

Dated: April 29, 2010.

Lawrence E. Starfield,

Deputy Regional Administrator, Region 6.

■ For the reasons set out in this document, 40 CFR part 300 is amended as follows:

PART 300—[AMENDED]

■ 1. The authority citation for part 300 continues to read as follows:

Authority: 33 U.S.C. 1321(c)(2); 42 U.S.C. 9601–9657; E.O. 12777, 56 FR 54757, 3 CFR, 1991 Comp., p. 351; E.O. 12580, 52 FR 2923; 3 CFR, 1987 Comp., p. 193.

APPENDIX B—[AMENDED]

■ 2. Table 1 of Appendix B to part 300 is amended by removing the entry “Ruston Foundry, Alexandria, LA.” [FR Doc. 2010–11306 Filed 5–13–10; 8:45 am]

BILLING CODE 6560–50–P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[MB Docket Nos. 07–294; 06–121; 02–277; 04–228, MM Docket Nos. 01–235; 01–317; 00–244; FCC 10–49]

Promoting Diversification of Ownership in the Broadcasting Services

AGENCY: Federal Communications Commission.

ACTION: Final rule; correction and correcting amendments.

SUMMARY: The Federal Communications Commission published in the **Federal Register** of May 16, 2008 (73 FR 28361), a Report and Order concerning steps the Commission took to increase participation in the broadcasting industry by new entrants and small businesses, including minority- and women-owned business. This document corrects the Report and Order by substituting the word “ethnicity” for “gender” in explaining the requirements for broadcasters to certify that their advertising contracts do not discriminate on the basis of race or ethnicity and that such contracts contain nondiscrimination clauses. In this document, the FCC also corrects the rules in 47 CFR 73.3555 and 73.5008 published at 73 FR 28361, May 16, 2008, related to steps the Commission took to increase participation in the broadcasting industry by eligible entities, including minority- and women-owned businesses.

DATES: The amendments to 47 CFR 73.3555 and 73.5008 in this rule are

effective May 14, 2010, and Form 303–S will become effective 30 days after the Commission publishes a document in the **Federal Register** announcing approval by the Office of Management and Budget.

FOR FURTHER INFORMATION CONTACT:

Amy Brett, (202) 418–2703.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission’s Third Erratum, FCC 10–49, adopted March 29, 2010 and released March 29, 2010. In FR Doc. E8–11039 the Federal Communications Commission published a Report and Order in the **Federal Register** of May 16, 2008 (73 FR 28361) in FCC 07–217.

On page 28364, in the first column, paragraph 11, the Commission inadvertently used the word “gender” instead of “ethnicity.” This document corrects that error and revises the language to read as follows:

The Commission finds that discriminatory practices have no place in broadcasting and concludes that it is appropriate for the Commission to require broadcasters renewing their licenses to certify that their advertising contracts do not discriminate on the basis of race or ethnicity and that such contracts contain nondiscrimination clauses.

Also, in this document the Commission amends Note 2(i) of 47 CFR 73.3555 and 47 CFR 73.5008(c), published at 73 FR 28361, May 16, 2008, so the rules accurately reflect the Commission’s intent.

Need for Correction

As published, the final regulations contain inadvertent errors which need to be corrected.

List of Subjects in 47 CFR Part 73

Radio, Television.

Federal Communications Commission.

Bulah Wheeler,

Acting Associate Secretary.

■ Accordingly, 47 CFR part 73 is corrected by making the following correcting amendments:

PART 73—RADIO BROADCAST SERVICES

■ 1. The authority citation for part 73 continues to read as follows:

Authority: 47 U.S.C. 154, 303, 334, 336, and 339.

■ 2. Revise paragraph i. of Note 2 to § 73.3555, to read as follows:

§ 73.3555 Multiple ownership.

* * * * *

i.1. Notwithstanding paragraphs e. and f. of this Note, the holder of an equity or debt interest or interests in a broadcast licensee, cable television

system, daily newspaper, or other media outlet subject to the broadcast multiple ownership or cross-ownership rules (“interest holder”) shall have that interest attributed if:

A. The equity (including all stockholdings, whether voting or nonvoting, common or preferred) and debt interest or interests, in the aggregate, exceed 33 percent of the total asset value, defined as the aggregate of all equity plus all debt, of that media outlet; and

B.(i) The interest holder also holds an interest in a broadcast licensee, cable television system, newspaper, or other media outlet operating in the same market that is subject to the broadcast multiple ownership or cross-ownership rules and is attributable under paragraphs of this note other than this paragraph i.; or

(ii) The interest holder supplies over fifteen percent of the total weekly broadcast programming hours of the station in which the interest is held. For purposes of applying this paragraph, the term, “market,” will be defined as it is defined under the specific multiple ownership rule or cross-ownership rule that is being applied, except that for television stations, the term “market,” will be defined by reference to the definition contained in the local television multiple ownership rule contained in paragraph (b) of this section.

2. Notwithstanding paragraph i.1. of this Note, the interest holder may exceed the 33 percent threshold therein without triggering attribution where holding such interest would enable an eligible entity to acquire a broadcast station, provided that:

i. The combined equity and debt of the interest holder in the eligible entity is less than 50 percent, or

ii. The total debt of the interest holder in the eligible entity does not exceed 80 percent of the asset value of the station being acquired by the eligible entity and the interest holder does not hold any equity interest, option, or promise to acquire an equity interest in the eligible entity or any related entity. For purposes of this paragraph i.2, an “eligible entity” shall include any entity that qualifies as a small business under the Small Business Administration’s size standards for its industry grouping, as set forth in 13 CFR 121.201, at the time the transaction is approved by the FCC, and holds:

A. 30 percent or more of the stock or partnership interests and more than 50 percent of the voting power of the corporation or partnership that will own the media outlet; or

B. 15 percent or more of the stock or partnership interests and more than 50 percent of the voting power of the corporation or partnership that will own the media outlet, provided that no other person or entity owns or controls more than 25 percent of the outstanding stock or partnership interests; or

C. More than 50 percent of the voting power of the corporation that will own the media outlet if such corporation is a publicly traded company.

