Registration
To register for a scheduled Protected
Species Safe Handling, Release, and
Identification Workshop, please contact
Angler Conservation Education at (386)
682–0158.

Registration Materials
To ensure that workshop certificates
are linked to the correct permits, participants will need to bring specific items with them to the workshop:

- Individual vessel owners must
  bring a copy of the appropriate
  swordfish and/or shark permit(s), a copy
  of the vessel registration or
documentation, and proof of
  identification.
- Representatives of a business
  owned or co-owned vessel must bring
  proof that the individual is an agent of
  the business (such as articles of
  incorporation), a copy of the applicable
  swordfish and/or shark permit(s), and
  proof of identification.
- Vessel operators must bring proof
  of identification.

Workshop Objectives
The Protected Species Safe Handling,
Release, and Identification Workshops are designed to teach longline and
gillnet fishermen the required

tactics for the safe handling and
release of entangled and/or hooked
protected species, such as sea turtles,
marine mammals, and smalltooth
sawfish. In an effort to improve
reporting, the proper identification of
protected species will also be taught at
these workshops. Additionally,
individuals attending these workshops
will gain a better understanding of the
requirements for participating in these
fisheries. The overall goal of these
workshops is to provide participants
with the skills needed to reduce the
mortality of protected species, which
may prevent additional regulations on
these fisheries in the future.

Grandfathered Permit Holders
Participants in the industry-sponsored
workshops on safe handling and release
of sea turtles that were held in Orlando,
FL (April 8, 2005), and in New Orleans,
LA (June 27, 2005), were issued a
NOAA workshop certificate in
December 2006 that was valid for 3
years. These workshop certificates have
expired. Vessel owners and operators
whose certificates expire prior to the
next permit renewal or fishing trip must
attend a workshop, successfully
complete the course, and obtain a new
certificate in order to fish with or renew
their limited-access shark and limited-
access swordfish permits. Failure to
provide a valid NOAA workshop
certificate could result in a permit
denial.

Fisheries, National Marine Fisheries Service.

DEPARTMENT OF COMMERCE
International Trade Administration
Department of Commerce: Trade
Promotion Coordinating Committee
Renewable Energy and Energy
Efficiency Export Strategy To Support
the National Export Initiative

AGENCY: International Trade
Administration, Department of
Commerce.

ACTION: Notice and request for comment.

SUMMARY: In order to support President
Obama’s National Export Initiative
(NEI), the interagency Trade Promotion
Coordinating Committee’s (TPCC)
Renewable Energy and Energy
Efficiency Working Group is developing
a U.S. Renewable Energy and Energy
Efficiency Export Strategy (the Strategy)
to guide U.S. government programs
supporting U.S. renewable energy and
energy efficiency companies wishing to
compete for sales abroad. The Strategy
focuses on increasing exports of goods
and services related to renewable energy
and energy efficiency. Not included in
this initiative are all goods and services
that relate to the transport sector,
including biofuels and biofuel
feedstock.

The TPCC Renewable Energy and
Energy Efficiency Working Group seeks
input from private businesses, trade
associations, academia, labor
organizations, non-governmental
organizations, and other interested
parties regarding foreign or domestic
policies or conditions of competition
that impede exports faced by exporters
of the relevant goods and services;
effectiveness or ineffectiveness of
Federal government programs
supporting U.S. exports of renewable
energy and energy efficiency
technology, including specific
experiences with such Federal
government programs; specific ways in
which the Federal government can
improve its programs to support exports
of U.S. goods and services related to
renewable energy and energy efficiency;
Federal activities and programs that
would benefit from increased
interagency cooperation; and generally
how the Federal government can better
help U.S. businesses export more
renewable energy and energy efficiency
technologies.

This input will be used to help guide
the TPCC in its formulation of the
strategy that will support the NEI, with
the goal of doubling U.S. exports by
2015.

DATES: Comments must be received by
11:59 p.m. on July 10, 2010, to be
considered.

ADDRESSES: To provide input to the
TPCC Renewable Energy and Energy
Efficiency Working Group, please send
comments by post, e-mail or fax to the
attention of Julius Svoboda, Office of
Energy & Environmental Industries,
International Trade Administration,
U.S. Department of Commerce, 1401
Constitution Ave., NW., Room 4053,
Washington, DC 20230; 202–482–4152;
e-mail newenergy@trade.gov; fax 202–
482–5665. Electronic responses should
be submitted in Microsoft Word format.
Information identified as confidential
will be protected to the extent permitted
by law.

SUPPLEMENTARY INFORMATION:
On March
11, 2010, President Obama issued
Executive Order 13534, which created
the NEI in order to enhance and
coordinate Federal efforts to facilitate
the creation of jobs in the United States
through the promotion of exports and to
ensure the effective use of Federal
resources in support of these goals, The
Executive Order created the Export
Promotion Cabinet, which coordinates
with the TPCC, to provide the President
a comprehensive plan within 180 days
to carry out the goals of the NEI. In
response to Executive Order 13534, and
with a view to increasing the amount of
U.S. exports related to Renewable
Energy and Energy Efficiency, the TPCC
Working Group on Renewable Energy
and Energy Efficiency has agreed to
prepare, in conjunction with other
relevant TPCC Working Groups, a
National Renewable Energy and Energy
Efficiency Export Strategy for
consideration by the Export Promotion
Cabinet for inclusion in the NEI
implementation plan. The Strategy will
entail: (1) An evaluation of the current
global renewable energy and energy
efficiency energy market; (2) an analysis
of overlaps and gaps in Federal
government programs designed to boost
exports related to renewable energy and
energy efficiency; and (3) goals of the TPCC Working Group on Renewable Energy and Energy Efficiency supporting the sector. The Strategy will be completed in September 2010 to coincide with the release of the first NEI report to the President.

The Trade Promotion Coordinating Committee—The TPCC is an interagency committee that coordinates the development of U.S. Government trade promotion policies and programs. The TPCC is composed of representatives from 20 Federal agencies. The Department of Commerce and the Department of Energy co-chair the TPCC Renewable Energy and Energy Efficiency Working Group. Other Working Group agencies include the Export-Import Bank, the Overseas Private Investment Corporation, the U.S. Trade and Development Agency, the U.S. Export-Import Bank, the Overseas Private Investment Corporation, the U.S. Trade and Development Agency, the Small Business Administration, the Department of Agriculture, State, and Labor, and the Office of the U.S. Trade Representative.

The National Export Initiative—NEI is an Obama Administration initiative to improve conditions that directly affect the private sector’s ability to export. The NEI is intended to meet the Administration’s goal of doubling exports over the next 5 years by working to remove export barriers, by helping firms—especially small businesses—overcome the hurdles to entering new export markets, assisting with financing, and in general by pursuing a government-wide approach to export advocacy abroad, among other steps.

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List Proposed Additions and Deletion

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Proposed Additions to and Deletion From the Procurement List.

SUMMARY: The Committee is proposing to add to the Procurement List products to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities, and to delete a service previously furnished by such agency.

FOR FURTHER INFORMATION OR TO SUBMIT COMMENTS CONTACT: Barry S. Lineback, Telephone: (703) 603–7740, Fax: (703) 603–0655, or e-mail CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a)(2) and 41 CFR 51–2.3. Its purpose is to provide interested persons an opportunity to submit comments on the proposed actions.

Additions

If the Committee approves the proposed additions, the entities of the Federal Government identified in this notice will be required to furnish the products listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products to the Government.

2. If approved, the action will result in authorizing small entities to furnish the products to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O’Day Act (41 U.S.C. 46–48c) in connection with the products proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.
