PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add §165.T05–0158 to read as follows:

§165.T05–0158 Safety Zone; Wilson Bay, Jacksonville, NC.

(a) Definitions. For the purposes of this section, Captain of the Port means the Commander, Sector North Carolina. Representative means any Coast Guard commissioned, warrant, or petty officer who has been authorized to act on the behalf of the Captain of the Port.

(b) Location. The following area is a safety zone: The safety zone is established for the navigable waters, from the surface to the seafloor, defined by enclosing an area south of a line drawn from New River Channel Daybeacon 61 (34°44′30″ N/077°26′20″ W) to the north tip of Ethridge Point (34°44′37″ N/077°26′06″ W) and extending 1⁄2 nautical mile south from the boundary line.

(c) Regulations. (1) The general regulations contained in §165.23 of this part apply to the area described in paragraph (b) of this section.

(2) Persons or vessels requiring entry into or passage through any portion of the safety zone must first request authorization from the Captain of the Port, or a designated representative, unless the Captain of the Port previously announced via Marine Safety Radio Broadcast on VHF Marine Band Radio channel 22 (157.1 MHz) that this regulation will not be enforced in that portion of the safety zone. The Captain of the Port can be contacted at telephone number (252) 247–4570 or by radio on VHF Marine Band Radio, channels 13 and 16.

(d) Enforcement. The U.S. Coast Guard may be assisted in the patrol and enforcement of the zone by Federal, State, and local agencies.

(e) Enforcement period. This section will be enforced from 6 a.m. to 5 p.m. on June 9, 2010 unless cancelled earlier by the Captain of the Port.

A. Popiel,
Captain, U.S. Coast Guard, Captain of the Port North Carolina.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG–2010–0174]

RIN 1625–AA00

Safety Zone; Red Bull Air Race, Detroit River, Detroit, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the Detroit River, Detroit, Michigan. This zone is intended to restrict vessels from portions of the Detroit River during the Red Bull Air Race. This temporary safety zone is necessary to protect spectators and vessels from the hazards associated with air races.

DATES: This rule is effective from 9 a.m. on June 3, 2010 through 6:30 p.m. on June 6, 2010.

ADDRESSES: Comments and material received from the public, as well as documents mentioned in this preamble as being available in the docket, are part of docket USC–2010–0174 and are available online by going to http:// www.regulations.gov, inserting USC–2010–0174 in the “Keyword” box, and then clicking “Search.” This material is also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or e-mail CDR Joseph Snowden, Prevention Department, Sector Detroit, Coast Guard; telephone (313) 568–9508, e-mail Joseph.H.Snowden@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On April 5, 2010, we published a notice of proposed rulemaking (NPRM) entitled Safety Zone; Red Bull Air Race, Detroit River, Detroit, MI in the Federal Register (75 FR 17106). We received zero comments on the proposed rule. No public meeting was requested, and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register because delaying the effective date would be contrary to the public interest due to the need to protect the public from the dangers associated with air racing.

Basis and Purpose

This temporary safety zone is necessary to ensure the safety of vessels and the public from hazards associated with an air race. The Captain of the Port Detroit has determined air races in close proximity to watercraft and infrastructure pose a significant risk to public safety and property. The likely combination of large numbers of recreational vessels, airplanes traveling at high speeds and performing aerial acrobatics, and large numbers of spectators in close proximity on the water could easily result in serious injuries or fatalities. Establishing a safety zone around the location of the race’s course will help ensure the safety of persons and property at these events and help minimize the associated risks.

Discussion of the Rule

The Coast Guard is establishing a temporary safety zone on the specified U.S. waters of the Detroit River, Detroit, MI, bound by a line extending from a point on land southwest of Joe Louis Arena at position 42°19.4′ N; 083°3.3′ W, northeast along the Detroit shoreline to a point on land at position 42°20.0′ N; 083°1.2′ W, southeast to the international border with Canada at position 42°19.8′ N 083°1.0′ W, southwest along the international border to position 42°19.2′ N; 083°3.3′ W, and northwest to the point of origin at position 42°19.4′ N; 083°3.3′ W. (DATUM: NAD 83).