* * * * *

■ 3. Section 73.5008 is amended by revising paragraph (c) to read as follows:

§ 73.5008 Definitions applicable for designated entity provisions.

* * * * *

(c)(1) An attributable interest in a winning bidder or in a medium of mass communications shall be determined in accordance with § 73.3555 and Note 2 to § 73.3555. In addition, any interest held by an individual or entity with an equity and/or debt interest(s) in a winning bidder shall be attributed to that winning bidder for purposes of determining its eligibility for the new entrant bidding credit, if the equity (including all stockholdings, whether voting or nonvoting, common or preferred) and debt interest or interests, in the aggregate, exceed thirty-three (33) percent of the total asset value (defined as the aggregate of all equity plus all debt) of the winning bidder.

(2) Notwithstanding paragraph (c)(1) of this section, where the winning bidder is an eligible entity, the combined equity and debt of the interest holder in the winning bidder may exceed the 33 percent threshold therein without triggering attribution, provided that:

(i) The combined equity and debt of the interest holder in the winning bidder is less than 50 percent, or

(ii) The total debt of the interest holder in the winning bidder does not exceed 80 percent of the asset value of the winning bidder and the interest holder does not hold any equity interest, option, or promise to acquire an equity interest in the winning bidder or any related entity. For purposes of paragraph (c)(2) of this section, an "eligible entity" shall include any entity that qualifies as a small business under the Small Business Administration's size standards for its industry grouping, as set forth in 13 CFR 121.201, at the time the transaction is approved by the FCC, and holds:

(A) 30 percent or more of the stock or partnership interests and more than 50 percent of the voting power of the corporation or partnership that will own the media outlet; or

(B) 15 percent or more of the stock or partnership interests and more than 50 percent of the voting power of the corporation or partnership that will own the media outlet, provided that no other person or entity owns or controls more than 25 percent of the outstanding stock or partnership interests; or

(C) More than 50 percent of the voting power of the corporation that will own the media outlet if such corporation is a publicly traded company.

BILLING CODE 6712-01-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 97

[WT Docket No. 10-62; FCC 10-38]

Amateur Service Rules

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: This document revises the Amateur Radio Service rules to make certain non-substantive revisions to these rules. The rules are necessary to amend the amateur service rules or conform them to prior Commission decisions. The effect of this action is to enhance the usefulness of the amateur service rules by making them conform with other Commission rules, thereby eliminating licensee confusion when applying the rules to amateur service operations.

DATES: Effective July 13, 2010.

FOR FURTHER INFORMATION CONTACT: William T. Cross, Mobility Division, Wireless Telecommunications Bureau, at (202) 418-0680, or TTY (202) 418-7233.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's *Order* (Order), adopted March 11, 2010, and released March 16, 2010. The full text of this document is available for inspection and copying during normal business hours in the FCC Reference Center, 445 12th Street, SW., Washington, DC 20554. The complete text may be purchased from the Commission's copy contractor, Best Copy and Printing, Inc., 445 12th Street, SW., Room CY-B402, Washington, D.C. 20554. The full text may also be downloaded at: <http://www.fcc.gov>. Alternative formats are available to persons with disabilities by sending an e-mail to fcc504@fcc.gov or by calling the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (tty).

1. By this action, we are amending the amateur service rules to revise 47 CFR 97.313(c) to limit Novice Class operators and Technician Plus Class operators to two hundred watts peak envelope power when these licensees are the control operator of a station transmitting in the segments of the 80, 40, 15, and 10 meter bands in which they may control an amateur station.

2. Also, by this action, we are also amending the amateur service rules to revise 47 CFR 97.301 and 97.303 related to the 40m, 60 m, 70 cm, and 9 cm bands to conform to the Table of Frequency Allocations in part 2 of our rules, and to references within the relevant sections of our rules. We also revise the frequency sharing requirements in 47 CFR 97.303 to limit the summary to those frequency bands that are allocated to the amateur service on a secondary basis, and to present the requirements more clearly.

3. In addition, we move transmitter power limit information that applies to stations transmitting a spread spectrum emission from 47 CFR 97.303(s) to 47 CFR 97.313. Transmitter power standards. Finally, we amend 47 CFR 97.103(c) to delete the cross-reference to 47 CFR 0.314(x), which was removed in 1999; and we remove the entry "1260-1270 MHz" from 47 CFR 97.207(c), which lists the frequency bands authorized to amateur space stations, because footnote 5.282 to the Table limits the use of that segment to earth station transmissions.

4. In the *Order*, we amend the amateur service rules to conform them to previous Commission decisions. The amended rules apply exclusively to individuals who are licensees in the Amateur Radio Service. Such amendments are in the public interest because they will clarify and conform the amateur service rules to other parts of the Commission's rules and previous decisions. The rule changes do not result in any mandatory change in manufactured amateur radio equipment or have any impact on business entities because such entities are not eligible for licensing in the amateur service. Therefore, we certify that the rules reflected in this *Order* will not have a significant economic impact on a substantial number of small entities.

5. The amended rules are set forth below, effective July 13, 2010.

6. This *Order* and the rule amendments are issued under the authority contained in 47 U.S.C. 154(i) and (j), 303(r) and 403.

7. The Commission's Consumer and Governmental Affairs Bureau, Reference Information Center, SHALL SEND a copy of this *Order*, including the Initial
