2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act\textsuperscript{13} in general, and furthers the objectives of Section 6(b)(5) of the Act\textsuperscript{14} in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system, by allowing the Exchange to list a single cent strike for each expiration month of foreign currency options opened for trading and thereby provide investors with the ability to engage in previously unavailable spot foreign currency trading strategies.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act\textsuperscript{15} and Rule 19b–4(f)(6)\textsuperscript{16} thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Trade Reporting Facility Limited Liability Company Agreements

May 10, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")\textsuperscript{1} and Rule 19b–4 thereunder,\textsuperscript{2} notice is hereby given that on April 27, 2010, the Financial Industry Regulatory Authority, Inc. ("FINRA") (f/k/a National Association of Securities Dealers, Inc. ("NASD")\textsuperscript{3}) filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as being concerned solely with the administration of the self-regulatory organization under Section 19(b)(3)(A)(ii) of the Act\textsuperscript{3} and Rule 19b–4(f)(2)\textsuperscript{4} thereunder, which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

\textsuperscript{1} 17 CFR 200.30–3(a)(12).

\textsuperscript{12} The Exchange believes that, as borne out in the current economic crisis, market participants benefit from being able to trade options in an exchange environment in several ways, including, but not limited to, the following: (1) Regulatory oversight of the options exchanges/markets; (2) increased market transparency; and (3) heightened counterparty creditworthiness due to the role of The Options Clearing Corporation ("OCC") as issuer and guarantor of options including FCO Products.

\textsuperscript{17} 17 CFR 240.19b–4(f)(2).

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to make technical changes to the Trade Reporting Facility limited liability company agreements, as they appear in the FINRA Manual, to reflect that the agreements were amended and restated following the formation of FINRA through the consolidation of NASD and the member regulatory functions of NYSE Regulation. The proposed rule change does not require amendments to any FINRA rules.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The FINRA Trade Reporting Facilities (“TRFs”) are mechanisms for reporting trades in NMS stocks effected otherwise than on an exchange. Currently, there are two TRFs in operation: The FINRA/Nasdaq TRF and the FINRA/NYSE TRF. At the time the TRFs were established, FINRA (then NASD) entered into limited liability company agreements with the respective Business Members, Nasdaq Stock Market (now known as Nasdaq OMX Group) and New York Stock Exchange (the “TRF LLC Agreements”).

Following the establishment of the TRFs, FINRA was formed through the consolidation of NASD and the member regulatory functions of NYSE Regulation, effective July 30, 2007. FINRA and the TRF Business Members subsequently executed amended and restated TRF LLC Agreements to reflect the formation of FINRA and updated the schedules to reflect new TRF officers and directors.

FINRA is proposing to make technical changes to the TRF LLC Agreements, as they appear in the FINRA Manual, to reflect the amended and restated agreements and updated schedules. The terms and conditions of the amended and restated TRF LLC Agreements are substantively identical to those of the original TRF LLC Agreements. In this filing, FINRA is not proposing to amend any FINRA rules.

FINRA has filed the proposed rule change for immediate effectiveness. The effective date and the implementation date will be the date of filing.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change will enhance the information available to members and the public regarding FINRA’s TRF LLC Agreements.

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective upon filing pursuant to Section 19(b)(3)(A) of the Act and paragraph (f)(3) of Rule 19b-4 thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SEcurities and EXCHANGE COMMISSION

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Establish Strike Price Intervals and Trading Hours for Options on Index Linked Securities

May 10, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) 1 and Rule 19b–4 thereunder, 2 notice is hereby given that, on April 28, 2010, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to Rule 6.4 Commentary .02, to establish trading hours for these products. The text of the proposed rule change is available on NYSE Arca’s Web site at http://www.nyse.com, on the Commission’s Web site at http://www.sec.gov, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend Rule 6.4 Commentary .02 to establish strike price intervals and trading hours for options on Index-Linked Securities (“ILS”), also known as Exchange-Traded Notes (“ETN”), prior to the Exchange actually listing and trading these products.

The Commission has approved the Exchange’s proposal, as well as the proposals of other options exchanges, to enable the listing and trading of options on ILS (ETN).4 Options trading has not commenced to date and is contingent upon the Commission’s approval of The Options Clearing Corporation’s (“OCC”) proposed supplement to the Options Disclosure Document ("ODD") that will provide disclosure regarding options on Index-Linked Securities.5

$1 Strikes for ILS (ETN) Options

Prior to the commencement of trading options on Index-Linked Securities, the Exchange is proposing to establish strike price intervals of $1 will be permitted where the strike price is less than $200. Where the strike price is greater than $200, $5 strikes will be permitted. These proposed changes are reflected by the addition to Commentary .05 to Rule 6.4.

The Exchange is seeking to establish $1 strikes for ILS (ETN) options where the strike price is less than $200 because the Exchange believes the marketplace and investors will be expecting these types of options to trade in a similar manner to options on exchange-traded funds ("ETFs"). Strike prices for ETF options are permitted in $1 or greater intervals where the strike price is $200 or less and $5 or greater where the strike price is greater than $200. Accordingly, the Exchange believes that the rationale for permitting $1 strikes for ETF options equally applies to permitting $1 strikes for ILS (ETN) options, and that investors will be better served if $1 strike price intervals are available for ILS (ETN) options where the strike price is less than $200. The Exchange believes that $1 strike price intervals for options on Index-Linked Securities will provide investors with greater flexibility by allowing them to establish positions that are better tailored to meet their investment objectives.

Trading Hours for ILS (ETN) Options

The Exchange proposes to amend Commentary .02 to Rule 7.1 to provide that options on exchange-traded notes including Index-Linked Securities may be traded on the Exchange until 1:15 p.m. (Pacific Time) each business day. This will establish similar trading hours for ILS (ETN) options as the currently-established trading hours for ETF options.

The Exchange expects that other option exchanges that have adopted rules providing for the listing and trading of options on Index-Linked Securities has or will submit similar proposals.6

The Exchange has analyzed its capacity and believes the Exchange and the Options Price Reporting Authority (“OPRA”) have the necessary systems capacity to handle the additional traffic associated with the listing and trading of $1 strikes where the strike price is less than $200 for ILS (ETN) options.

B. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) 7 of the Securities Exchange Act of 1934 (the “Act”), in general, and furthers the objectives of Section 6(b)(5) 8 in particular in that it is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove
