Notice of Lodging of Proposed Consent Decree With American Municipal Power, Inc. Under the Clean Air Act

Pursuant to 28 CFR 50.7, notice is hereby given that on May 18, 2010, a

proposed Consent Decree in *United States of America v. American Municipal Power, Inc.* ("AMP"), Civil Action No. 2:10-cv-438, was lodged with the United States District Court for the Southern District of Ohio.

The Consent Decree addresses alleged violations of the Clean Air Act, 42 U.S.C. 7401-7671 *et seq.*, and state and federal implementing regulations, which occurred at the R.H. Gorsuch Generating Station, a coal-fired power plant owned and operated by AMP in Marietta, Ohio. The alleged violations arise from the construction of modifications at the power plant and operation of the plant in violation of the Prevention of Significant Deterioration (PSD) and Nonattainment New Source Review (NNSR) provisions of the Clean Air Act, 42 U.S.C. 7475, 7503, the New Source Performance Standards provisions of the Clean Air Act, 42 U.S.C. 7411, Title V of the Act, 42 U.S.C. 7661 *et seq.*, and the Title V permit for the plant. The complaint alleges that AMP failed to obtain appropriate permits and failed to install and apply required pollution controls to control emissions of various air pollutants.

The proposed Consent Decree would resolve the claims alleged in the Complaint filed in this matter in exchange for AMP's commitment to permanently shutdown and retire all four units at the Gorsuch Station, pay a \$850,000 civil penalty, and spend \$15 million on energy efficiency projects to mitigate the alleged adverse effects of its past violations.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. The Consent Decree may be examined at the Office of the United States Attorney for the Southern District of Ohio, located at 280 North High Street, Columbus, Ohio 43215; or at U.S. EPA Region 5, 77 W. Jackson Blvd., Chicago, Illinois 60604-4590.
