FOR FURTHER INFORMATION CONTACT: Jennifer Skidmore or Amy Sloan, (301) 713-2289.

SUPPLEMENTARY INFORMATION: The subject permit is requested under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), and the regulations governing the taking and importing of marine mammals (50 CFR part 216).

The applicant is requesting a permit to take releasable stranded California sea lions (two males and six females) from west coast stranding facilities for public display purposes. IMMS is the only marine mammal public display facility in the states of Mississippi and Alabama. The receiving facility, IMMS is: (1) open to the public on regularly scheduled basis with access that is not limited or restricted other than by charging for an admission fee; (2) offers an educational program that is consistent with professional recognized standards of informal education in aquaria and zoos across America, including the Association of Zoos and Aquariums; and (3) holds an Exhibitor's License, number 65-C-0540, issued by the U.S. Department of Agriculture under the Animal Welfare Act (7 U.S.C. §§ 2131-59). IMMS will also consider non-releasable sea lions and each animal will be evaluated on a case by case basis. The permit is requested for five years.

In addition to determining whether the applicant meets the three public display criteria, NMFS must determine whether the applicant has demonstrated that the proposed activity is humane and does not represent any unnecessary risks to the health and welfare of marine mammals; that the proposed activity by itself, or in combination with other activities, will not likely have a significant adverse impact on the species or stock; and that the applicant's expertise, facilities and resources are adequate to accomplish successfully the objectives and activities stated in the application.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of this

application to the Marine Mammal Commission and its Committee of Scientific Advisors.

Dated: May 14, 2010.
