

settlement. Enhancements may be included as part of the settlement without an independent appraisal. In deciding whether to approve the release of a claim in exchange for enhancements, the authorizing fiduciary shall take into account all aspects of the settlement, including the cash or other assets to be received by the plan, the solvency of the party in interest, and the best interests of the class of participants harmed by the acts that are the subject of the plan's claims;

(4) The authorizing fiduciary, or another independent fiduciary, acts on behalf of the plan and its participants and beneficiaries for all purposes related to any property, including employer securities as defined by section 407(d)(1) of the Act, received by the plan from the employer as part of the settlement. The authorizing fiduciary or another independent fiduciary continues to act on behalf of the plan and its participants and beneficiaries for the period that the plan holds the property, including employer securities, received from the employer as part of the settlement. The authorizing fiduciary or another independent fiduciary shall have sole responsibility relating to the acquisition, holding, disposition, ongoing management, and where appropriate, exercise of all ownership rights, including the right to vote securities, unless the plan is a participant-directed individual account plan and the authorizing fiduciary allows the participants and beneficiaries to exercise control over the securities allocated to their accounts;

(j) The plan does not pay any commissions in connection with the acquisition of the assets;

(k) The authorizing fiduciary acting on behalf of the plan has acknowledged in writing that it is a fiduciary with respect to the settlement of the litigation on behalf of the plan;

(l) The plan fiduciary maintains or causes to be maintained for a period of six years the records necessary to enable the persons described below in paragraph (m) to determine whether the conditions of this exemption have been met, including documents evidencing the steps taken to satisfy section II (c), such as correspondence with attorneys or experts consulted in order to evaluate the plan's claims, except that:

(1) if the records necessary to enable the persons described in paragraph (m) to determine whether the conditions of the exemption have been met are lost or destroyed, due to circumstances beyond the control of the plan fiduciary, then no prohibited transaction will be considered to have occurred solely on

the basis of the unavailability of those records; and

(2) No party in interest, other than the plan fiduciary responsible for record-keeping, shall be subject to the civil penalty that may be assessed under section 502(i) of the Act or to the taxes imposed by section 4975(a) and (b) of the Code if the records are not maintained or are not available for examination as required by paragraph (m) below;

(m)(1) Except as provided below in paragraph (m)(2) and notwithstanding any provisions of section 504(a)(2) and (b) of the Act, the records referred to in paragraph (l) are unconditionally available at their customary location for examination during normal business hours by—

(A) any duly authorized employee or representative of the Department or the Internal Revenue Service;

(B) any fiduciary of the plan or any duly authorized employee or representative of such fiduciary;

(C) any contributing employer and any employee organization whose members are covered by the plan, or any authorized employee or representative of these entities; or

(D) any participant or beneficiary of the plan or the duly authorized employee or representative of such participant or beneficiary.

(2) Nothing in this exemption supersedes any restriction on the disclosure of trade secrets or other commercial or financial information which is privileged or confidential and this exemption does not authorize any of the persons described in paragraph (m)(1)(B)–(D) to examine trade secrets or such commercial or financial information. Similarly, nothing in this exemption requires the disclosure of information to the persons described in paragraph (m)(1)(A)–(D) which is offered to the authorizing fiduciary by a party to the settlement negotiations conditioned on the maintenance of its confidentiality, provided that: (1) the Fiduciary makes a written determination that the information would likely assist the Fiduciary in carrying out its responsibilities on behalf of the plan; and (2) a decision of a court or an opinion of an attorney, having no relationship to any of the parties involved in the claims other than the plan, confirms that the proffered information likely cannot be obtained unconditionally by seeking discovery through the court, or cannot be obtained in a timely fashion.

Section III. Definitions

For purposes of this exemption, the terms “employee benefit plan” and

“plan” refer to an employee benefit plan described in section 3(3) of ERISA and/or a plan described in section 4975(e)(1) of the Code.

[Notice (10-064)]

National Environmental Policy Act; Scientific Balloon Program

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of availability and request for comments on the Draft Programmatic Environmental Assessment (PEA) and Draft Finding of No Significant Impact (FONSI) for NASA's Scientific Balloon Program.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, as amended (NEPA) (42 U.S.C. 4321 *et seq.*), the Council on Environmental Quality Regulations for Implementing the Procedural Provisions of NEPA (40 CFR Parts 1500-1508), and NASA NEPA policy and procedures (14 CFR Part 1216, Subpart 1216.3), NASA has prepared a Draft PEA that analyzes scientific balloon launch and flight operations originating from NASA's

Columbia Scientific Balloon Facilities (CSBF) in Fort Sumner, New Mexico and Palestine, Texas. NASA has launched and monitored the flights of balloons from these locations for over 25 years. NASA is not proposing to change the launch locations and is only proposing to increase the number of scientific balloons launched each year. Balloon flights originating from CSBF Fort Sumner would increase from 15 to 25 annually; balloons launched from CSBF Palestine would continue at approximately 6 per year. The No Action Alternative, under which balloon launch and flight operations would not increase, is also analyzed in detail in the Draft PEA.

In accordance with its NEPA procedures, NASA has also prepared a Draft FONSI that preliminarily concludes that an Environmental Impact Statement is not needed for the proposal.

DATES: Interested parties are invited to submit comments on the draft PEA and the draft FONSI, preferably in writing, no later than 30 days from the date of publication of this notice in the **Federal Register**.

ADDRESSES: Comments submitted via mail should be addressed to: Joshua A. Bundick, NEPA Program Manager, Scientific Balloon Program, NASA Goddard Space Flight Center's Wallops Flight Facility, Wallops Island, VA 23337. Comments also may be submitted via electronic mail to: wff-nepa@lists.nasa.gov.
