RIN 1400–AC57

Schedule of Fees for Consular Services, Department of State and Overseas Embassies and Consulates

AGENCY: Bureau of Consular Affairs, State.

ACTION: Interim final rule.

SUMMARY: Further to the Department’s proposed rule to amend the Schedule of Fees for Consular Services (Schedule) for nonimmigrant visa and border crossing card application processing fees, this rule raises from $131 to $140 the fee charged for the processing of an application for most non-petition-based nonimmigrant visas (Machine-Readable Visas or MRVs) and adult Border Crossing Cards (BCCs). The rule also provides new tiers of the application fee for certain categories of petition-based nonimmigrant visas and treaty trader and investor visas (all of which are also MRVs). Finally, the rule increases the $13 BCC fee charged to Mexican citizen minors who apply in Mexico, and whose parent or guardian already has a BCC or is applying for one, by raising that fee to $14 by virtue of a congestionally mandated surcharge that went into effect in 2009. The Department of State is adjusting the fees to ensure that sufficient resources are available to meet the costs of providing consular services in light of an independent cost of service study’s findings that the U.S. Government is not fully covering its costs for the processing of these visas under the current cost structure. Eighty-one comments were received during the period for public comment, and this rule also addresses a comment received about a prior change to the MRV fee implemented on January 1, 2008. This rule addresses comments received thus far, and reopens the comment period on these fees for an additional 60 days.

DATES: Effective Date: This interim final rule becomes effective June 4, 2010. Comment date: Written comments must be received on or before July 19, 2010.

ADDRESSES: Interested parties may contact the Department by any of the following methods:

- Persons with access to the Internet may view this notice and submit comments by going to the regulations.gov Web site at: http://www.regulations.gov/index.cfm.
- E-mail: fees@state.gov. You must include the RIN (1400–AC57) in the subject line of your message.

SUPPLEMENTARY INFORMATION:
Background

The Department published a proposed rule in the Federal Register, 74 FR 66076, on December 14, 2009, proposing to amend 22 CFR 22.1. Specifically, the rule proposed changes to the Schedule of Fees for Consular Services for nonimmigrant visa and border crossing card application processing fees, and provided 60 days for comments from the public. In response to requests by the public for more information and a further opportunity to submit comments, the Department subsequently published a supplementary notice in the Federal Register, 75 FR 14111, on March 24, 2010 (Public Notice 6928). The supplementary notice provided a more detailed explanation of the Cost of Survey Study (CoSS), the activity-based costing model that the Department used to determine the proposed fees for consular services and reopened the comment period for an additional 15 days. During this and the previous 60-
