The roll will be used as the basis for distributing the judgment funds awarded by the Indian Claims Commission to the Western Shoshone Identifiable Group of Indians in Docket No. 326–K. Department of the Interior regulations at 25 CFR 61.4(k) set out the eligibility requirements for inclusion on this roll. To be eligible a person must:

2. Be an individual who was a member of the eligible group on the day before the date of the judgment roll.

(ii) Be living on July 7, 2004;
(iii) Be a citizen of the United States; and
(iv) Not be certified by the Secretary to be eligible to receive a per capita payment from any other judgment fund based on an aboriginal land claim awarded by the Indian Claims Commission, the United States Claims Court, or the United States Court of Federal Claims, that was appropriated on or before July 7, 2004.

The Secretary will use Indian census rolls prepared by the Agents or Superintendents at Carson or Western Shoshone Agencies between the years of 1885 and 1940 and other documents acceptable to the Secretary in establishing proof of eligibility of an individual to be listed on the judgment roll and receive a per capita payment under the Western Shoshone Claims Distribution Act.

In the preamble to the regulation governing the creation of the roll of Western Shoshone identifiable group of Indians for judgment fund distribution, the Bureau of Indian Affairs set out a non-regulatory formula for determining the application deadline. Because that formula has proven to be administratively impractical to administer, the Bureau of Indian Affairs, in conjunction with tribal leaders and the Western Shoshone Claims Steering Committee, has selected an application deadline that approximates what the deadline would be under the formula in the preamble, if that formula had been worked as intended.

Notice of Proposed Withdrawal Extension and Public Meeting; Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The United States Forest Service (USFS) has filed an application with the Bureau of Land Management (BLM) that proposes to extend the duration of Public Land Order (PLO) No. 6880, as corrected by PLO No. 6918, for an additional 20-year term. PLO No. 6880 withdrew approximately 11,675.51 acres of National Forest System land from mining in order to protect the scientific and ecological values, and the investment of Federal funds at the Pringle Falls Experimental Forest and Research Natural Area. The withdrawal created by PLO No. 6880 will expire on September 29, 2011, unless extended. This notice also gives an opportunity to comment on the proposed action and to attend a public meeting.

DATES: Comments must be received by August 18, 2010.

ADDRESSES: Comments should be sent to the Oregon/Washington State Director, BLM, P.O. Box 2965, Portland, OR 97208–2965.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION: The United States Forest Service has filed an application requesting that the Secretary of the Interior extend PLO No. 6880 (56 FR 49416 (1991)), as corrected by PLO No. 6918 (56 FR 66602 (1991)), for an additional 20-year term, subject to valid existing rights. PLO 6880, as corrected by PLO No. 6918, withdraw certain lands in Deschutes County, Oregon, from location and entry under the United States mining laws (30 U.S.C. ch. 2). The area described contains approximately 11,675.51 acres in Deschutes County. PLO No. 6880 is incorporated herein by reference.

The purpose of the proposed withdrawal extension is to continue the protection of the scientific and ecological values, and the investment of Federal funds at the Pringle Falls Experimental Forest and Research Natural Area.

The use of a right-of-way, interagency agreement, or cooperative agreement would not provide adequate protection. The Forest Service would not need to acquire water rights to fulfill the purpose of the requested withdrawal extension.

Records related to the application may be examined by contacting Charles R. Roy at the above address or phone number.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM Oregon/Washington State Director at the address indicated above. Electronic mail, facsimile, or telephone comments will not be considered properly filed.

Comments, including names and street addresses of respondents, will be available for public review at the address indicated above during regular business hours.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law.

All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organization or businesses, will be made available for public inspection in their entirety.

Notice is hereby given that a public meeting in connection with the proposed withdrawal extension will be held on July 6, 2010 from 5 p.m. to 7 p.m. at the Deschutes National Forest Headquarters located at 1001 SW Emkay Drive, Bend, OR.