This rule will be enforced for approximately six hours each day of its effective period. Additionally, prior to the event, local sailing and yacht clubs will be provided with information by Coast Guard Station Belle Isle on what to expect during the event. Station Belle Isle will do this in order to minimize interruptions in the normal business practices of local sailing and yacht clubs. In the event this temporary safety zone affects shipping, commercial vessels may request permission from the Captain of the Port (COTP) Detroit to transit through the safety zone. The Coast Guard will give notice to the public via a Broadcast Notice to Mariners that the regulation is in effect. Additionally, the COTP Detroit will suspend enforcement of the safety zone if the event for which the zone is established ends earlier than the expected time.
Discussion of Comments and Changes

We received no comments with regard to this rule and no changes have been made to this rule.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

Although this temporary rule restricts access to the safety zone, the effect of the rule will not be significant because: (i) The minimal time that vessels will be restricted from the zone; (ii) the zone is an area where the Coast Guard expects insignificant adverse impact to mariners from the zone’s activation; and (iii) vessels may request permission from the COTP Detroit to transit through the safety zone. The Coast Guard will give notice to the public via a Broadcast Notice to Mariners that the regulation is in effect. Additionally, the COTP will suspend enforcement of the safety zone if the event for which the zone is established ends earlier than the expected time.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), in the NPRM we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520). We did not receive any comments for this section.

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism. We did not receive any comments for this section.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble. We did not receive any comments for this section.

Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights. We did not receive any comments for this section.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden. We did not receive any comments for this section.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children. We did not receive any comments for this section.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. We did not receive any comments for this section.
Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211. We did not receive any comments for this section.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards. We did not receive any comments for this section.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16473.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction. This rule involves the establishment of a safety zone. An environmental analysis checklist and a categorical exclusion determination are available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine Safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add §165.T09–0174 to read as follows:

§165.T09–0174 Safety Zone; Red Bull Air Race, Detroit River, Detroit, MI.

(a) Location. The following area is a temporary safety zone: All U.S. waters of the Detroit River, Detroit, MI, bound by a line extending from a point on land southwest of Joe Louis Arena at position 42°19′.4″ N; 083°3′.3″ W, northeast along the Detroit shoreline to a point on land at position 42°20′.0″ N; 083°1′.2″ W, southeast to the international border with Canada at position 42°19′.8″ N 083°1′.6″ W, southwest along the international border to position 42°19′.2″ N; 083°3′.3″ W, and northwest to the point of origin at position 42°19′.4″ N; 083°3′.3″ W. (DATUM: NAD 83).

(b) Effective Period. This regulation is effective from 9 a.m. on June 3, 2010 through 6:30 p.m. on June 6, 2010. The safety zone will be enforced daily from 9 a.m. to 6:30 p.m. on June 3, 2010 through June 6, 2010.

(c) Regulations. (1) In accordance with the general regulations in §165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Detroit, or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Detroit or his designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative of the Captain of the Port will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port or his designated on scene representative may be contacted via VHF Channel 16.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Detroit or his on-scene representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port or his on-scene representative.

Dated: May 7, 2010.

E.J. Marohn,
Commander, U.S. Coast Guard, Acting Captain of the Port Detroit.

BILLING CODE 9110–04–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

Approval and Promulgation of Air Quality Implementation Plans; Wisconsin; Particulate Matter Standards; Withdrawal of Direct Final Rule

AGENCY: Environmental Protection Agency (EPA).

ACTION: Withdrawal of direct final rule.

SUMMARY: Due to the receipt of an adverse comment, EPA is withdrawing the April 8, 2010 (75 FR 17865), direct final rule approving Wisconsin’s update to its state ambient air quality standards. The updates were made to the particulate matter standards by adding fine particulate standards and revoking the state’s course particulate standards. The State of Wisconsin submitted this revision as a modification to the State Implementation Plan on September 11, 2009. In the direct final rule, EPA stated that if adverse comments were submitted by May 10, 2010, the rule would be withdrawn and not take effect. On May 7, 2010, EPA received a comment. EPA believes this comment is adverse and, therefore, EPA is withdrawing the direct final rule. EPA will address the comment in a subsequent final action based upon the proposed action also published on April 8, 2010 (75 FR 17894). EPA will not institute a second comment period on this action.

DATES: The direct final rule published at 75 FR 17865 on April 8, 2010, is withdrawn as of June 2, 2010.
