

751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

In this proceeding, the Department agrees with the Petitioners that additional time is necessary to complete the final results of this administrative review. Because the Department had to reschedule its cost verification due to inclement weather, the Department intends to conduct its cost verification in July 2010. In order to ensure that interested parties have sufficient time to analyze and comment on the verification report, we determine it is not practicable to complete this administrative review within the original time limit. Consequently, the Department is extending the time limit for completion of the final results of this review by 60 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due October 12, 2010, since the revised deadline falls on a Sunday and the following day is a federal holiday.

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: May 11, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: This program provides a grant to an eligible entity to establish a national interpreter training program that will assist ongoing regional training centers to train a

sufficient number of qualified interpreters in order to meet the communications needs of individuals who are deaf or hard of hearing and individuals who are deaf-blind.

Priorities: These priorities are from the notice of final priorities for this program, published in the **Federal Register** on August 3, 2005 (70 FR 44841).

Definitions: For the purpose of these priorities, we use the following definitions:

Deaf means individuals who are deaf, hard of hearing, late deafened, or deaf-blind. The term makes no reference or judgment of preferred mode of communication or language preference.

Interpreter means individuals, both hearing and deaf, who provide interpreting or transliterating, or both, for deaf, hard of hearing, and deaf-blind individuals using a variety of languages and modes of communication including but not limited to American Sign Language, Conceptually Accurate Signed English, other forms of signed English, oral communication, tactile communication, and cued speech.

National Interpreter Education Center means a project supported by the Rehabilitation Services Administration (RSA) to— (1) Coordinate the activities of the Regional Interpreter Education Centers; (2) ensure the effectiveness of the educational opportunities offered by the Regional Interpreter Education Centers; (3) ensure the effectiveness of the program as a whole by evaluating and reporting outcomes; (4) provide technical assistance to the field on effective practices in interpreter education; and (5) provide educational opportunities for interpreter educators.

Novice interpreter means an interpreter who has graduated from an interpreter training program and demonstrates language fluency in American Sign Language and in English, but lacks experience working as an interpreter.

Qualified interpreter means an interpreter who is able to interpret effectively, accurately, and impartially both receptively and expressively, using any necessary specialized vocabulary. This definition, which is mentioned in the Senate Report for the Rehabilitation Act Amendments of 1998, Senate Report 105-106 (Second Session 1998), is one way for States to determine if interpreters are sufficiently qualified and is based on the standard specified in regulations implementing titles II and III of the Americans with Disabilities Act of 1990.

Regional Interpreter Education Center means a coordinated regional center to provide quality educational

opportunities for interpreters at all skill levels.

Training and education will be used interchangeably.

Absolute Priority: For FY 2010 this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Priority One—National Interpreter Education Center.

The purpose of this priority is to support a National Interpreter Education Center (National Center) to coordinate the activities of the Regional Interpreter Education Center or Centers, to ensure the effectiveness of the educational opportunities offered by the Regional Interpreter Education Center or Centers, to ensure the effectiveness of the program as a whole by evaluating and reporting outcomes, to provide technical assistance to the field on effective practices in interpreter education, and to provide educational opportunities for interpreter educators. In conducting its activities, the National Center must ensure the provision of quality educational opportunities with substantial consumer involvement throughout the process and with a specific focus on interpreting for consumers of vocational rehabilitation (VR) services.

The National Center funded under this priority must do the following:

- Identify and promote effective practices in interpreter education and provide technical assistance to the Regional Interpreter Education Center or Centers and the field on effective practices in interpreter education.

- Provide educational opportunities (based on the model curriculum developed for interpreter educators under Grant Number H160C030001, www.asl.neu.edu/TIEM.online/mm_curriculum.html) to working interpreter educators who need to obtain, enhance, or update their training on effective practices in interpreter education and to new interpreter educators.

