II. Background
To help us carry out our conservation responsibilities for affected species, the Endangered Species Act of 1973, section 10(a)(1)(A), as amended (16 U.S.C. 1531 et seq.) require that we invite public comment before final action on these permit applications.

Applicant: Zoological Society of San Diego, San Diego, CA; PRT-09145A
The applicant requests a permit to import one female captive bred giant panda (Ailuropoda melanoleuca) born at the zoo in 2005 and owned by the Government of China, to the Wolong Nature Reserve, China under the terms of their loan agreement with the China Wildlife Conservation Association. This export is part of the approved loan program for the purpose of enhancement of the survival of the species through scientific research. The following applicants each request a permit to conduct certain activities with endangered species (75 FR 9251).

Applicant: University of California, San Diego, CA; PRT-236267
On March 1, 2010, we published a Federal Register notice inviting the public to comment on an application for permits to conduct certain activities with endangered species (75 FR 9251). We made an error and neglected to report one species from which specimens would be obtained. In addition to the three species listed, DNA and/or cell lines from the Sumatran orangutan (Pongo abelii) would be obtained for the purpose of scientific research.
