Proposed Collection; Comment Request

Extension: Regulation 12B; OMB Control No. 3235–0062; SEC File No. 270–70.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation 12B (17 CFR 240.12b–1—12b–37) includes rules governing all registration statements and reports under Sections 12(b), 12(g), 13(a), and 15(d) (15 U.S.C. 78l(b), 78l(g), 78m(a) and 78o(d)) of the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.) ("Exchange Act"). The purpose of the regulation is to set forth guidelines for the uniform preparation of Exchange Act documents. Regulation 12b is assigned one burden hour for administrative convenience because the regulation simply prescribes the disclosure that must appear in other filings under the federal securities laws.

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Charles Boucher, Director/CIO.