- Promote improved education of interpreters and coordinate the interpreter education activities of the Regional Interpreter Education Center or Centers by—

- (1) Developing “Program Quality Indicators” for this program, including the Regional Interpreter Education Center or Centers, and measuring performance against these indicators;

- (2) Conducting education needs assessments and, based on the results, developing educational activities for delivery through the Regional Interpreter Education Center or Centers;

(3) Collecting, analyzing, and reporting to RSA the pre- and post-assessment data of the educational activities conducted through the Regional Interpreter Education Center or Centers;

(4) Ensuring that educational opportunities are available to individuals from a variety of cultural and linguistic backgrounds and are sensitive to the needs of those audiences; and

(5) Ensuring that deaf consumers are involved in every aspect of the project.

- Develop effective products for use by the Regional Interpreter Education Center or Centers in support of their educational activities for interpreters (e.g., CDs, DVDs, Web-based materials, etc.).

- Promote the educational activities of the Regional Interpreter Education Center or Centers and disseminate information to the field through activities such as—developing and maintaining a program Web site; providing materials to the RSA-sponsored National Clearinghouse on Rehabilitation Training Materials; developing and using Web-based activities such as e-newsletters, interpreter forums, consumer forums, events calendars, etc.; making presentations on results of project activities at national conferences related to interpreting and interpreter education; and making presentations on results of project activities at consumer conferences.

- Collect, evaluate, and report to RSA qualitative and quantitative data on the educational activities of the Regional Interpreter Education Center or Centers. Data must be based on clear, measurable goals that are clearly linked to results.

- Use the data about the individual educational activities to demonstrate overall program effectiveness. Data must be based on clear, measurable goals that are clearly linked to results.

- Coordinate all activities conducted under this program, including the activities of the National Center and the Regional Interpreter Education Center or Centers, to ensure effective use of resources and consistency of quality interpreter educational opportunities to individuals in all geographic areas of the country.

- Set aside 10 percent of the project's annual budget submitted to RSA to cover the costs of specific collaborative activities between the National Center and the Regional Interpreter Education Center or Centers including, but not limited to, travel, communications, materials development, Web site development, and other collaborative efforts.

Fourth and Fifth Years of Project:

In deciding whether to continue this project for the fourth and fifth years, the Secretary will consider the requirements of 34 CFR 75.253(a) for continuation awards. The Secretary will also consider the following:

- The recommendation of a review team consisting of experts selected by the Secretary. The team will conduct its review in Washington, DC, during the first half of the project's third year. A project must budget for the travel associated with this one-day intensive review.

- The timeliness and effectiveness with which all requirements of the award have been or are being met by the project.

- Evidence of the degree to which the project's activities have contributed to changed practices and improved the quality of interpreters.

Competitive Preference Priority: For FY 2010 this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(ii) we give preference to an application that meets this priority over an application of comparable merit that does not meet the priority.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 directs Federal departments and agencies to improve

the effectiveness of programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goal of the Training of Interpreters for Individuals Who Are Deaf or Hard of Hearing and Individuals Who Are Deaf-Blind program is to establish interpreter training programs or to assist ongoing training programs to train a sufficient number of qualified interpreters in order to meet the communications needs of individuals who are deaf or hard of hearing and individuals who are deaf-blind.

As required by the absolute priority, grantees must develop and implement quality indicators and measure their performance against these indicators. In addition, RSA will use the following indicators for the National Interpreter Education Center project:

- The percentage of interpreter educators receiving educational opportunities (based on the model curriculum developed for interpreter educators under Grant Number H160C030001) from the National Center and who successfully completed those opportunities as demonstrated through pre- and post-activity assessments, the development of portfolios, etc.
- The extent to which the educational activities and products for delivery through the five Regional Interpreter Education Centers meet the clear, measurable goals that the grantee is required to establish. This may include, but is not limited to, providing a detailed list of organizations, individuals, and State VR agencies that received information related to the activities of both the National and Regional Interpreter Education Center projects.
- The degree to which the project's activities have contributed to changed practices and improved the quality of interpreters. In order to effectively measure this outcome the National Center must provide quantitative and qualitative examples describing how its activities, trainings, and publications improved the quality of interpreters.
- The percentage of all State VR agencies within a specific geographic region who receive publications, trainings, and technical assistance from both their Regional Interpreter Education Center and the National Center.

The National Center grantee must report annually to RSA on these indicators through its annual performance report.
