Title: Program for International Student Assessments (PISA) 2012 Recruitment and Field Test.

Frequency: Annually.

Affected Public: Individuals or household.

Reporting and Recordkeeping Hour Burden:

Responses: 2,087.

Burden Hours: 1,057.

Abstract: The Program for International Student Assessment (PISA) is an international assessment that focuses on 15-year-olds' capabilities in reading, mathematics, and science literacy. It was first implemented by the National Center for Education Statistics (NCES) in 2000 and has been administered every 3 years since. This submission is for the fifth cycle in the series, PISA 2012, and requests OMB approval for field test and main study recruitment, field trial data collection, and a waiver of the 60-day **Federal Register** notice for the main study clearance in 2012. As in 2003, in PISA 2012, mathematics will be the major subject domain. The field test will also include computer-based assessments in reading, science, and general problem solving, and an assessment of financial literacy in a paper-and-pencil format. The United States may decide to participate in these components in the main study as well, based on the results of the field test. In addition to assessment data, PISA provides background information on school context and student demographics to benchmark performance and inform policy. School recruitment for the field test will begin in September 2010 with data collection beginning in March 2011. Main study recruitment will begin in September 2011 with data collection beginning in September 2012. The PISA 2012 field test sample will include about 35 schools (main study sample about 150) and about 1,600 students (4,500–5,700 for the main study, depending on the components administered). In January 2011 NCES will submit the final field trial instruments to OMB; then, following the field test study, in May 2011, NCES will

submit to OMB the final main study recruitment materials, design, and burden; and in spring 2012, NCES will submit the final main study instruments.

Federal Student Aid; Leveraging Educational Assistance Partnership, Special Leveraging Educational Assistance Partnership, and Grants for Access and Persistence Programs

Catalog of Federal Domestic Assistance (CFDA) Number: 84.069.

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of the deadline dates for receipt of State applications for Award Year 2010–2011 funds.

SUMMARY: This notice provides the deadline dates for receipt of State applications for Award Year 2010–2011 funds under the Leveraging Educational Assistance Partnership (LEAP), Special Leveraging Educational Assistance Partnership (SLEAP), and Grants for Access and Persistence (GAP) programs.

The LEAP and SLEAP programs, authorized under title IV, part A, subpart 4 of the Higher Education Act of 1965, as amended (HEA), assist States in providing aid to students with substantial financial need to help them pay for their postsecondary education costs through matching formula grants to States. The GAP Program was authorized under section 415E of the HEA, which was amended as a result of

the Higher Education Opportunity Act of 2008 (HEOA). The GAP Program assists States in establishing partnerships to provide eligible students with LEAP Grants under GAP to attend institutions of higher education and to encourage increased participation in early information and intervention, mentoring, or outreach programs. The GAP Program replaces the SLEAP Program. However, section 415E(j) of the HEA, as amended by the HEOA, provides that for the two-year period that began on August 14, 2008, the date of enactment of the HEOA, a State may continue to make grants under the SLEAP Program, *i.e.*, through the 2010–2011 award year. The 2010–2011 award year is the last award year in which States will be able to apply for SLEAP funding. States that choose to apply for either SLEAP or GAP funding must first apply for LEAP funding and be deemed eligible and must subsequently participate in the LEAP Program in the 2010–2011 award year to receive funding under either SLEAP or GAP.

Under section 415C(a) of the HEA, a State must submit an application to participate in the LEAP, SLEAP, or GAP programs through the State agency that administered its LEAP Program as of July 1, 1985, unless the Governor of the State has subsequently designated, and the Department has approved, a different State agency to administer the LEAP Program.

DATES: To assure funding under the LEAP, SLEAP, or GAP programs for Award Year 2010–2011, a State must meet the applicable deadline date. Applications submitted electronically must be received by 11:59 p.m. (Eastern time) June 1, 2010. Paper applications must be received by May 25, 2010.
