Certain Cut-to-Length Carbon-Quality Steel Plate Products From Italy: Extension of the Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 28, 2010.

FOR FURTHER INFORMATION CONTACT: Dmitry Vladimirov, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0665.

SUPPLEMENTARY INFORMATION:

Background

On January 29, 2010, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain cut-to-length carbon-quality steel plate products from Italy. See *Certain Cut-to-*

Length Carbon-Quality Steel Plate Products From Italy: Preliminary Results of Antidumping Duty Administrative Review, 75 FR 4779 (January 29, 2010). The review covers the period February 1, 2008, through January 31, 2009. The final results of this administrative review were originally due no later than May 29, 2010. As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5 through February 12, 2010. Thus, the deadline for the final results of this administrative review has been extended by seven days, until June 5, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results up to 180 days after the date on which the preliminary results are published.

The Department finds that it is not practicable to complete this review by June 5, 2010, because the Department requires additional time to consider the extensive comments submitted by the interested parties in relation to the preliminary results of this review. Consequently, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of the final results of this administrative review by 60 days to August 4, 2010.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: May 20, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Effective with this **Federal Register** notice, the Department is changing the deadline for submission of No-Shipment Letters and Separate Rate Certifications from 30-days after initiation to 60-days after initiation, as indicated in the relevant sections of this **Federal Register** notice.
