SUPPLEMENTARY INFORMATION: *Title:* Outreach Opportunity Questionnaire.

OMB Number: 0596-0207.

Expiration Date of Approval: November 30, 2010.

Type of Request: Extension with revision.

Abstract:

This information collection is proposing to extend the collection of information from students attending local college and university career fairs regarding the effectiveness of the information provided by the Forest Service personnel on career opportunities in the Forest Service. The collection is necessary to evaluate and determine the effectiveness of the Forest Service Northern Research Station's (NRS) Civil Rights Outreach Program.

Forest Service Civil Rights personnel have utilized a postcard to collect evaluation information from students regarding presentations at career day events as well as at colleges and universities. Data received has appeared in reports provided to the Department of Agriculture, senior Forest Service officials, the NRS Director, and the NRS Civil Rights Diversity Committee. This information is a vital component in the analysis of Agency outreach efforts.

Estimate of Annual Burden: 10 minutes.

Type of Respondents: University/College students.

Estimated Annual Number of Respondents: 500.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 84 hours.

Comment is invited on: (1) Whether this collection of information is necessary for the stated purposes and the proper performance of the functions of the Agency, including whether the information will have practical or scientific utility; (2) the accuracy of the Agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval.

Forest Service

Mt. Hood and Willamette National Forests, Oregon; Cascade Crossing Transmission Project

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare an environmental impact statement.

SUMMARY: Portland General Electric (PGE), an independent investor-owned utility regulated by the Oregon Public Utility Commission, is proposing to construct, maintain, and operate a new electric transmission system consisting of approximately 210 miles of single- and double-circuit 500 kilovolt (kV) transmission line from Boardman, Oregon to near Salem, Oregon. The proposed transmission line would cross Federal, Tribal, State, municipal, and private lands. Approximately 42 percent of the lands the transmission line would cross are administered by Federal agencies, including the Forest Service, Bureau of Land Management, Department of Defense, U.S. Army Corps of Engineers, and Bureau of Reclamation.

DATES: Comments concerning the scope of the analysis must be received by August 2, 2010. The draft environmental impact statement is expected August, 2011 and the final environmental impact statement is expected February, 2012.

ADDRESSES: Send written comments to Cascade Crossing Transmission Line Project; 1515 SW Fifth Avenue, Suite 1022, Portland, OR 97201-5449. Comments may also be sent via e-mail to Comments@CascadeCrossingProject.com or via facsimile to (888) 291-6460. The project Web site is located at <http://www.CascadeCrossingProject.com>.

It is important that reviewers provide their comments at such times and in such a way that they are useful to the Agency's preparation of the ETS. Therefore, comments should be provided prior to the close of the
