Renewal of Cultural Property Advisory Committee Charter

SUMMARY: The Charter of the Department of State’s Cultural Property Advisory Committee (CPAC) has been renewed for an additional two years.

The Charter of the Cultural Property Advisory Committee is being renewed for a two-year period. The Committee was established by the Convention on Cultural Property Implementation Act of 1983, 19 U.S.C. 2601 et seq. It reviews requests from other countries seeking U.S. import restrictions on archaeological or ethnological material the pillage of which places a country’s cultural heritage in jeopardy. The Committee makes findings and recommendations to the Secretary of State, who, on behalf of the President, determines whether to impose the import restrictions. The membership of the Committee consists of private sector experts in archaeology, anthropology, or ethnology; experts in the international sale of cultural property; and representatives of museums and of the general public.

[Public Notice 7026]

Review of the Designation of Ansar al-Islam (aka Ansar Al-Sunnah and Other Aliases) as a Foreign Terrorist Organization Pursuant to Section 219 of the Immigration and Nationality Act, as Amended

Based upon a review of the Administrative Records assembled in these matters pursuant to Section 219(a)(4)(C) of the Immigration and Nationality Act, as amended (8 U.S.C. 1189(a)(4)(C)) (“INA”), and in consultation with the Attorney General and the Secretary of the Treasury, I conclude that the circumstances that were the basis for the 2004 re-designation of the aforementioned organization as a foreign terrorist organization have not changed in such a manner as to warrant revocation of the designation and that the national security of the United States does not warrant a revocation of the designation.

Therefore, I hereby determine that the designation of the aforementioned organization as a foreign terrorist organization, pursuant to section 219 of the INA (8 U.S.C. 1189), shall be maintained.

This determination shall be published in the Federal Register.

Dated: May 6, 2010.
