1) The Council may appoint a law enforcement officer or other person as Alcoholic Beverage Control Agent (“Agent”) for the purpose of investigating, reporting and seeking corrective action with respect to violations of this Ordinance and Licenses under this Ordinance. Where it appears, based on an investigation done by the Agent, that a violation has occurred, but may be cured by having the licensee take corrective action, the Agent may issue a written Notice of Violation to the licensee describing the violation and, as appropriate, describing the corrective action to be taken. A copy of the Notice of Violation shall also be provided to the Council.

2) The appropriate corrective action will depend upon the specific facts and circumstances of the violation as well as any history of prior violations with regard to the licensee. Corrective action may include, but will not necessarily be limited to, requirements for additional management or employee training, the improvement of internal policies and procedures, and the taking of appropriate personnel action with regard to negligence or misconduct by an employee of the licensee. A copy shall also be provided to the Council. The Agent will then review the licensee’s response, conduct such additional investigation as the Agent deems appropriate, and then submit to the licensee a written notice that either confirms, modifies or withholds the original Notice of Violation.

4) If the licensee continues to dispute the findings contained in the Notice of Violation or the directive for corrective action, the licensee may appeal that Notice by submitting to the Agent and the Council, within 5 business days from receipt of the Agent’s final decision, a written request for a hearing before the Council. The Council shall send written notices of the hearing to the licensee and the Agent, on the time and place of the hearing. A decision by the Council on an appeal from a Notice of Violation shall be final:

1) Suspension or revocation of License.

1) Any License issued under this Ordinance may be suspended or revoked by the Council for violation of any of the provisions of this Ordinance, or of the Tribal License. The Council may consider License suspension and revocation based on information provided by the Alcoholic Beverage Control Agent, or a member of the public. A Notice of Violation is not required prior to Council consideration of suspension or revocation of a License.

2) A License shall not be suspended or revoked except following a hearing before the Council after 10 days notice to the licensee. The notice will be delivered in person or by certified mail with the Council retaining proof of service. The notice will set out the rights of the alleged violator, including but not limited to representation by an attorney to represent the alleged violator, the right to speak and to present witnesses and to cross-examine any witnesses against them.

3) The Council shall grant all persons in any hearing regarding a License suspension or revocation all the rights and due process granted by the Indian Civil Rights Act, 25 U.S.C. 1302, et seq. At the hearing, the grounds for the alleged violation shall be presented by the Agent, or such other person as may be designated for such purpose by the Council. Upon hearing the evidence presented and finding that a breach of this Ordinance or the terms and conditions of any License has occurred, the Council shall have the authority to impose one or more of the following sanctions:

1) Issue a written reprimand for a minor violation;
2) Impose conditions on the License or require that the licensee take corrective action, including, but not limited to, requirements for additional management or employee training, improvement of internal policies and procedures, the taking of appropriate personnel action with regard to negligence or misconduct by an employee of the licensee;
3) Impose a civil fine of not to exceed $5,000 per violation;
4) Suspend the license for a specified period of time; or
5) Revoke the license.

The decision of the Council shall be final.

Notwithstanding any other provision of this Ordinance, a License under this Ordinance is a mere permit for a fixed duration of time. A License under this Ordinance shall not be deemed a property right or vested right of any kind, nor shall the granting of a License under this Ordinance give rise to a presumption or legal entitlement to the granting of such License for a subsequent time period.
