. CCC also will not reimburse unreasonable expenditures or expenditures made prior to approval. Full details are available in the MAP regulations in section 1485.16.

## V. Application Review Information

*1. Criteria and Review Process:* Following is a description of the FAS process for reviewing applications and the criteria for allocating available MAP funds.

*(1) Phase 1—Sufficiency Review and FAS Divisional Review:*

Applications received by the closing date will be reviewed by the FAS to determine the eligibility of the applicants and the completeness of the applications. These requirements appear at sections 1485.12 and 1485.13 of the MAP regulations. Applications that meet the requirements then will be further evaluated by the appropriate

Commodity Branch in FAS' Cooperator Programs Division. The Commodity Branch will review each application against the criteria listed in section 1485.14 of the MAP regulations. The purpose of this review is to identify meritorious proposals and to recommend an appropriate funding level for each application based upon these criteria.

*(2) Phase 2—Competitive Review:*

Meritorious applications then will be passed on to the Office of the Deputy Administrator, Office of Trade Programs, for the purpose of allocating available funds among the applicants. Applicants will compete for funds on the basis of the following allocation criteria (the number in parentheses represents a percentage weight factor):

*(a) Applicant's Contribution Level (40)*

- The applicant's 4-year average share (2008–2011) of all contributions (cash and goods and services provided by U.S. entities in support of overseas marketing and promotion activities) compared to;
- The applicant's 4-year average share (2008–2011) of the funding level for all MAP participants.

*(b) Past Performance (30)*

- The 3-year average share (2007–2009) of the value of exports promoted by the applicant compared to;
- The applicant's 2-year average share (2009–2010) of the funding level for all MAP applicants plus, for those groups participating in the Cooperator program, the 2-year average share (2009–2010) of Cooperator marketing plan budgets.

*(c) Projected Export Goals (15)*

- The total dollar value of projected exports promoted by the applicant for 2011 compared to;
- The applicant's requested funding level;

*(d) Accuracy of Past Projections (15)*

- Actual exports for 2009 as reported in the 2011 MAP application compared to;
- Past projections of exports for 2009 as specified in the 2009 MAP application.

The Commodity Branches' recommended funding levels for each applicant are converted to percentages of the total MAP funds available and then multiplied by each weight factor as described above to determine the amount of funds allocated to each applicant.

*2. Anticipated Announcement Date:* Announcements of funding decisions for the MAP are anticipated during October 2010.

## VI. Award Administration Information

*1. Award Notices:* The FAS will notify each applicant in writing of the final disposition of its application. The FAS

will send an approval letter and program agreement to each approved applicant. The approval letter and program agreement will specify the terms and conditions applicable to the project, including the levels of MAP funding and cost-share contribution requirements.

*2. Administrative and National Policy Requirements:* Interested parties should review the MAP regulations, which are available at the following URL address: <http://www.fas.usda.gov/mos/programs/map.asp>. Hard copies may be obtained by contacting the Program Operations Division.

*3. Reporting:* The FAS requires various reports and evaluations from MAP participants. Reporting requirements are detailed in the MAP regulations in section 1485.20(b) and (c).

#### Publication of OIG Updated Special Fraud Alert on Telemarketing by Durable Medical Equipment Suppliers

**AGENCY:** Office of Inspector General (OIG), HHS.

**ACTION:** Notice; correction.

**SUMMARY:** This document sets forth a correction to the OIG **Federal Register** notice published on January 10, 2010 (75 FR 2105), addressing our recently issued Updated Special Fraud Alert. Specifically, the Updated Special Fraud Alert addressed the statutory provision prohibiting durable medical equipment suppliers from making unsolicited telephone calls to Medicare beneficiaries regarding the furnishing of a covered item. An inadvertent error appeared on the heading line in section II of that document regarding the final issuance date of the notice. Accordingly, we are correcting that issuance date to
